

Fall Of The Gdr

Michael Brown

Fall Of The Gdr:

The Rise and Fall of the German Democratic Republic Feiwei Kupferberg, Most public debate on reunited Germany has emphasized economic issues such as the collapse of East German industry mass unemployment career difficulties and differences in wages and living standards The overwhelming difficulty resulting from reunification however is not persisting economic differences but the internal cultural divide between East and West Germans one based upon different moral values in the two Germanies The invisible wall that has replaced the previous highly visible territorial division of the German nation is rooted in issues of the past the Nazi past as well as the German Democratic Republic past In emphasizing economic differences the media and academics have avoided dealing with typically German cultural traits These include the psychological posture of West Germany which emphasized not differences between East and West but the break with Germany's Nazi past The adversarial posture of certain professional groups in East Germany towards the liberal and democratic values of West Germany have also been an obstacle Reviewing the problems accompanying reunification chapter 1 explores German culture and history and the moral lessons evolved from the Nazi past Chapter 2 focuses on the East West mindset and how differences in attitude affect efforts to adapt to reunification Chapter 3 discusses the simulated break with Nazi Germany in the German Democratic Republic Chapters 4 5 and 6 analyze the roots of the adversary posture of the professional groups in East Germany towards the values of the Berlin Republic Chapter 7 demonstrates the strong presence of inherited typically German cultural traits among East Germans such as a lack of individualism suspicion of strangers and obedience to authority Chapter 8 documents the extent to which a right wing extremist culture has remained latent in Eastern Germany Chapter 9 documents the extent to which moral reasoning in the GDR relieves the individual of any kind of responsibility for the actions of the state reproducing the way ordinary Germans rationalized their participation in the Nazi regime immediately after World War II Chapter 10 concludes with an overview of the historical and sociological factors revolving around the discussion of Nazi Germany the GDR and inner unification This volume will be important for historians political scientists anthropologists sociologists and a general public interested in Germany's reunification *The Fall of the GDR* David Childs, 2014-07-30 The book charts the dramatic months leading to one of the most profound changes of the 20th century the opening of the Berlin Wall in 1989 and the restoration of German unity in 1990 The author analyses the nature of Communist rule in the GDR over 40 years its few strengths and its many weaknesses and the myths which grew up around it This book places the GDR in its international setting as the proud ally of the Soviet Union in the Warsaw Pact It examines the reactions abroad to the unfolding revolution The text is based on a wide variety of written sources and many interviews with leading Communist figures such as Krenz and Modrow and with their opponents and successors and former Stasi officers and the dissidents they tried to crush It greatly benefits from the author's decades of involvement with East Germany including personal friendships there before 1989 and his eye witness accounts of many of the events during Die Wende It should be of

interest not only to students of German politics contemporary history and the Cold War but to all who are curious about the momentous times through which we have lived **The Rise and Fall of the German Democratic Republic, 1945-1990**

Mike Dennis,2000 This new book investigates communist rule in East Germany from the end of World War II to its rapid collapse after the fall of the Berlin Wall Using newly available archival material the early chapters trace the emergence of the GDR in 1949 from out of chrysalis of the Soviet zone of occupation Later chapters cover the dramatic episodes of the 1953 uprising against Soviet dominance and the building of the Berlin Wall in 1961 The subsequent stabilization of the GDR and the establishment of an uneasy compromise between the ruling elites and the population in the later 1960s and 1970s are explained with reference to a range of internal social economic and political factors The disintegration of the regime in 1989 despite the comprehensive system of surveillance operated by the infamous Stasi is explained in the light of the chronic weakness of Gorbachev s Soviet Union the bravery of the protestors the enduring appeal of West Germany s social market economy and political pluralism This clear and comprehensive survey marshals secondary and original primary sources in order to give a unique insight into the GDR s struggles and achievements Mike Dennis is Professor of Modern History University of Wolverhampton His many publications include The German Democratic Republic 1988 [Exit-Voice Dynamics and the Collapse of East Germany](#) Steven Pfaff,2006-07-10

