Leon Ngandu SVD, 2025-09-11 Rev Leon Ngandu has observed that many believers do not fully understand the Scriptures proclaimed at Mass and the homilies that explain them As a result they do not participate in Mass actively intentionally and prayerfully Therefore he recognized a critical need to evangelize God s people about the prayerful character of the first part of the Mass the liturgy of the Word of God He strongly emphasizes that both parts of the Mass the liturgy of the Word of God and the liturgy of the Eucharist are deeply connected We cannot fully

engage in one without the other This means we cannot truly participate with Jesus at the Eucharistic Table if we do not listen to and understand him at the table of the Word of God The liturgy of the Word is not just a part of the Mass it is a prayerful encounter with God Therefore a deep understanding of the liturgical Scriptures is essential for the faithful to participate reverently in the Mass This Liturgical Weekly Bible Study Workbook serves as a helpful tool aiming to assist the faithful in becoming familiar with the liturgical scripture readings before attending each Sunday Mass Everlasting Light Sandy Dixon, 2013-10-30 This collection of litanies candlelighting services a hanging of the greens service and more offers worship resources for the three years of lectionary reading for Advent including the Sunday after Christmas News of Great Joy Hugh Hillyard-Parker, 2021-09-30 Each year the Christmas double issue of the Church Times offers a feast of seasonal reading News of Great Joy draws together the best Christmas writing by outstanding authors and poets over twenty years to create an ideal Christmas gift and a wealth of material for all who preach or lead worship at Christmas Its many highlights include the eminent biblical scholar John Barton on how to understand the Old Testament prophecies of the nativity Barbara Brown Taylor on the prologue of John s Gospel which is always read on Christmas Day Margaret Barker on the legends that have become part of the Christmas story an unpublished short story by Evelyn Underhill a piece on the origins of the Nine Lessons and Carols poetry and reflections on the season s lectionary readings and more besides **Christmas of God** Ary S. Jr., 2023-10-11 Christmas of God transports us to Bethlehem the humble town where the most extraordinary event in human history unfolded the birth of Jesus Christ Through the author s eloquent prose we walk alongside this ordinary yet chosen couple feeling the weight of Mary s impending motherhood and witnessing Joseph s unwavering faith *Seasons of Worship* Steven D. contemporary trends in human experiences and major theological themes the author tries to connect the Sunday gospel readings to people's lives in light of the Scriptures. He regularly makes use of literary works as a springboard or potential approach to explore the dynamics of Jesus' messages especially on human relationship and how they make sense to specific situations where it might help illuminate the issue. On bits and pieces along with crooked lines is a compilation of homilies that attempts to share life experiences in relation to the Word of God. It is a form of sharing that provides a perspective of opening ourselves to others on the reality of God in our respective lives. It is looking at individual's significance vis-à-vis others where we find the wherewithal to carry on while we shape the dimension of humanity being addressed to our call of discipleship. If to be human is to live in community then to alienate ourselves from community in monologue is to cut ourselves from our own humanity. As Christians our interconnectedness aims to unite us in harmony and enables us to strive more deeply for the wholeness of the person. It is implicit in our calling that we are made for others, brothers and sisters. As Himes points out, Belonging, respect, friendship, forgiveness, love are essential to human well-being but they are not easily addressed by the language and concept of rights.
