Emily Stowe:

Changing the Pattern Sydell Waxman, 1998-02-01 When Emily Stowe was born in Ontario in 1831 every girl's life followed a set pattern. Regardless of her personality, intelligence, capabilities, or creativity, her future was limited to housework and childcare. Emily Stowe was determined to change that pattern. Sydell Waxman, a writer, researcher, and lecturer on women of the 1800s, tells of the events in the life of the young Emily Stowe which caused her to become not only the first woman school principal and the first woman to practise medicine in Canada, but a pioneer in the fight for women's rights. With the help of original sketches and archival material, *Changing the Pattern* also creates a vivid picture of Canada in the late 1800s as it follows Emily's crusade to create new patterns for girls' lives.

The Feminist Challenge to the Canadian Left, 1900-1918 Janice Newton, 1995 The resurgence of feminism in the early 1970s created shock waves across Canadian society that can be felt to this day. One of its results was a growing interest in women's history which initially focused on the struggle of women around the turn of the century to gain the right to vote.

Minds of Our Own Wendy Robbins, 2008-05-30 This book of personal essays by over forty women and men who founded women's studies in Canada and Quebec explores feminist activism on campus in the pivotal decade of 1966-76. The essays document the emergence of women's studies as a new way of understanding women, men, and society and they challenge some current preconceptions about second wave feminist academics. The contributors explain how the intellectual and political revolution begun by small groups of academics, often young untenured women at universities across Canada, contributed to social progress and profoundly affected the way we think, speak, behave, understand equality, and conceptualize the academy and an academic career. A contextualizing essay documents the social, economic, political, and educational climate of the time, and a concluding chapter highlights the essays' recurring themes and assesses the intellectual and social transformation that their authors helped set in motion. The essays document the appalling sexism and racism some women encounter in seeking admission to doctoral studies, in hiring, in pay, and in establishing the legitimacy of feminist perspectives in the academy. They reveal sources of resistance, too, not only from colleagues and administrators but from family members and from within the self. In so doing, they provide inspiring examples of sisterly support and lifelong friendship.

A Century of Homeopaths Jonathan Davidson, 2014-03-22 As the values of integrative medicine continue to grow, alternative points of view and treatments are increasing in acceptance and prevalence. Homeopathic medicine is considered an important root to this approach. However, contributions of homeopathically qualified doctors have long been overlooked. *A Century of Homeopaths* is a detailed account of the many homeopaths who have contributed to medical progress since 1840. The accomplishments of over 100 homeopaths form the organizing structure of the book, many of whom have been lost to history. The text describes the ways in which homeopaths have influenced medical practice, research, and public health, as well as the seminal effect of homeopaths in the emergence of today's medical specialties and in social reform, thus providing insights to healthcare professionals, researchers, students, and

medical historians **A Stepping-stone Year** Margaret K. Gooding,1989 **University Women** Sara Z. MacDonald,2021-11-15 Bessie Scott nearing the end of her first year at university in the spring of 1890 recorded in her diary Wore my gown for first time It didn t seem at all strange to do so Often deemed a cumbersome tradition by men the cap and gown were dearly prized by women as an outward sign of their hard won admission to the rank of undergraduates For the first generations of university women higher education was an exhilarating and transformative experience but these opportunities would narrow in the decades that followed In *University Women* Sara MacDonald explores the processes of integration and separation that marked women s contested entrance into higher education Examining the period between 1870 and 1930 this book is the first to provide a comparative study of women at universities across Canada MacDonald concludes that women s higher education cannot be seen as a progressive narrative a triumphant story of trailblazers and firsts of doors being thrown open and staying open The early promise of equal education was not fulfilled in the longer term as a backlash against the growing presence of women on campuses resulted in separate academic programs closer moral regulation and barriers that restricted their admission into the burgeoning fields of science technology engineering and mathematics The modernization of higher education ultimately marginalized women students researchers and faculty within the diversified universities of the twentieth century *University Women* uncovers the systemic inequalities based on gender race and class that have shaped Canadian higher education It is indispensable reading for those concerned with the underrepresentation of girls and women in STEM and current initiatives to address issues of access and equity within our academic institutions **100 Canadian Heroines** Merna Forster,2004-11-01 This inspiring collection profiles remarkable women heroines in science sport preaching and teaching politics war and peace arts and entertainment and more In *100 Canadian Heroines* you ll meet remarkable women in science sport preaching and teaching politics war and peace arts and entertainment etc The book is full of amazing facts and fascinating trivia about intriguing figures Discover some of the many heroines Canada can be proud of Find out how we re remembering them Or not Augmented by great quotes and photos this inspiring collection profiles remarkable women heroines in science sport preaching and teaching politics war and peace arts and entertainment and more Profiles include mountaineer Phyllis Munday activist Hide Shimizu unionist Lea Roback and movie mogul Mary Pickford Road Rage Bill Swan,2006-05-17 Matt Thompson is in trouble again A rare old book about legendary track star Alfie Shrubbs has gone missing from the local museum and all fingers point to Matt To make matters worse his new running club won t be running in the annual race named after Shrubbs but is instead volunteering With help of his friends and a former Olympic runner with serious challenges of his own Matt tries to clear his name He also learns again what it means to be a runner in this follow up to *Mud Run and Mud Happens* Petticoats and Prejudice - Women's Press Classics Constance Backhouse,2015-02-01 Drawing on historical records of women s varying experiences as litigants accused criminals or witnesses this book offers critical insight into women s legal status in nineteenth century Canada In an effort to

recover the social and political conditions under which women lobbied rebelled and in some cases influenced change Petticoats and Prejudice weaves together forgotten stories of achievement and defeat in the Canadian legal system Expanding the concept of heroism beyond its traditional limitations this text gives life to some of Canada's lost heroines Euphemia Rabbitt who resisted an attempted rape and Clara Brett Martin who valiantly secured entry into the all male legal profession were admired by their contemporaries for their successful pursuits of justice But Ellen Rogers a prostitute who believed all women should be legally protected against sexual assault and Nellie Armstrong a battered wife and mother who sought child custody were ostracized for their ideas and demands Well aware of the limitations placed upon women advocating for reform in a patriarchal legal system Constance Backhouse recreates vivid and textured snapshots of these and other women's courageous struggles against gender discrimination and oppression Employing social history to illuminate the reproductive sexual racial and occupational inequalities that continue to shape women's encounters with the law Petticoats and Prejudice is an essential entry point into the gendered treatment of feminized bodies in Canadian legal institutions This book was co published with The Osgoode Society for Canadian Legal History Justice for All Marja Bergen, 2022-07-29 Would you like to live a more meaningful life Perhaps you want to speak out against injustice or make a change in your own life but lack the courage to do so Justice for All recounts the inspirational achievements of twelve of history's greats all of whom overcame personal challenges and gave their lives to fighting the injustices of their times People like William Wilberforce who helped abolish slavery in Britain Mahatma Gandhi the Indian leader who was shy about public speaking but became one of the most influential leaders of modern times and Mother Teresa who saw Christ's suffering in the poor she ministered to Author Marja Bergen encourages the reader to identify what helped these leaders do what they did and to foster similar qualities in themselves along with confidence in a God who tells them that they are of value to their community and their world With a focus on modern Christians Justice for All is for readers looking to make changes both in their lives and society We can all learn from these outstanding individuals who shaped our world from two thousand years ago to the present day
