Pregnant/postpartum Women and Their Infants Jewel Green,1997 *10th Special Report to the U.S. Congress on Alcohol and Health* ,2000 Special Report to the U.S. Congress on Alcohol & Health ,2000 **Special Report to the U.S. Congress on Alcohol and Health from the Secretary of Health and Human Services** ,2000 **Treatment Protocol Effectiveness Study** United States. Office of National Drug Control Policy. Treatment Outcome Working Group,1996 *Mood and Anxiety Disorders in Women* David Castle,Jayashri Kulkarni,Kathryn M. Abel,2006-02-23

Mood and anxiety disorders in women represent an increasingly important area of research and treatment development The authors take a broad biopsychosocial and developmental approach to the issues beginning with anxiety disorders in adolescence and progressing through the life phases of women to menopause and old age All the disorders are covered from anxiety and borderline personality disorder to stress and late life depression Particular attention is paid to questions of vulnerability epidemiological and clinical evidence showing gender differences in such disorders aetiological explanations in terms of biological including hormonal as well as psychosocial parameters and treatment implications **Preventing AIDS** R Dennis Shelby,Benjamin Bowser,Shiraz Mishra,Cathy Reback,2012-12-06

Learn how to create professional collaboration between HIV AIDS researchers and community organizations for the benefit of all This book is designed to help frontline prevention organizations answer two questions that are of utmost importance First how effective are their services and second can their work be improved The absence of rigorous evaluation is a barrier to stable funding for community organizations and the strategies in Preventing AIDS Community Science Collaborations can help overcome that barrier The book is a guide to successful cooperative efforts between researchers and community based organizations The information it presents will help community based programs acquire detailed timely information on program effectiveness and outcomes It also provides researchers with methods for accessing hard to reach or hidden HIV high risk groups Handy tables and figures make important data easy to access and understand In Preventing AIDS Community Science Collaborations you ll learn about the difficult but critically important collaboration between community organizations who do frontline prevention work and university scientists who evaluate the effectiveness of that work The book describes the community researcher equal partner collaboration CREPC model for community based collaborative research In addition it examines six unique efforts to prevent the spread of AIDS among high risk populations such as prostitutes injection drug users impoverished pregnant women migrant workers transgendered persons and prison inmates The case studies in Preventing AIDS Community Science Collaborations describe the frustrations of outreach workers and counselors who suddenly must help design a survey they fear will be intrusive and the parallel problems faced by scientists who are told that their traditional measures mean little to outreach workers Preventing AIDS Community Science Collaborations presents funders perspectives on collaborative AIDS research and examines the collaborative and funding aspects of the CAL PEP prevention programs for drug injectors and sex

workers efforts to promote HIV prevention for migrant farm workers and evaluate those efforts effectiveness the ongoing collaboration between The Center for AIDS Prevention Studies University of California San Francisco Centerforce a statewide nonprofit agency providing services and advocacy to prisoners and their families and San Quentin State Prison the effort of the Los Angeles County HIV Epidemiology Program and three community based organizations which collaborate to provide culturally appropriate outreach and HIV education prevention services to transgendered individuals of various ethnic origins San Francisco s PHREDA project and the way its creators collaborated to better understand and serve high risk women The U Find Out UFO Study funded by the Universitywide AIDS Research Program of the State of California The Economic Costs of Alcohol and Drug Abuse in the United States, 1992 Henrick J. Harwood, Douglas Fountain, Gina Livermore, 1998 Protecting Children from the Impacts of Substance Abuse on Families Receiving Welfare United States. Congress. House. Committee on Ways and Means. Subcommittee on Human Resources, 1998 *HIV Affected and Vulnerable Youth* Alejandro Garcia, Susan Taylor-Brown, 2014-01-21 HIV Affected and Vulnerable Youth Prevention Issues and Approaches provides suggestions for support of vulnerable youth who must face chronic disease or death poverty drug abuse and racism as well as the tribulations that accompany adolescence Social workers case managers psychologists and nurses who work with HIV affected and vulnerable youth and their families will find unique recommendations on how to assist these individuals in resisting risky behaviors This unique collection of research studies expands on the current knowledge while informing us of how much more there is to be learned This informative book will enlighten you about the children and mothers who are most likely to be affected by the HIV disease the poor people of color living in substandard housing who are subjected to discrimination and social isolation The multiple losses experienced by these women and children because of infection crime and substance abuse are included in this valuable book but most importantly you will discover how you can alleviate some of the stresses caused by these losses Through HIV Affected and Vulnerable Youth you will discover multiple ways to successfully help the adolescents in your practice deal with the challenges inherent to HIV economic hardships and substance abuse Comprehensive and intelligent this important book will help you address the needs of HIV affected children or families with humanity sensitivity and ethnically sensitive interventions With HIV Affected and Vulnerable Youth you will find unique interventions to help the youth and family in your community by discovering how facing the mortality of an HIV infected family member has profound psychological effects on a child or adolescent and how you can help ease this crisis for your clients understanding why many youth who must cope with the eminent death of a family member deal with this crisis by engaging in risky behaviors which may result in HIV infection for themselves realizing that the lack of education about HIV how it is transmitted and how to prevent transmission may be part of the problem for high risk youth learning how some HIV positive children exhibit stable functioning and resilience in coping with their health but have difficulties exhibiting the same stability in other aspects of their lives realizing that the social stigma surrounding HIV has not lost its intensity and that

this stigma is a part of the everyday reality for HIV affected children and their families HIV Affected and Vulnerable Youth Prevention Issues and Approaches brings to light the daily heartache and struggles of HIV affected children and their families The day to day challenges of families and youths due to HIV infection crime substance abuse and sometimes where and how they live pose problems to the well being of these individuals and are significant obstacles to mental health therapy and health care services This helpful book offers you several intervention techniques in order to improve the lives of HIV affected individuals and families in your community *Women and Alcohol* Jan Howard,1996 **Behavioral Couples Therapy for Alcoholism and Drug Abuse** Timothy J. O'Farrell,William Fals-Stewart,2012-03-12 This eminently practical guide presents an empirically supported approach for treating people with substance abuse problems and their spouses or domestic partners Behavioral couples therapy BCT explicitly focuses on both substance use and relationship issues and is readily compatible with 12 step approaches In a convenient large size format the book provides all the materials needed to introduce BCT implement a recovery contract to support abstinence work with clients to increase positive activities improve communication and reduce relapse risks and deal with special treatment challenges Appendices include a session by session treatment manual and 70 reproducible checklists forms and client education posters Whitaker's Books in Print ,1998
