## **Employment And Unemployment In Kerala Some Neglected Aspects:**

Employment and Unemployment in India E T Mathew, 2006-11-14 This book critically examines the emerging trends in employment and unemployment in the Indian Economy during the post reform era Using the latest round of NSS data the author studies the impact of these structural economic reforms on Employment generation with reference to different and competing sectors rural urban agricultural non agricultural organised unorganised Unemployment and underemployment in terms of the apprehension that economic reforms lead to loss of employment Casualisation of employment that is a belief that reforms lead to increase in the proportion of casual labour Information of employment Feminisation of employment Unique in the fact that there is no comparable work on the topic this book provides an excellent organisation of the material and a lucid presentation of the discussion and will be of enormous interest to economists social scientists policy makers scholars and students

Employment and Unemployment in Kerala E T Mathew, 1997 This pioneering book provides a comprehensive and in depth analysis of employment and unemployment trends for Kerala utilizing the most reliable statistics combined with the author's own sample survey The aim is to understand the causes for the very high rate of unemployment in Kerala despite the fact that it scores very high in social development indices

*Employment and Unemployment in Kerala* Elangikal Thomas Mathew, 1997

*Depression in Kerala* Claudia Lang, 2018-06-18 This book examines depression as a widely diagnosed and treated common mental disorder in India and offers a significant ethnographic study of the application of a traditional Indian medical system Ayurveda to the very modern problem of depression Based on over a year of fieldwork it investigates the Ayurvedic response to the burden of depression in the Indian state of Kerala as one of the key processes of the local appropriation or glocalization of depression More broadly Lang considers What happens with the category of depression when it leaves the West and travels to South Asia How is depression appropriated in a South Asian society characterized by medical pluralism She explores on the level of ideas institutions and materialities how depression interacts with and changes local worlds clinical practice and knowledge and subjectivities As depression travels from the West to South India its ontology Lang argues multiplies and thus leads to what she calls depression multiple

**Indian Migration to the Gulf** Anisur Rahman, Sameer Babu M, Ansari PA, 2023-03-31 This book explores issues of rights issues and challenges faced by Indian migrant workers in the GCC countries It focuses on the struggle of migrants in the state of origin and destination states and how the process of migration shapes the identity and existence of migrant workers The essays in the volume focus on policy rights issues and challenges faced by migrants as well as the long term challenges posed by the COVID 19 pandemic With contributions from academics and policymakers this book will be of interest to scholars and researchers of migration and diaspora studies public policy and South Asian Studies

*Dynamics of Migration in Kerala* Kunniparampil Curien Zachariah, Elangikal Thomas Mathew, Sebastian Irudaya Rajan, 2003 This book is a systematic study the first of its kind of the impact of migration on Kerala's community and society It looks at the number of emigrants and

return emigrants and their impact on unemployment and self employment impact of remittances on household income and poverty and the impact of migration on the elderly and women      *Urban Development - Challenges and Progress* Dr.Sukanta Sarkar,2014      **Immigrants and Their International Money Flows** Susan Pozo,2007 Presents a typology of migration remittance systems Discusses effects of remittances on economic development in migrant sending countries Points to the multidimensional ties that exist between migrants and the communities from which they originate      **Role of Panchayats in Welfare Administration** Dr. Abraham Mathew,2005 The book is a useful study which contains principles for the growing need of literature in development administration Various dimension of Panchayati Raj Implementation and evaluations of welfare and development programmes for weaker sections in rural areas have been analysed with the help of micro study It also exhaustively deals with centrally sponsored schemes and programmes for poverty alleviation      Struggle Against the State Ashok Swain,2016-04-01 Many developing countries pursue policies of rapid industrialization in order to achieve faster economic growth Some policies cause displacement forcing many individuals to take up a fight against the state Interestingly some of these dissenting individuals are more successful in organizing their protests than others In this book Ashok Swain demonstrates how displaced people mobilize to protest with the help of their social networks Studying protests against large industrial and development projects Swain compares the mobilization process between a traditionally protest rich and a protest poor region in India to explain how social network structures are a key component to understand this variation He reveals how improved mobilization capability coincides with their evolving social network structure thanks to recent exposure to external actors like religious missionaries and radical left activists The in depth examination of the existing literature on social mobilization and extensive fieldwork conducted in India make this book a well organized and useful resource to analyze protest mobilization in developing regions      In Pursuit of the Good Life Jocelyn Lim Chua,2014-03-08 Once celebrated as a model development for its progressive social indicators the southern Indian state of Kerala has earned the new distinction as the nation s suicide capital with suicide rates soaring to triple the national average since 1990 Rather than an aberration on the path to development and modernity Keralites understand this crisis to be the bitter fruit borne of these historical struggles and the aspirational dilemmas they have produced in everyday life Suicide therefore offers a powerful lens onto the experiential and affective dimensions of development and global change in the postcolonial world In the long shadow of fear and uncertainty that suicide casts in Kerala living acquires new meaning and contours In this powerful ethnography Jocelyn Chua draws on years of fieldwork to broaden the field of vision beyond suicide as the termination of life considering how suicide generates new ways of living in these anxious times      **Naturopathy in South India** Eva Jansen,2016-08-15 In Naturopathy in South India Clinics between Professionalization and Empowerment Eva Jansen offers a rich ethnographic account of current naturopathic thinking and practices and examines its complex history multiple interpretations and antagonisms This book presents two major forms of Naturopathy in contemporary South India

On one side a scientific professional branch models themselves after allopathic practitioners On the other side a group of ideologists uses an approach to patient treatment that is grounded in the principles of simplicity transparency a critique of globalization and a focus on patient empowerment Jansen discusses the current political and medical clash between Naturopaths in South India from the perspectives of practitioners employees the media and patients The Indian Journal of Public Administration ,1997 **Mudpacks and Prozac** Murphy Halliburton,2016-09-17 People seeking psychiatric healing choose from an almost dizzying array of therapies from the medicated mud packs of Ayurveda to the pharmacopeia of Western biomedicine to the spiritual pathways of the world s religions How do we choose what do the treatments offer and how do they cure In Mudpacks and Prozac Murphy Halliburton investigates the very different ways in which Ayurvedic Western and religious Christian Muslim and Hindu healing systems define psychiatric problems and cures He describes people s embodied experiences of therapies that range from soothing to frightening and explores how enduring pleasure or pain affects healing And through evocative portraits of patients in Kerala India a place of incredible cultural diversity that has become a Mecca for alternative medicine Halliburton shows how sociopolitical changes around the globe may be limiting the ways in which people seek and experience health care with negative effects on our quality of health and quality of life