DIVA critical and comparative reexamination of the East German revolution of 1989 and its aftermath suggesting which causal mechanisms account for the collapse of the East German state and German reunification div **Socialist Reformers and the Collapse of the German Democratic Republic** Dietrich Orlow,2015-10-29 Socialist Reformers and the Collapse of the German Democratic Republic explores a neglected aspect of the collapse of Communism in the former East Germany It focuses on the East Germans enthusiastic support for reunification and the transfer of West Germany s political and economic institutions to the East ignoring those in the German Democratic Republic who wanted to reform socialism within not destroy it Their aim was to preserve an independent German Democratic Republic that would pursue an alternative third way between Western capitalism and Stalinist repression Their vision was a better more beautiful socialism instead of the push and shove society that they associated with Western capitalism In their view the better more beautiful socialism would combine the Western ideals of individual freedom with Marxist concept of collective decision making and shared wealth The reformers failed of course but their ideas and activities in the fall of 1989 are an essential part of the story that led to present day Germany **The East German Economy, 1945-2010** Hartmut Berghoff,Uta Andrea Balbier,2013-10-07 The contributors to this volume consider the economic history of East Germany within its broader political cultural and social contexts **The Rise and Fall of a Socialist Welfare State** Manfred G. Schmidt,Gerhard A. Ritter,2012-11-15 This book provides a comprehensive analysis of social policy in the German Democratic Republic GDR 1949 1990 followed by an analysis of the Social Union the transformation of social policy in the process of German unification in 1990 Schmidt s analysis of the GDR also depicts commonalities and differences

between the welfare state in East and West Germany as well as in other East European and Western countries He concludes that the GDR was unable to cope with the trade off between ambitious social policy goals and a deteriorating economic performance Ritter embeds his analysis of the Social Union in a general study of German unification its international circumstances and its domestic repercussions 1989 1994 He argues that social policy played a pivotal role in German unification and that there was no alternative to extending the West German welfare state to the East Ritter a distinguished historian bases his contribution on an award winning study for which he drew on archival sources and interviews with key actors Schmidt is a distinguished political scientist **Protestants in Communist East Germany** Wendy R.

Tyndale, 2016-04-15 This is the story of how the Protestants in the GDR struggled to survive while striving to put their theology into practice and remaining true to their vision of what the role of the church should be a church for others as Dietrich Bonhoeffer put it Having taken the reader from the foundation of the GDR through the peaceful revolution to the unification of Germany the story ends with some reflections on the church's past as well as on the challenges it faces in present day Europe Protestants in Communist East Germany makes a unique contribution to existing literature by drawing not only on written sources but on a series of first hand interviews with theologians pastors and lay people of different ages whose experiences views and analyses bring the story to life The East German church's relationship to the state will probably always remain controversial and the vision for a different socialism in the GDR espoused by those involved in the peaceful revolution may now be considered illusory Nevertheless many of the issues raised by the Protestants in the GDR remain as vital challenges to the churches in Europe today Foreword by Paul Oestreicher [The Politics of Economic Decline in East Germany, 1945-1989](#) Jeffrey Kopstein, 2000-11-09 Jeffrey Kopstein offers the first comprehensive study of East German economic policy over the course of the state's forty year history Analyzing both the making of economic policy at the national level and the implementation of specific policies on the shop floor he provides new and essential background to the revolution of 1989 In particular he shows how decisions made at critical junctures in East Germany's history led to a pattern of economic decline and worker dissatisfaction that contributed to eventual political collapse East Germany was generally considered to have the most successful economy in the Eastern Bloc but Kopstein explores what prevented the country's leaders from responding effectively to pressing economic problems He depicts a regime caught between the demands of a disaffected working class whose support was crucial to continued political stability an intractable bureaucracy an intolerant but surprisingly weak Soviet patron state and a harsh international economic climate Rather than pushing for genuine economic change the East German Communist Party retreated into what Kopstein calls a campaign economy in which an endless series of production campaigns was used to squeeze greater output from an inherently inefficient economic system Originally published in 1996 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published

unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

The Collapse of Communism in Eastern Europe in 1989-90 Anthony Weaver, 2024-09-03 Research Paper undergraduate from the year 1997 in the subject Politics History of Political Systems grade MSc Birkbeck University of London University of London course MSc language English abstract This paper outlines the historical collapse of Communism in Eastern Europe and gives the main factors behind the rapid collapse of the communist regimes in the years 1989 and 1990 1989 saw the Communist Satellite States of Eastern Europe swept away by a dramatic rapid series of popular revolutions in what was dubbed an annus mirabilis or year of miracles The Revolutions of 1989 90 took the whole world by surprise as the Soviet style systems which had seemed so deeply entrenched were suddenly swept away even if signs of systemic decay had been apparent for many years The revolutions took place first in Hungary and Poland and then rapidly in East Germany Czechoslovakia Bulgaria and Romania Schopflin 1993 P224

The Routledge History of Human Rights Jean Quataert, Lora Wildenthal, 2019-09-05 The Routledge History of Human Rights is an interdisciplinary collection that provides historical and global perspectives on a range of human rights themes of the past 150 years The volume is made up of 34 original contributions It opens with the emergence of a new internationalism in the mid nineteenth century examines the interwar League of Nations and the United Nations eras of human rights and decolonization and ends with the serious challenges for rights norms laws institutions and multilateral cooperation in the national security world after 9 11 These essays provide a big picture of the strategic political and changing nature of human rights work in the past and into the present day and reveal the contingent nature of historical developments Highlighting local national and non Western voices and struggles the volume contributes to overcoming Eurocentric biases that burden human rights histories and studies of international law It analyzes regions and organizations that are often overlooked The volume thus offers readers a new and broader perspective on the subject International in coverage and containing cutting edge interpretations the volume provides an overview of major themes and suggestions for future research This is the perfect book for those interested in social justice grass roots activism and international politics and society

East German-west German Relations And The Fall Of The Gdr Ernest D. Plock, 2019-03-07 This book investigates inner German economic ties travel contacts and national consciousness that proved to be of greater consequence after Gorbachev's accession to power It addresses the inevitability of the German Democratic Republic revolution and unification with the Federal Republic

Collapse of a Closed Society: The End of East Germany Hans-Werner Hess, 2010-06-24 Scientific Essay from the year 2010 in the subject Politics History of Political Systems Hong Kong Baptist University language English abstract The paper was addressed to an East Asian audience conscious of national unification demands in their own region familiar with life in an authoritarian system and aware of criticism of Western political freedoms Against this backdrop it interprets the collapse of the German Democratic Republic in summer fall 1989 within the framework of Karl Popper's and Ralf Dahrendorf's closed society paradigm It

concludes that the East German system imploded because of pervasive popular disillusion in light of growing contradictions between official rhetoric and actual economic failure. It was not in the interest of the East German population to reform the existing structures but to pursue a quick path towards reunification with the West. Reunification demands were thus not primarily based on patriotic or nationalist discourse but on rational political choice. Soviet Foreign Policy Towards East Germany Achilleas Megas, 2015-07-01. This book examines Soviet Foreign Policy towards East Germany in the late 1980s. By focusing on the complex interaction between domestic political thought and developments in the international system, the author illustrates the hierarchical relationship between the GDR and the USSR and offers different perspectives for understanding Soviet foreign policy. The book demonstrates that shifts in Soviet policy towards the GDR stemmed on the one hand from the international level in that Soviet security was legitimated by the existence of two full fledged German states and on the other may be best explained in terms of ideas and Gorbachev's new political philosophy. *Bulletin*, 1992.

