IMF Publications Catalog, Fall/Winter 2018 International Monetary Fund. External Relations

Dept., 2018-09-06 This paper focuses on several IMF publications published in the winter of year 2018. *Realizing Indonesia's Economic Potential* book uncovers some of the forces that are likely to shape Indonesia's economy. It analyses the constraints to growth, propose options to boost economic growth and explore key issues policymakers will need to handle in the future. *The ASEAN Way: Sustaining Growth and Stability* book provides a comprehensive account of how Association of Southeast Asian Nations, its individual members and as a group rose above its worst regional financial crisis 20 years ago to become one of the most resilient in the face of the worst global financial crisis just a decade later. The challenges faced and the policy responses taken chronicled and analyzed in this study can hopefully provide further lessons as we face a new global policy paradigm. It is a must read for academics, the financial community and policymakers alike.
