Families We Choose Kath Weston, 1997 This study brings together two areas of investigation relationships of gay and lesbian individuals with their biological families and lesbian and gay relationships in the context of research on alternative forms of family      *Reseña de "Families we choose. Lesbians, gays, kinship" de Kath Weston* Patricia Ravelo Blancas, 1999

**Long Slow Burn** Kath Weston, 1998-07-27 Kath Weston's powerful collection of essays Long Slow Burn challenges the preconception that queer studies is the brainchild of the humanities and argues that social science has been talking about sex all along To deny this one would have to overlook Kinsey's pioneering sex research in the 1950s or the psychiatrist Evelyn Hooker's pathbreaking study of homosexuality but also in the sex talk that lies at the heart of classic debates on kinship inequality cognition and other foundational topics in the social sciences What is different now Weston claims is the way sexuality has been isolated from other contemporary issues Not content with its ghettoization as a contained subfield Weston refuses to draw an artificial line around sexuality      **Lesbian Motherhood** Róisín Ryan-Flood, 2009-05-27 This book studies the growing number of lesbian women embarking on parenthood after coming out Theoretical debates about lesbian motherhood often consider its assimilative or transgressive dimensions This book offers a different approach contextualising lesbian motherhood in relation to sexual citizenship and hegemonic discourses of kinship      **Contemporary Families** Scott Browning, Kay Pasley, 2015-06-05 Written for researchers practitioners and students in advanced courses this book furthers our understanding of the complexity of contemporary families Seven types of families are the focus of this book based on the research available and the challenges they present for mental health professionals The family forms discussed are Adoption Foster care Interracial families Family members with special needs with a focus on autism Families with LGBTQ members Grandparent headed Families Family members with chronic medical conditions The volume establishes an innovative format that fits the new age of evidence based practice Each chapter is written by a collaborative team of authors consisting of researchers and practitioners The former address the prevalence and characteristics of the family form and then present the research findings most relevant to clinical practice the latter use this as the foundation for their portion of the chapter in which they discuss strategies for good therapeutic intervention representing a true integration of science and practice Readers learn about relevant research findings regarding each family described as well as gain explicit instruction and case material for which to augment therapeutic efforts with these populations      *Queer Families, Common Agendas* Richard Sullivan, 2013-05-13 Vital information on family services custody and access rights for gay parents Queer Families Common Agendas Gay People Lesbians and Family Values examines the real life experience of those affected by current laws and policies regarding homosexual families The book will help policy makers lawyers social workers and the general public better understand these families Here you will be able to compare the progress of policy in the U S and Canada for gay and lesbian parents and their children and explore relevant legal approaches in the two countries In Queer Families Common Agendas

Gay People Lesbians and Family Values a range of strategies for advancing the rights of sexual minority parents are considered for legal feasibility and political viability You will gain insight into the contradictions in policies and practices that ultimately disadvantage children based on their family origins and you will discover alternative approaches for improved services to homosexual families

Queer Families Common Agendas explores family law and protection of women headed households legal definitions of motherhood and fatherhood in the United States Canada and the United Kingdom family and adoption ideologies concerning gay families and their rights to adopt new ways to make social services responsive to minority families the lesbian and gay agenda the value of family and the family of values as opposed to the worn out phrase family values Queer Families Common Agendas serves as a primer to assist you in understanding the legal struggles that lesbian and gay families are facing today You will explore concerns about family law protection of women headed households motherhood fatherhood adoption and family ideology and how to make social services responsive to gay and lesbian families This excellent reference provides you with the necessary background and techniques to create services that are responsive and effective with sexual minority families

Tortilleras Lourdes Torres, Inmaculada Pertusa, 2003-02-21 The first anthology to focus exclusively on queer readings of Spanish Latin American and US Latina lesbian literature and culture Tortilleras interrogates issues of gender national identity race ethnicity and class to show the impossibility of projecting a singular Hispanic or Latina Lesbian Examining carefully the works of a range of lesbian writers and performance artists including Carmelita Tropicana and Christina Peri Rossi among others the contributors create a picture of the complicated and multi textured contributions of Latina and Hispanic lesbians to literature and culture More than simply describing this sphere of creativity the contributors also recover from history the long veiled existence of this world exposing its roots its impact on lesbian culture and making the power of lesbian performance and literature visible

