

En Clave Gay Todo Lo Que Deberiamos Saber

Kerman Calvo Borobia

En Clave Gay Todo Lo Que Deberíamos Saber:

En clave gay Pablo Fuentes, 2001 **Queer in Europe** Robert Gillett, 2016-04-15 Queer in Europe takes stock of the intellectual and social status and treatment of queer in the New Europe of the twenty first century addressing the ways in which the Anglo American term and concept queer is adapted in different national contexts where it takes on subtly different overtones determined by local political specificities and intellectual traditions Bringing together contributions by carefully chosen experts this book explores key aspects of queer in a range of European national contexts namely Belgium Cyprus England France Germany Hungary Ireland Italy The Nordic Region The Netherlands Poland Russia and Spain Rather than prescribing a universalizing definition the book engages with a wide spectrum of what is meant by queer as each chapter negotiates the contested border between direct queer activist action based on identity categories and more plural queer strategies that call these categories into question The first volume in English devoted to the exploration of queer in Europe this book makes an important intervention in contemporary queer studies **Homosexualidad y trabajo social** Ángel Luis Maroto Sáez, 2006 Homosexualidad y Trabajo Social Herramientas para la reflexión e intervención profesional está dirigido especialmente a mis compañeros y compañeras de profesión es decir a los/as Trabajadores/as Sociales Pero desde una perspectiva más amplia puede ser de utilidad a todos aquellos profesionales de la intervención psico social y educativa psicólogos educadores sociales pedagogos mediadores etc que mediante procesos de acompañamiento social y educativo pueden verse en algún momento de su intervención en la necesidad de contar con conocimientos y herramientas que les permitan un adecuado asesoramiento en relación a la orientación homosexual así como para los alumnos de dichas disciplinas De igual forma dicha obra supone un instrumento logrado de cara a revisar nuestros propios estereotipos y prejuicios pudiéndose convertir para algunos/as de nosotros/as en un verdadero manual de autoayuda y trabajo personal **Pursuing Membership in the Polity** Kerman Calvo Borobia, 2005 El título de la tesis de Kerman Calvo Borobia es Pursuing membership in the polity the Spanish gay and lesbian movement in comparative perspective 1970 1997 Lo que el estudio aborda es por qué determinados movimientos sociales varían sus estrategias ante la participación institucional Es decir por qué pasan de rechazar la actuación dentro del sistema político a aceptarlo Depende ello del contexto político y de cambios sociales Depende de razones debidas al propio movimiento La explicación principal radica en las percepciones políticas y los mapas intelectuales de los activistas en las variaciones de estas percepciones a lo largo del tiempo según distintas experiencias de socialización Atribuye por el contrario menor importancia a las oportunidades políticas a factores exógenos al propio movimiento al explicar los cambios en las estrategias de este La tesis analiza la evolución en el movimiento de gays y de lesbianas en España desde una perspectiva comparada a partir de su nacimiento en los años 70 hasta final del siglo con un importante cambio hacia una estrategia de incorporación institucional a finales de los años 80 What the study addresses is why certain social movements vary their strategies in the face of institutional participation That is why they move from

rejecting action within the political system to accepting it Does it depend on the political context and social changes Does it depend on reasons due to the movement itself The main explanation lies in the political perceptions and intellectual maps of activists in the variations of these perceptions over time according to different experiences of socialisation On the other hand it attributes less importance to political opportunities to factors exogenous to the movement itself in explaining changes in the movement s strategies The thesis analyses the evolution of the gay and lesbian movement in Spain from a comparative perspective from its birth in the 1970s until the end of the century with an important change towards a strategy of institutional incorporation at the end of the 1980s **School Library Journal** ,2003 **Cultura, homosexualidad y**

