Successfully teaching these students requires educators to understand their characteristics and to learn how to engage immigrant families to support their children's academic achievements. The Handbook of Research on Engaging Immigrant Families and Promoting Academic Success for English Language Learners is a collection of innovative research that utilizes teacher professional development models, assessment practices, teaching strategies, and parental involvement strategies to develop ways for communities and educators to create social and academic conditions that promote the academic success of immigrant and English language learners. While highlighting topics including bilingual learners, family engagement, and teacher development, this book is ideally designed for early childhood, elementary, middle, K-12, and secondary school teachers, school administrators, faculty, academicians, and researchers.
