MacDonald, 2013-01-08 From a beloved master of crime fiction *The Empty Copper Sea* is one of many classic novels featuring Travis McGee the hard boiled detective who lives on a houseboat Asking for help is something a proud man like Van Harder would never do So when he shows up at the Busted Flush Travis McGee knows that he must be the man's last resort What Harder wants salvaged is his reputation After a long career as a seaman he was piloting a boat the night his employer fell overboard Harder is certain he's been set up but to help him McGee must prove that a dead man is actually alive John D MacDonald is a shining example for all us in the field Talk about the best Mary Higgins Clark The fateful ride started with Harder at the helm of Hubbard Lawless's luxury cruiser It ends with him coming to fuzzy and disoriented and Hub lost to the water Now everyone is saying that Harder got drunk passed out and is negligent in his boss's death The thing is Van's not a drinker at least not anymore Who would want to frame the good captain and to what end Dead or alive Lawless is worth a lot of money People are always eager to get a piece of that action including some as McGee soon finds who are willing to take a piece out of anyone who gets in their way Features a new Introduction by Lee Child

and a succession of drab nine to five occupations MacDonald settled down to writing for a living a lifestyle that would have horrified his father He worked very hard and was rewarded with a more than decent livelihood But unlike Alger s heroes MacDonald had a lot of fun doing it **All This Thinking** Stephanie Anderson,Kristen Tapson,2024-05-15 All This Thinking explores the deep friendship and the critical and creative thinking between Bernadette Mayer and Clark Coolidge focusing on an intense three year period in their three decades of correspondence These fiercely independent American avant garde poets have influenced and shaped poets and poetic movements by looking for radical poetics in the everyday This collection of letters provides insight into the poetic scenes that followed World War II while showcasing the artistic practices of Mayer and Coolidge themselves A fascinating look at both the poets and the world surrounding them All This Thinking will appeal to all readers interested in post World War II poetry **The Starless Sea** Erin Morgenstern,2019-11-05 NATIONAL BESTSELLER From the bestselling author of The Night Circus a timeless love story set in a secret underground world a place of pirates painters lovers liars and ships that sail upon a starless sea Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks As he turns the pages entranced by tales of lovelorn prisoners key collectors and nameless acolytes he reads something strange a story from his own childhood Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded Zachary uncovers a series of clues a bee a key and a sword that lead him to a masquerade party in New York to a secret club and through a doorway to an ancient library hidden far below the surface of the earth What Zachary finds in this curious place is more than just a buried home for books and their guardians it is a place of lost cities and seas lovers who pass notes under doors and across time and of stories whispered by the dead Zachary learns of those who have sacrificed much to protect this realm relinquishing their sight and their tongues to preserve this archive and also of those who are intent on its destruction Together with Mirabel a fierce pink haired protector of the place and Dorian a handsome barefoot man with shifting alliances Zachary travels the twisting tunnels darkened stairwells crowded ballrooms and sweetly soaked shores of this magical world discovering his purpose in both the mysterious book and in his own life *Andrew V.
