Empire Lewis J Paper, 1987-08-01 Same Time, Same Station James L. Baughman, 2007-03-26 Outstanding Academic Title for 2007 Choice Magazine Ever wonder how American television came to be the much derided advertising heavy home to reality programming formulaic situation comedies hapless men and buxom scantily clad women Could it have been something different focusing instead on culture theater and performing arts In Same Time Same Station historian James L. Baughman takes readers behind the scenes of early broadcasting examining corporate machinations that determined the future of television Split into two camps those who thought TV could meet and possibly raise the expectations of wealthier better educated post war consumers and those who believed success meant mimicking the products of movie houses and radio decision makers fought a battle of ideas that peaked in the 1950s just as TV became a central facet of daily life for most Americans Baughman's engagingly written account of the brief but contentious debate shows how the inner workings and outward actions of the major networks advertisers producers writers and entertainers ultimately made TV the primary forum for entertainment and information The tale of television's founding years reveals a series of decisions that favored commercial success over cultural aspiration *Empire: William S. Paley and the Making of CBS* Lewis J. Paper, 2025-04-26 A detailed exploration of how Bill Paley 1901-1990 took a fledgling radio network in 1927 and built it into one of the major media empires of the 20th century Relying on primary source materials and interviews with past CBS employees including legendary CBS President Frank Stanton and ousted CEO Tom Wyman reporters and other observers like David Halberstam former CBS entertainers like Jackie Gleason and George Burns Paley's former wife and Paley himself the author explains how Paley used his considerable family wealth talent often developed on the rival NBC network and business ingenuity in a single minded effort to maneuver CBS into a powerhouse position often without regard to the consequences to his employees and his own family It is the story of a paradoxical man whose ultimate goal was to enjoy life to the fullest Born in 1901 in Chicago the son of Russian Jewish immigrants William Paley first encountered broadcasting in its infancy while placing radio advertising for his father's cigar company In 1928 at 26 he bought a controlling interest in what soon became the Columbia Broadcasting System Balanced well researched and highly readable the biography provides a portrait of an American businessman and his leadership of an enterprise that has transformed national life Never an innovator Paley built CBS out of shrewd bargaining heavy investment and good timing A charming driven man of exquisite personal taste he focused above all on programming where quality was important but high ratings essential This deserves a high place among the essential books on TV Publishers Weekly the most penetrating biographical look thus far at a complex man whose CBS boots are still firmly on Washington Post Paper's book is an anecdotal delight and a starter kit for understanding the American phenomenon that is television Chicago Tribune Paper's mix of broadcast history and anecdotal style serves to flesh out a story of power ambition and influence Duluth News Tribune Herald straightforward and compelling Los Angeles Times a
