Léo Pomar

False Teachings Of The Oneness Apostolics A Rebuttal To Tithing Law Or Faith:

False Teachings of the Oneness Apostolics Daniel Tipton,2006-02-17 This is an outcry to all who will listen to the truth A call to re examine what you have been taught A call to use common sense in your judgements A call to apply your own self and not to blindly accept the teachings of any one man or church It is your life Both in this world and in the next DO NOT blindly trust your happiness to chance or the words of any man Study and search for your own salvation and those that you love the most BE WARNED This is a very provocative work This work will cause huge controversy and will be the subject of criticism and will be met with much reprisal by those who will not search the scripture for themselves READ AND ENJOY