homofobia: Perspectivas gays Félix Rodríguez González, Angie Simonis, 2007 En una poca de mayores libertades como la actual en la que se va aceptando cada vez m s la orientaci n sexual de la persona frente al esquema heteronormativo predominante en la sociedad resulta de inter s profundizar en el conocimiento de los aspectos sociales y culturales que rodean al amor y la amistad entre personas del mismo sexo La amplitud del concepto cultura y las dificultades a que se han enfrentado los homosexuales a trav s de los tiempos explican el enfoque interdisciplinar de este volumen en el que se han dado cita especialistas en campos tan variados como la sociolog a y la historia Fernando Olmeda la antropolog a scar Guasch los medios de comunicaci n Jes s Generelo la literatura Eduardo Mendicutti el cine Santiago Fouz Hern ndez y Chris Perriam el arte Xos M Bux n la religi n Juan Antonio F rriz y el lenguaje F lix Rodr guez Por cuesti n de metodolog a y por haber sido mayor su protagonismo dentro del movimiento homosexual en este libro se han agrupado estudios que hacen referencia principalmente a los gays En todos ellos aparece un leitmotiv la resistencia de la sociedad a reconocer su identidad y cultura y como contrapunto el deseo de los homosexuales de contrarrestar los efectos de la homofobia mediante una mayor visibilidad Lecciones de disidencia Xosé M. Buxán Bran, 2006 **Críticas** ,2003 Zero ,2002 **La transformación de la identidad gay en España** Fernando Villaamil, 2004 Se analiza el profundo cambio que se ha producido en Espa a desde mediados de la d cada de los 90 en lo que respecta a la actitud de la sociedad hacia los homosexuales El reconocimiento legal del matrimonio para gays y lesbianas supone un hito en el retroceso de la homofobia y en la consecuci n de la equiparaci n de derechos Sin embargo se advierte que no hay que descuidar la posible rearticulaci n de la intolerancia bajo la apariencia de neutralidad t cnica y correcci n pol tica Hasta en las mejores familias Jesús Generelo, 2004 La sociedad comienza a aceptar la homosexualidad con una cierta naturalidad Empieza a resultar un fen meno com n presente en los medios de comunicaci n en las conversaciones en el arte y en las leyes Poco a poco hasta en la calle Pero y en las familias Sin duda todos los gays y lesbianas proceden de una familia y es en el seno de la misma donde se producen los roces m s sutiles y m s dolorosos Este libro surge de la necesidad de tender puentes de facilitar la comunicaci n y la comprensi n entre gays y lesbianas y sus padres hermanos familiares y amigos Es necesario despejar t picos y malos entendidos sobre temas tan fundamentales como la familia homosexual la adolescencia la salida del armario la homofobia el sida etc Cubierta

¿Revolución o reforma? Kerman Calvo, Kerman Calvo Borobia, 2017 Esta obra estudia el activismo en defensa de los derechos de las personas lesbianas, gays, transexuales y bisexuales LGTB en España en un largo periodo comprendido entre la década de 1970 cuando aún de manera clandestina se puso en marcha este tipo de activismo y 2005 fecha marcada por la legalización del matrimonio entre personas del mismo sexo. A partir de la curiosidad de la sociología por las nuevas formas de protesta y acción colectiva, el trabajo presta particular atención a los objetivos y las aspiraciones de un movimiento social que ha sido decisivo en la defensa de los intereses del colectivo LGTB español. Mediante una investigación detallada de los orígenes, evolución, repertorios de protesta y marcos de movilización impulsados por estos activistas, no solo se recorre una historia aún poco conocida sino que principalmente se aspira a explicar la transformación del movimiento LGTB español en un miembro del sistema político, es decir, en un actor comprometido con el tipo de juego institucional definido por la subsistencia de objetivos políticos vistos como legítimos. La renuncia a formas de protesta disruptivas y, en general, la aceptación de los protocolos diseñados por las instituciones para la normal defensa de intereses en la esfera pública. En la apuesta por el reformismo y el pragmatismo, el activismo LGTB ha ido abandonando paulatinamente su alma más revolucionaria en un proceso que ha sido complejo a menudo traumático pero al mismo tiempo decisivo para entender muchos de los cambios recientes indisolublemente ligados a las decisiones estratégicas y organizativas del activismo LGTB español. REFORMA Newsletter, 2002 *Revista internacional de sociología*, 2005 *Sociologia de la sexualitat* Antoni Adam Donat, 2002. A partir de una concepción cultural del sexo se aborda afrontando el estudio más desde el sustrato de producto social que no desde el puramente natural o biológico. *Sociologia de la sexualitat* analitza el fet de la diversitat Omosapiens Domenico Rizzo, 2006 Bibliografía española, 2001-10 **Historia antropología y fuentes orales**, 1997 *De la acera de enfrente* Leopoldo Alas, 1994 LO QUE TODO GAY DEBE SABER PACO. TORRES, 2024
