Exell Joseph Samuel Exell, 1886 The Biblical Illustrator - Vol. 62 - Pastoral Commentary on 2 Peter Charles Spurgeon, Alexander Maclaren, Thomas Manton, This edition contains original Greek notes and is properly formatted for all ereading devices apps What if Charles Spurgeon helped you prepare next Sunday s sermon Or what if you could talk over your preaching with Joseph Parker Richard Baxter Henry Ward Beecher and H P Liddon Do you think it would

make a difference to get the input of some of the greatest preachers who ever lived That s precisely what Joseph Exell had in mind when he put together the massive series of volumes called The Biblical Illustrator In what can only be called a Herculean feat he spent years gathering preaching notes and sermon outlines from the very best preachers of his day in the late 1800s and early 1900s and he did it covering every book of the Bible And it is amazingly comprehensive Exell approached his task by taking every verse in the Bible and seeking to discover how it has been preached in the past Though there is plenty of exegetical material here this is not primarily a commentary This series is for preachers teachers Bible students and anyone else looking for penetrating pastoral insights some of the all time greats of the faith **The Kahlil**

Seymour and the Origins of Global Pentecostalism** Gastón Espinosa,2014-08-11 In 1906 William J Seymour 1870 1922 preached Pentecostal revival at the Azusa Street mission in Los Angeles From these and other humble origins the movement has blossomed to 631 million people

around the world Gast n Espinosa provides new insight into the life and ministry of Seymour the Azusa Street revival and Seymour s influence on global Pentecostal origins After defining key terms and concepts he surveys the changing interpretations of Seymour over the past 100 years critically engages them in a biography and then provides an unparalleled collection of primary sources all in a single volume He pays particular attention to race relations Seymour s paradigmatic global influence from 1906 to 1912 and the break between Seymour and Charles Parham another founder of Pentecostalism Espinosa s fragmentation thesis argues that the Pentecostal propensity to invoke direct unmediated experiences with the Holy Spirit empowers ordinary people to break the bottle of denominationalism and to rapidly indigenize and spread their message The 104 primary sources include all of Seymour s extant writings in full and without alteration and some of Parham s theological social and racial writings which help explain why the two parted company To capture the revival s diversity and global influence this book includes Black Latino Swedish and Irish testimonies along with those of missionaries and leaders who spread Seymour s vision of Pentecostalism globally
