The Fall of Autumn Leaves Ronald A. Williams, 2021-11-19 Cameron Walkes is a Barbadian born novelist who hasn't sold anything for nearly a year when he is encouraged to write an autobiography. A reluctant Cameron knows he is facing many obstacles. What lessons could he teach? How could he explain the recurrent dreams that had gradually increased his stress? Despite his trepidation, Cameron writes the first words of his autobiography later that night. As his life story laboriously begins to take shape, Cameron traces his development from a poor fishing village in Barbados through athletic and teaching careers and finally to attain a role as president of an American college. While chronicling his pursuit of the American Dream, Cameron also details why he left academia to take up writing as a profession and shares a glimpse into his mindset as his physical prowess declines, leaving him with no choice but to face his own mortality. But just as life comes full circle, fate intervenes and provides an unexpected ending to Cameron's story. In this intriguing novel, a Barbadian immigrant who reluctantly begins penning his autobiography in an effort to boost his writing career embarks on a journey inward to reflect on his experiences.

Humor Scholarship Don Lee Fred Nilsen, 1993-02-22 The serious study of humor has burgeoned in the last two decades, spawning a wealth of publications touching upon an array of topics crossing national, cultural, and disciplinary lines. This research bibliography captures the vibrancy and significance of the field of humor studies while documenting its output. Organized into ten broad chapters reflecting types of humor and topics of humor research, it provides extensive bibliographies on forty-five fields of humor study, each introduced by an essay outlining trends and pointing to major findings. An appendix of humor research institutes, journals, scholars, and academic programs, as well as a subject and author index to the thousands of sources, complete the volume. Intended largely for library use by scholars and students in humor studies, the volume's topical essays are valuable for text use in related courses; the work's extensive bibliographies will foster research in diverse fields with a focus on humor.

Chronicles of the Fallen Aya Lancaster, 2011 No, I will survive. No matter what they have to know, what's coming, she has to. I have to protect her. Ezryan, the Commander of the First Legion, had fallen from the Heaven. He was sent to obtain a forbidden Secret within its walls, one that said could strengthen the Hell's reign over humans. What he did caused the Heaven to unleash its wrath and burned him; thus, he carried the secret he'd obtained to his grave. Centuries after his death, lesser soldiers mysteriously disappeared. Cain, the son of Adam, announces the most unexpected prophecy, which is believed to be a groundless lie, not to be spoken. However, upon hearing Cain's prophecy, one of Ezryan's

companions revealed the commander's last words he secretly confided before he died. It urged them to follow the dark trails he left behind. Their quest leads to encounter friends and foes beyond their imagination. Along with it they uncovered not only deadly secrets that could save their lives but also their true enemies who seek to destroy them. At their relentless search the archangels deem them to be lethal threats that could overthrow the fragile balance between Heaven, Hell, and Earth. Wanting to prevent this, the archangels orchestrated a plan to annihilate all Hell. But the Holy Army isn't the only ones after their lives. Driven by thoughts that they've stumbled upon something they weren't supposed to and that they plan to commit high treason, Leaders of Hell and ultimately their master, the Morningstar, want their blood. There's only one who holds the whole key for their survival, only a small problem: he's known to be dead. From another world to the depth of the abyss, it's a race to survive the Great War between heaven and hell and overcome the destiny with humans as the victim. **Urania** John Hill, 1754 *The Compleat Works of ...
