Emerson Among The Eccentrics A Group Portrait:

Emerson Among the Eccentrics Carlos Baker, 1996 Baker brings to life Emerson and his circle of friends Hawthorne Thoreau Bronson Alcott Walt Whitman Abraham Lincoln and others the result is a vivid and textured mosaic of not just their interrelationships but of their daily lives what they ate what they wore what they did for entertainment what was valued what was not and how they managed life Photos **The California Days of Ralph Waldo Emerson** Brian C. Wilson, 2023-06-29

A vivid and painstakingly researched account of Emerson's late in life seven week trek across the North American continent in 1871 New York Review of Books In the spring of 1871 Ralph Waldo Emerson boarded a train in Concord Massachusetts bound for a month and a half long tour of California an interlude that became one of the highlights of his life On their journey across the American West he and his companions would take in breathtaking vistas in the Rockies and along the Pacific Coast speak with a young John Muir in the Yosemite Valley stop off in Salt Lake City for a meeting with Brigham Young and encounter a diversity of communities and cultures that would challenge their Yankee prejudices Based on original research employing newly discovered documents The California Days of Ralph Waldo Emerson maps the public story of this group's travels onto the private story of Emerson's final years as aphasia set in and increasingly robbed him of his words Engaging and compelling this travelogue makes it clear that Emerson was still capable of wonder surprise and friendship debunking the presumed darkness of his last decade Wilson effectively conveys Emerson's cultural myopia along with its late Victorian context Times Literary Supplement Deeply researched enjoyably readable San Francisco Chronicle What Wilson offers the Emersonian reader today is a unique story of Emerson in motion having a particularly American experience in looking westward Emerson Society Papers A welcome addition to Emerson scholarship and the first comprehensive treatment of his journey westward to the Pacific state Ronald A Bosco general editor of The Collected Works of Ralph Waldo Emerson

Representative Americans, the Romantics Norman K. Risjord, 2001 Like the preceding books in The Representative Americans series The Romantics makes history human by putting tissue on the skeletal framework of names and dates It treats people whose principal contributions fell in the first half of the nineteenth century And while certain individuals may be unfamiliar to readers the slaves Prince and Fred, a black farmer of Kentucky and Illinois and the Lowell Girls Lucy Lacombe and Sarah Bagley the majority of the figures studied are well known such as Andrew Jackson and John Quincy Adams Ralph Waldo Emerson Margaret Fuller Horace Mann and Catharine Beecher Tying it all together is the prevailing spirit of American Romanticism Visit our website for sample chapters

Life Mapping as Cultural Legacy I-Chun Wang, Mary Theis, 2021-01-15 This

volume celebrates a fascinating variety of nonfiction known as life writing This genre resonates quintessentially with the core of the humanities in its profoundly individual ways of fusing narrators with their narrative subjects The book brings together scholars from around the world to explore the personal mapping of such narrators in the context of their cultural legacies The hybrid fusions themselves form several subgenres that complement each other as they affirm human dignity and values and our need for human connection felt at all times but especially during times of globally met threats The ever expanding forms of hybridography here along with testimonies diaries letters and journals bear witness to how individuals have contrived to overcome their own traumatic sources of pain and suffering to discover joy and how to further map their pathways forward The narratives not only communicate important information and aesthetic beauty needed to prolong troubled lives due to social anxiety or mental illness but also challenge sociocultural issues involving stigma migration racial discrimination and persecution human trafficking and ecological concerns Global in scope personal in focus and historically and culturally contextualized the analyses provided here once again illustrate how much we have to learn from each other
