Emmet Fox's Golden Keys To Successful Living And Reminiscences:

Emmet Fox's Golden Keys to Successful Living & Reminiscences Herman Wolhorn, 1977-01-01 **The Golden Key**
Emmet Fox, 1931-01-06 Scientific Prayer will enable you sooner or later to get yourself or anyone else out of any difficulty on the face of the earth It is the Golden Key to harmony and happiness To those who have no acquaintance with the mightiest power in existence this may appear to be a rash claim but it needs only a fair trial to prove that without a shadow of doubt it is a just one You need to take no one's word for it and you should not Simply try it for yourself and see **The Art of Compassionate Business** Bruno R. Cignacco, 2023-12-01 There are several well ingrained assumptions regarding the dynamics of work and business activities which can be refuted Some examples of these widespread assumptions in business and work environments are employees being viewed as commodities competitors perceived as threats companies resources seen as limited and customers perceived as scarce and difficult All this leads to the question Is there a way to perform business activities more humanely The second edition of this book challenges the reader to change the way they perform in business situations and become more focused on the human aspects of business activities The users of this knowledge and those affected by them will undergo a profound transformation in the way they perform business activities They will benefit from gradually testing and implementing the guidelines conveyed in this book both in the business environment and in the workplace When readers put these principles into practice positive ripple effects are bound to affect other stakeholders of the organisation they work for or own The author has refreshed all the concepts and examples introduced in the first edition which include aspects related to mission and vision passion business mindset organisational learning improvement of business conversations use of constructive criticism and betterment of relationships with the most relevant stakeholders customers suppliers intermediaries community employees etc The author also includes a discussion of creativity and the innovation process as well as other relevant aspects related to a healthy business environment and provides various real life examples of companies which have adopted a loving attitude towards their stakeholders which has become so important in the current business environment *How to Become a Miracle-Worker with Your Life* Dr. Bruno R. Cignacco, 2015-11-27
How to Become a Miracle Worker with Your Life is about a powerful ancient technique to solve any kind of problem in a permanent way This technique called Ho oponopono became well known worldwide when it was used by a doctor to cure a ward of deranged dangerous prisoners without him having any type of personal contact with them This tool is based on the principles of repentance forgiveness love and gratitude This almighty technique has a very wide application it can be used to resolve all types of difficulties in different areas such as relationships health conditions financial challenges and career problems The simplicity and effortlessness regarding the use of this problem solving tool makes it suitable to be used by anybody on any occasion The effects of the use of this technique are long lasting for this technique focuses on the causes of problems instead of their consequences This book provides the reader with a stepwise process to apply this powerful

technique with countless practical exercises With the frequent use of this technique the reader will gradually become healthier wealthier and more fulfilled regarding career business relationships and other relevant areas American Religious Leaders Timothy L. Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1978 **How to Manifest Money Effortlessly** Bruno R Cignacco, 2013-07-26 This book is primarily focused on the most relevant techniques to manifest money effortlessly The text pinpoints the main metaphysical principles related to the creation of wealth It also sets out wrong assumptions about money and replaces them with positive connotations about it The book goes on to highlight the main requirements to attract more abundance It describes an overarching series of strategies to attract more prosperity such as visualization meditation affirmations Feng Shui emotional release objective setting playfulness generosity perspective gratitude intuitive insights de cluttering positive thinking chakra cleansing and energy management among others All these techniques are explained in detail accompanied with easy practical exercises **Unity**, 1977 Cassette Books Library of Congress.
