Emma Written In Norwegian:

Letters written in Sweden, Norway, and Denmark Mary Wollstonecraft, 2009-03-12 If ever there was a book calculated to make a man in love with its author this appears to me to be the book William Godwin the author's future husband was not alone in admiring Letters written during a short residence in Sweden Norway and Denmark Wollstonecraft's most popular book during her lifetime Not easy to categorize it is both an arresting travel book and a moving exploration of her personal and political selves Wollstonecraft set out for Scandinavia just two weeks after her first suicide attempt on a mission from the lover whose affections she doubted to recover his silver on a ship that had gone missing With her baby daughter and a nursemaid she travelled across the dramatic landscape and wrote sublime descriptions of the natural world and the events and people she encountered What emerges most vividly is Wollstonecraft's courage and ability to look beyond her own suffering to the turmoil around her in revolutionary Europe and a better future This edition includes further material on the silver ship Wollstonecraft's personal letters to Imlay during her trip an extract from Godwin's memoir and a selection of contemporary reviews ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Women, Politics, and Social Networks in the Sagas of Norwegian Kings Markus Eldegard Mindrebø, 2025-05-19 The Old Norse Icelandic konungasögur kings sagas have been thoroughly studied for centuries for their vivid representation of Scandinavia's Viking Age past but women have frequently been overlooked in scholarly discussions of the political culture found within the texts Women Politics and Social Networks in the Sagas of Norwegian Kings shows that in their accounts of early Norwegian history the kings sagas portray aristocratic and royal women as able to participate in politics at a similar level to men but only within certain social parameters Women are structurally enabled to enter male dominated political spaces and positions through their participation in interaction with and manipulation of multifaceted aristocratic networks based around interpersonal bonds of kinship friendship and lordship Inspired by advancements within medieval network theory and studies of aristocratic group behaviour and women's social agency in medieval historiography the book demonstrates that the sagas portray elite women as utilising the same network strategies as men and potentially exercising similar levels of political power as a consequence while being excluded from the institutionalised roles of kingship chieftaincy and military and judicial leadership

Heimskringla; Or, The Chronicle of the Kings of Norway

Snorri Sturluson, 2022-09-15 Heimskringla is a collection of sagas about Swedish and Norwegian kings beginning with the saga of the legendary Swedish dynasty of the Ynglings followed by accounts of historical Norwegian rulers from Harald Fairhair of the 9th century up to the death of the pretender Eystein Meyla in 1177. It was written by Snorri Sturluson. Heimskringla consists of several sagas often thought of as falling into three groups giving the overall work the character of a triptych. The saga narrates the contests of the kings, the establishment of the kingdom of Norway, Norse expeditions to various European countries ranging as far afield as Palestine in the saga of Sigurd the Crusader where the Norwegian fleet is attacked by Arab Muslim pirates referred to as Vikings.

Massacre in Norway Stian Bromark, 2014-04-15

On July 22, 2011, a bomb went off outside government buildings in Oslo, Norway, killing eight people and injuring more than two hundred. Less than two hours later, a gunman claimed sixty-nine lives in a shooting spree at a summer camp on the island of Utøya while terrified and desperate youths tried to hide or swim to the mainland to escape. Massacre in Norway is the first detailed hour-by-hour account of the two sequential terrorist attacks by lone wolf terrorist Anders Behring Breivik. To inform his literary reportage, Stian Bromark compiled interviews with survivors, police officers, government employees, boatmen, rescuers, and others who experienced the attacks, the deadliest in Norway since World War II. Massacre in Norway provides crucial in-depth context for the story, including a riveting background portrait of Breivik, the right-wing extremist, the police arrested, charged, and convicted of the crime, as well as a history of the Labor Party youth camp on Utøya and its significance in the country's political landscape. An epilogue covers the trial in 2012 and interviews with the survivors. Massacre in Norway delivers an insightful portrayal of the darkest day in modern Norwegian history.
