Love wanna tell you something

I actually want to tell something to you to...

You go first

Well it's been a year since we've been together and we made so much memories that are unforgettable, but as the day passes, some things are not really to itself especially in our relationship. and I just realized that you were to good and especially that I would also think that I don't deserve you as my girlfriend so I think it's for the better that we should break up

So what do you want to tell me?

Love.... I'm pregnant....