Exiled in East Germany Sebastian Pampuch, 2024-04-22. The presence of Africans in the German Democratic Republic is very rarely thought of in connection with the experience of exile. Instead, Africans in the GDR are predominantly viewed through the prism of educational and labor migration. While such research has undoubtedly produced valuable insights, it often fails to adequately account for the implicit Eurocentrism, methodological nationalism, and anti-communist bias inherent in Western knowledge production. This study offers a different approach. Through biographical portrayal, it unfolds the life stories of African freedom fighters who lived in exile in the GDR and ultimately remained in reunified Germany, with the main case study being a Malawian activist who was expelled from East to West Berlin. Recounting his experiences along with those of some South African exiles, chief among them a former medical worker for the ANC's armed wing, the study ethnographically reconstructs the multiple entanglements between the Second and Third Worlds from the vantage point of the politically displaced within the concrete historical contexts of African decolonization, the struggle against the Malawian Banda dictatorship, and the struggle against South African apartheid. Communism's Collapse, Democracy's Demise? L. McFalls, 1994-11-21. Based on original research, this book explores East German political culture and its role in the revolution of 1989 and in reunification. Specifically, the book shows how a set of common values stabilised the communist regime until the 1980s, how the undermining of these values motivated revolutionary mobilization, and how the partial survival of this specific culture and its conflict with West German culture have contributed to the post-unification political crisis. **The Collapse of the Conventional** Jaimey Fisher, Brad Prager, 2010. Bringing together many of the most important scholars of German film, this hugely significant collection offers a fascinating and subtle account of the contours of the political in the post-Wall cinematic landscape. Paul Cooke, professor of German cultural studies in the School of Modern Languages and Cultures, University of Leeds. Book Jacket. *Origins of a Spontaneous Revolution* Karl-Dieter Opp, Peter Voss, Christiane Gern, 1995. Explains the extraordinary collapse of Communist East Germany. Nonviolent Revolutions Sharon Erickson

Nepstad,2011-06-01 In the spring of 1989 Chinese workers and students captured global attention as they occupied Tiananmen Square demanded political change and were tragically suppressed by the Chinese army Months later East German civilians rose up nonviolently brought down the Berlin Wall and dismantled their regime Although both movements used tactics of civil resistance their outcomes were different Why In Nonviolent Revolutions Sharon Erickson Nepstad examines these and other uprisings in Panama Chile Kenya and the Philippines Taking a comparative approach that includes both successful and failed cases of nonviolent resistance Nepstad analyzes the effects of movements strategies along with the counter strategies regimes developed to retain power She shows that a significant influence on revolutionary outcomes is security force defections and explores the reasons why soldiers defect or remain loyal and the conditions that increase the likelihood of mutiny She then examines the impact of international sanctions finding that they can at times harm movements by generating new allies for authoritarian leaders or by shifting the locus of power from local civil resisters to international actors Nonviolent Revolutions offers essential insights into the challenges that civil resisters face and elucidates why some of these movements failed With a recent surge of popular uprisings across the Middle East this book provides a valuable new understanding of the dynamics and potency of civil resistance and nonviolent revolt

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Fall Of The Gdr**

In some sort of inundated with screens and the cacophony of immediate communication, the profound power and mental resonance of verbal art usually fade into obscurity, eclipsed by the constant barrage of noise and distractions. However, nestled within the lyrical pages of **Fall Of The Gdr**, a charming work of literary brilliance that impulses with natural thoughts, lies an unique trip waiting to be embarked upon. Penned with a virtuoso wordsmith, this exciting opus courses visitors on a psychological odyssey, lightly revealing the latent possible and profound impact embedded within the elaborate web of language. Within the heart-wrenching expanse of this evocative analysis, we will embark upon an introspective exploration of the book is key styles, dissect their interesting writing design, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.

Fall Of The Gdr Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Fall Of The Gdr PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and

effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Fall Of The Gdr PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Fall Of The Gdr free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Fall Of The Gdr Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Fall Of The Gdr is one of the best book in our library for free trial. We provide copy of Fall Of The Gdr in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Fall Of The Gdr. Where to download Fall Of The Gdr online for free? Are you looking for Fall Of The Gdr PDF? This is definitely going to save you time and cash in something you should think about.
