Families Mother Father Sister Brother:

Family Configurations Eric D. Widmer, 2016-04-15 Family Configurations develops current scholarship on families and intimate lives by demonstrating that family relationships far from being fluid and inconsequential are more structured and committed than ever Based on a series of empirical studies carried out in the US and Europe this volume reveals the diversity of family relationships that emerge as a result of various key family issues emphasizing the supportive and disruptive interdependencies existing among large sets of family members beyond the nuclear family By applying social network methods to uncover the relational patterns of contemporary families and making use of rich empirical data this book draws on recent developments in family sociology social network analysis and kinship studies to present a fascinating interdisciplinary approach to the family

Creepy Crawling Jeffrey Melnick, 2018-07-17 Creepy crawling was the Manson Family's practice of secretly entering someone's home and without harming anyone leaving only a trace of evidence that they had been there some reminder that the sanctity of the private home had been breached Now author Jeffrey Melnick reveals just how much the Family creepy crawled their way through Los Angeles in the sixties and then on through American social political and cultural life for close to fifty years firmly lodging

themselves in our minds Even now it is almost impossible to discuss the sixties teenage runaways sexuality drugs music California and even the concept of family without referencing Manson and his girls Not just another history of Charles Manson Creepy Crawling explores how the Family weren t so much outsiders but emblematic of the Los Angeles counterculture freak scene and how Manson worked to connect himself to the mainstream of the time Ever since they spent two nights killing seven residents of Los Angeles what we now know as the Tate LaBianca murders the Manson family has rarely slipped from the American radar for long From Emma Cline s *The Girls* to the recent TV show *Aquarius* the family continues to find an audience What is it about Charles Manson and his family that captivates us still Author Jeffrey Melnick sets out to answer this question in this fascinating and compulsively readable cultural history of the Family and their influence from 1969 to the present
