increasing moments of a peaceful mind inner wisdom and guidance and freedom in coming to know the true self beneath it all The greatest gift was a heart opening more to love and compassion for self and others and also reveals writings of happier moments that began to emerge along the way **IMPORTANT NOTE** This book is not meant to be a template for someone experiencing deep inner hurt and pain and is strongly advised to first seek professional assistance and guidance It also is not a full on reading book What is shared may offer some potential deeper insights or broader perspectives to similar feelings perhaps assisting in releasing some of what is being carried **From Hurt To Healing** Sullivan Kieran Adam,2024-03-26
