Lensing examines Stevens gradual emergence and development as a poet tracing his life from his formative years in Pennsylvania to his careers as a lawyer for the Hartford Accident and Indemnity Company and as one of the major poets of the twentieth century Lensing draws extensively upon previously unpublished material from the Stevens archive at the Huntington Library which contains letters early drafts of poems and notebooks Two notebooks Schemata and From Pieces of Paper are here reproduced in full The study is divided into three sections In the first Lensing examines the years before the publication of Stevens first volume of poetry paying special attention to the forces that hindered and

enhanced his progress toward modernity In the second we see Stevens in the exercise of his craft Lensing discusses the influence of the Romantics on the verse Stevens wrote as an undergraduate at Harvard his interest in Oriental art Cubism and Fauvism his anticipation of Imagism and his imitation of certain French Symbolists Sources of the epigraphs to Stevens poems are identified fully for the first time suggesting the role of Stevens vast reading upon his poetry Also considered is Stevens voluminous correspondence with people from all over the world some of whom he never met personally These letters helped rescue Stevens from the insularity of his business life and aided in the making of his poems The final section treats the critical responses to Stevens poetry by such people as Harriet Monroe editor and founder of Poetry who was the first important reader and publisher of his work Attention is also given to Stevens explications of his poems Wallace Stevens A Poet s Growth is a comprehensive examination of Stevens live and work This study provides abundant new material which will be of value to scholars and to those readers who are drawn to Stevens poetry **CliffsTestPrep CSET: English** Emily M Hutchinson,2011-11-08 Your complete guide to a higher score on the CSET English Why CliffsTestPrep Guides Go with the name you know and trust Get the information you need fast Written by test prep specialists Contents include an overview of the test and how it is scored tips on how to get the most out of your study time an action plan for doing your best and answers to your questions about the test Preparing for the Format of the CSET English successful strategies for every test area sample questions answers and explanations analysis of every question type Preparing for the Content of the CSET English literature and textual analysis composition and rhetoric overview review of speech media and creative performance explanations of language linguistics and literacy 2 Full Length Practice Examinations Structured like the actual exam Complete with answers and explanations Test Prep Essentials from the Experts at CliffsNotes *Wallace Stevens-Aw* William York Tindall, Wallace Stevens American Writers 11 was first published in 1961 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions **Wallace Stevens** Wallace Stevens,2004 A collection of twenty five poems by Wallace Stevens with illustrations and brief introductory remarks The Emperor of Ice Cream Rose Vesel Mattus,Jeanette Friedman,2004-01-01 *A Reader's Guide to Wallace Stevens* Eleanor Cook,2009-03-09 Wallace Stevens is one of the major poets of the twentieth century and also among the most challenging His poems can be dazzling in their verbal brilliance They are often shot through with lavish imagery and wit informed by a lawyer s logic and disarmingly unexpected a singing jackrabbit the seductive Nanzia Nunzio They also spoke and still speak to contemporary concerns Though his work is popular and his readership continues to grow many readers encountering it are baffled by such rich and strange poetry Eleanor Cook a leading critic of poetry and expert on Stevens gives us here the essential reader s guide to this important American poet Cook goes through each of Stevens s poems in his six major collections as well as his later lyrics in chronological order For each poem she provides an introductory head note and a series of annotations on difficult phrases and references

Poetry and Poetics after Wallace Stevens Bart Eeckhout, Lisa Goldfarb, 2016-11-17 As the figure of Wallace Stevens 1879-1955 becomes so entrenched in the Modernist canon that he serves as a major reference point for poets and critics alike the time has come to investigate poetry and poetics after him The ambiguity of the preposition is intentional while after may refer neutrally to chronological sequence it also implies ways of aesthetically modeling poetry on a predecessor Likewise the general heading of poetry and poetics allows the sixteen contributors to this volume to range far and wide in terms of poetics from postwar formalists to poets associated with various strands of Postmodernism Language poetry even Confessional poetry ethnic identities with a diverse selection of poets of color nationalities including the Irish Nobel Laureate Seamus Heaney and several English poets or language sidestepping into French and Czech poetry Besides offering a rich harvest of concrete case studies *Poetry and Poetics after Wallace Stevens* also reconsiders possibilities for talking about poetic influence How can we define and refine the ways in which we establish links between earlier and later poems At what level of abstraction do such links exist What have we learned from debates about competing poetic eras and traditions How is our understanding of an older writer reshaped by engaging with later ones And what are we perhaps not paying attention to aesthetically but also politically historically thematically when we relate contemporary poetry to someone as idiosyncratic as Stevens
