Nielsen,2016-06-17 A Roadmap for Couple Therapy offers a comprehensive flexible and user friendly template for conducting couple therapy Grounded in an in depth review of the clinical and research literature and drawing on the author s 40 plus years of experience it describes the three main approaches to conceptualizing couple distress and treatment systemic psychodynamic and behavioral and shows how they can be integrated into a model that draws on the best of each Unlike multi authored texts in which each chapter presents a distinct brand of couple therapy this book simultaneously engages multiple viewpoints and synthesizes them into a coherent model Covering fundamentals and advanced techniques it speaks to both beginning therapists and experienced clinicians Therapists will find A Roadmap for Couple Therapy an invaluable resource as they help distressed couples repair and revitalize their relationships      *Equal Partners - Good Friends* Claire Rabin,2002-09-11 Marriage as an equal partnership is the goal of amny couples in the western world today and yet equality is often limited by the ways that power and gender interact in the relationship leading to dissatisfaction and ultimately the break up of the marriage In Equal PARTners Good Friends Claire Rabin examines the connection between inequality in marriage and marital distress Drawing on extensive research and personal interviews in the UK USA and Israel she stresses the role of friendship in establishing a truly equal relationship Focusing on issues of gender sex roles and power she provides a new clinical treatment model for therapists working with couples which is much needed in today s climate of change      **10 Great Dates Before You Say 'I Do'** David and Claudia Arp,Curt Brown,Natelle Brown,2009-08-19 10 Fun Innovative Relationship Building Dates for Seriously Dating and Engaged Couples 10 Great Dates Before You Say I Do combines the best of marriage preparation research with a fun easy to follow format Couples will love growing together while going out together Share your hopes and dreams Appreciate your differences Communicate and connect Develop spiritual intimacy Evaluate your relationship Celebrate romance And more      More Than a Great Wedding Daryl Smith,2009-09-16 No one leaves the wedding chapel anticipating the divorce court Somehow it just happens This book is about creating faith communities as hot houses where healthy marriages naturally grow in the rich soil of thriving relationships Editable resources available via email

**Winnicott and 'Good Enough' Couple Therapy** Claire Rabin,2014-04-03 Claire Rabin innovatively applies the Winnicottian theory of the good enough mother to couple therapy redirecting attention to the therapeutic relationship and the therapist s self awareness regardless of the methods used Using this lens even the therapist s mistakes become an opportunity for repairing both the therapeutic relationship and the partners own personal maturity The intensity and pressure of couple therapy can make each case a test of the therapist s competence The need for neutrality constitutes on going pressure on the therapist and the proliferation of therapeutic methods can cause confusion about which might be most useful in each situation Applying theory effectively is easier said than done within the context of the powerful emotions

unleashed in sessions which can result in a catastrophic atmosphere These factors can make it hard for therapists to utilise their own skills and knowledge within sessions of couple therapy The book explores how therapists and couples can unintentionally further false selves without realising how the very tools of change may counter authenticity Featuring interviews with an international range of couple therapists and case studies from the author's own experiences the key aspects of the good enough concept are elaborated Rabin shows how these ideas can strengthen therapists sense of security and safety in using their lived experience and intuition Winnicott and Good Enough Couple Therapy is the ideal book for clinicians seeking an overarching framework for working with couples or families as well as those concerned with the importance of the client helper relationship
