Emotion And Spirit:

Emotion and Spirit Neville Symington, 1994-01-01 Psychoanalysis with Freud as its founder has vehemently denied the value of religious belief In this radical book Neville Symington makes the case that both traditional religion and psychoanalysis are failing because they exist apart and do not incorporate each other s value Religion needs psychoanalysis so that it can become relevant to people s emotional lives and their most intimate relationships Psychoanalysis needs religion so that it can contain those core spiritual values which give life meaning But for a fertile relationship both will need to relinquish excess baggage in the form of creeds dogma and rituals which only serve to obscure the deeper values which both are attempting to express The controversial conclusion of this fascinating study is that psychoanalysis is a spirituality in the world or a mature religion and inseparable from acts of virtue **Emotion and Spirit** Neville Symington, 2018
