Emerging Indonesia

Mr. Thomas Rumbaugh

Emerging Indonesia:

Indonesia Mr.Thomas Rumbaugh,2012-01-19 Over the past decade Indonesia has developed into an important regional and global economy as well as an active participant in the G20 The chapters in this book document the substantial improvements in the quality of macroeconomic policy that Indonesia has achieved while also clearly laying out an agenda of measures that should be taken to safeguard these gains and further lower vulnerabilities going forward Rather than just demonstrating progress in key macroeconomic indicators the contributors have delved into the ways that global volatility especially since 2008 has affected Indonesia and how that country has adjusted its policies to meet the new challenges

Growth and Sustainability in Brazil, China, India, Indonesia and South Africa OECD,2010-08-16 Growth and Sustainability in Brazil China India Indonesia and South Africa is based on the proceedings of a conference organised by the OECD on the growth performance of these large emerging market economies The book brings together contributions from distinguished policy makers and scholars

China's Direct Investment in Indonesia (1990-2022) Kai Liu,2024-09-23 To elucidate the theoretical underpinnings and practical nuances of China s Outward Foreign Direct Investment OFDI in Indonesia spanning 1990 2022 this book intricately integrates its evolutionary trajectory within the framework of both traditional and emerging investment theories Employing a judicious blend of standardized and empirical approaches the book employs a comprehensive mix of quantitative and qualitative research methods to provide a nuanced understanding of this dynamic subject matter Against the backdrop of the post pandemic era this book takes the international investment landscape as its context focusing on Indonesia as the subject of country specific research It demonstrates the evolutionary trajectory of China s enterprises direct investment in Indonesia synthesizing the structural characteristics of these investments The study empirically examines the investment effects and their operational mechanisms determining the multi dimensional investment distances between the two countries Additionally it illustrates the mechanisms underpinning the occurrence of the liability of foreignness risks faced by Chinese enterprises and defines the core elements and implementation pathways of the innovative localization investment model

Indonesia's Regional and Global

Engagement Moch Faisal Karim,2023-06-16 Karim examines the changes and continuity of Indonesia s foreign policy in the post authoritarian era under presidents Susilo Bambang Yudhoyono and Joko Widodo Indonesia conceptualised and aimed to adopt four principle roles after 2004 being a voice for developing countries being a regional leader being an advocate for democratic and human rights and being a bridge builder These roles however were by no means stable and were constantly being negotiated and contested Karim analyses the contested nature of Indonesian foreign policy and the limits this places on consistency in enacting these roles He highlights two drivers for such limitations conflicting role conceptions and state fragmentation He develops this argument based on four case studies of Indonesia s engagement in human rights governance and trade governance at both regional and global levels Essential reading for students and scholars of Indonesia s foreign

policy that will also be of substantial value to those studying policy in Southeast Asia more broadly

Indonesia's Foreign Policy and Grand Strategy in the 21st Century Vibhanshu Shekhar, 2018-03-14 This book examines the changes in Indonesian foreign policy during the 21st century as it seeks to position itself as a great power in the Indo Pacific region The rise of 21st century Indonesia is becoming a permanent fixture in both the domestic and global discourses Though there has been an increasing level of discussion on Indonesia's emerging power status there has been little discussion on how the country is debating and signalling its new found status This book combines the insights of both neo classical realism and social identity theory to discuss a reset in an emerging Indonesia's foreign policy during the 21st century while emphasizing domestic drivers and constraints of its international behaviour There are three key organizing components of the book emerging power status signalling and the Indo Pacific region The Indo Pacific region constitutes a spatial framing of the book the emerging power provides an analytical category to explain Indonesia's changing international status and status signalling explains multiple facets of international behaviour through which the country is projecting its new status Though leaders are adding different styles and characteristics to the rising Indonesia narrative there are a few unmistakable overarching trends that highlight an increasing correlation between the country's rising power and growing ambition in international behaviour This book is built around four key signalling strategies of Indonesia as an emerging power expanded regional canvas power projection leadership projection and quest for great power parity They represent Indonesia's growing desire for a status consistent behaviour its response to the prevailing strategic uncertainty in the Indo Pacific region and its attempt to advance its strategic interests This book will be of much interest to students of South East Asian politics strategic studies international diplomacy security studies and IR in general

Entrepreneurship in Indonesia Vanessa Ratten, 2021-11-03 Whilst other countries in Asia particularly China and India have been studied in terms of entrepreneurial endeavours there is a lack of research on Indonesia despite it being amongst the fastest growing economies in the world Indonesia is also one of the largest recipients of venture capital in Asia This book looks at the growth of entrepreneurship in Indonesia from artisan and cultural endeavours to an increased awareness of digital and technology based forms of entrepreneurship The book examines the distinct cultural heritage of people in Indonesia towards entrepreneurial pursuits and analyses the role family and minority businesses play in the development of entrepreneurial capabilities It stresses the need to focus on more categories of entrepreneurship in Indonesia such as artisan tourism and sustainability in order to facilitate the growth of digital based startups This book will be amongst the first to explore how Indonesia is leaping ahead of competitors in its quest to be a dominant world power through its entrepreneurial pursuits

Indonesia International Monetary Fund, 1997-09-29 This Selected Issues paper on Indonesia explains through econometric analysis the contribution of different factors to export growth and assesses the prospects for its maintenance in the future The paper reviews developments in Indonesian export growth since 1970 It develops a model of export demand and export supply provides empirical estimates

from the model and the implications of the results The paper also addresses medium term prospects for export growth on the basis of the estimated model and the possible impact of exchange rate changes

The Politics of Religion

in Indonesia Michel Picard,Rémy Madinier,2011-05-13 Indonesia is a remarkable case study for religious politics While not

being a theocratic country it is not secular either with the Indonesian state officially defining what constitutes religion and every citizen needing to be affiliated to one of them This book focuses on Java and Bali and the interesting comparison of two neighbouring societies shaped by two different religions Islam and Hinduism The book examines the appropriation by the peoples of Java and Bali of the idea of religion through a dialogic process of indigenization of universalist religions and universalization of indigenous religions It looks at the tension that exists between proponents of local world views and indigenous belief systems and those who deny those local traditions as qualifying as a religion This tension plays a leading part in the construction of an Indonesian religious identity recognized by the state The book is of interest to students and scholars of Southeast Asia religious studies and the anthropology and sociology of religion