**Sacred Queer Stories** A. S. Van Klinken, Johanna Stiebert, Brian Sebyala, Fredrick Hudson, 2021 An invaluable insight into the narrative politics and theologies of LGBTQ life storytelling a key text for those in African Humanities Queer Studies Religious Studies and Refugee Studies Presenting the deeply moving personal life stories of Ugandan LGBTQ refugees in Nairobi Kenya alongside an analysis of the process in which they creatively engaged with two Bible stories Daniel in the Lions Den Old Testament and Jesus and the Woman Caught in Adultery New Testament Sacred Queer Stories explores how readings of biblical stories can reveal their experiences of struggle their hopes for the future and their faith in God and humanity Arguing that the telling of life stories of marginalised people such as of Ugandan LGBTQ refugees affirms embodied existence and agency is socially and politically empowering and enables human solidarity the authors also show how the Bible as an authoritative religious text and popular cultural archive in Africa is often used against LGBTQ people but can also be reclaimed as a site of meaning healing and empowerment The result of a collaborative project between UK based academics and a Nairobi based organisation of Ugandan LGBTQ refugees the book provides a valuable insight into the narrative politics and theologies of LGBTQ life storytelling A key text for those in African Humanities Queer Studies Religious Studies and Refugee Studies among others the book expresses an innovative methodology of inter reading queer life stories and biblical stories

**Oedipal Experiences in Same-Sex Families** Yifat Eitan-Persico, 2024-04-18 This book updates the Oedipus complex for a contemporary audience in the light of social and cultural changes and explores its implications for psychoanalytic treatment and our understanding of queer families Growing evidence during the past few decades indicates that children who grow up in same sex families adapt well These findings which do not conform to the predictions of Oedipal theory expose the theory's biases and call for reexamination of its premises This book based on ground breaking research and pursues a methodical

investigation of the characteristics of the same sex families that defy the expectations of Oedipal theory. Furnished with vivid illustrations it invites the reader to engage actively in the interpretive effort and presents a diverse and complex story about kinship opening a window onto a rich world of infantile phantasies and parents' psychological conflicts. At the fascinating intersection of the personal and the social, Oedipal Experiences in Same Sex Families will appeal to psychoanalysts, psychotherapists, educators, and policymakers. Same sex parents and parents who were assisted by gamete donation. The Routledge Handbook of Anthropology and Reproduction Sallie Han, Cecília Tomori, 2021-11-09. The Routledge Handbook of Anthropology and Reproduction is a comprehensive overview of the topics, approaches, and trajectories in the anthropological study of human reproduction. The book brings together work from across the discipline of anthropology with contributions by established and emerging scholars in archaeological, biological, linguistic, and sociocultural anthropology. Across these areas of research, consideration is given to the contexts, conditions, and contingencies that mark and shape the experiences of reproduction as always gendered, classed, and racialized. Over 39 chapters, a diverse range of international scholars cover topics including Reproductive governance, stratification, justice, and freedom; Fertility and infertility; Technologies and imaginations; Queering reproduction; Pregnancy, childbirth, and reproductive loss; Postpartum and infant care; Care, kinship, and alloparenting. This is a valuable reference for scholars and upper-level students in anthropology and related disciplines associated with reproduction, including sociology, gender studies, science and technology studies, human development, and family studies, global health, public health, medicine, medical humanities, and midwifery and nursing. **A Companion to Lesbian, Gay, Bisexual, Transgender, and Queer Studies** George E. Haggerty, Molly McGarry, 2015-06-29. A Companion to Lesbian, Gay, Bisexual, Transgender, and Queer Studies is the first single-volume survey of current discussions taking place in this rapidly developing area of study. Recognizing the multidisciplinary nature of the field, the editors gather new essays by an international team of established and emerging scholars. Addresses the politics, economics, history, and cultural impact of sexuality. Engages the future of queer studies by asking what sexuality stands for, what work it does, and how it continues to structure discussions in various academic disciplines as well as contemporary politics. **Gender, Sexuality, and Intimacy: A Contexts Reader** Jodi O'Brien, Arlene Stein, 2017-01-13. This new anthology brings together over 90 recent readings on gender, sexuality, and intimate relationships from Contexts, the award-winning magazine published by the ASA. Each contributor is a contemporary sociologist writing in the clear, concise, and jargon-free style that has made Contexts the public face of sociology. The editors have chosen pieces that are timely, thought-provoking, and especially suitable for classroom use. Written introductions frame each of the book's three main sections and provide questions for discussion. Multicultural Perspectives in Working with Families, Fourth Edition Elaine P.
