Families With A Difference Varieties Of Surrogate Parenthood:

Families with a Difference Michael Humphrey, Heather Humphrey, 2023-08-09 In the 1980s families other than those made up of the natural mother father and siblings were increasing in number Originally published in 1988 this book looks at these alternative families and considers the psychological and social consequences of growing up in a family where the genetic link between parents and children is missing or incomplete The authors discuss adoption fostering stepfamilies and parenthood by donor insemination as well as such areas as womb leasing and homosexual parenthood considered controversial at the time A recurring theme is whether when and what to tell children of their extrafamilial origins and how they and other family members react to the knowledge Families with a Difference is a comprehensive new analysis of the changing nature of family life in western society which in the aftermath of the influential Warnock Report in 1984 would have been important reading for students and professionals in social policy social work psychology and the social aspects of medicine

Surrogate Motherhood Helena Ragone, 2019-07-11 Surrogate Motherhood Conception in the Heart is a compelling account written with analytical clarity and remarkable compassion Helena Ragon has given long overdue humanity and voice to the actual participants in the surrogate motherhood experience a heretofore inaccessible population and the results are fascinating Anyone interested in fertility parenting reproduction and kinship or anyone interested in contemporary culture will want to read this book

Issues in Reproductive Technology Helen B. Holmes, 1994-08 A remarkable collection of scholarly essays philosophical discussions and ethical arguments concerning reproductive choices Choice It seems as if every week there is a new case involving reproductive technologies that raises provocative often painful questions What policies should be followed by centers that preserve human embryos Are such innovations as Norplant improvements over established methods of contraception Should RU 486 be available in the U S Is prenatal diagnosis an ethically acceptable step to limiting the number of disabled people These are just some of the vital questions explored in this timely work which offers incisive analysis of the plethora of issues raised by advances in reproductive medicine The book's major sections cover abortion contraception cryopreservation of gametes and embryos surrogate motherhood and psychosocial issues of in vitro fertilization In each section introductory essays by recognized authorities such as Elizabeth Bartholet and Andrea L Bonnickson are followed by critical articles by professionals in such fields as women's health medicine biology sociology politics and philosophy In assessing a technology the authors present well argued analyses of problems created by that technology including views from advocates and practitioners that raise attendant ethical and practical issues

The Textbook of Children's Nursing Tina Moules, Joan Ramsay, 1998 Divided into three sections this book provides coverage of the Branch Programme in Children's Nursing It includes user friendly content based on lecture plans and activities It is a useful reading for those students embarking on a course of study in children's nursing

What is a Parent Andrew Bainham, Shelley Day Sclater, Martin Richards, 1999-08-23 This book presents an interdisciplinary exploration

of the nature of parenthood and its various manifestations in contemporary society They're All My Children Danielle Wozniak, 2002 Written from foster mothers perspectives this book voices the often painful experiences of contemporary U S foster mothers as they struggle to mother and care work in the face of exploitative social relations with the state

Cultural Values and the Family Beyond Year 2000 Jacob K. Hevi, 2002 Culture is dynamic But in cultural ethnic groups certain elements of culture such as cultural values relating to the family are regarded indispensable for social order and therefore for the survival of the society Accordingly those concerned strive to maintain social order by rediscovering what they regard as traditional cultural values The thesis of this study is the process of the development of cultural values relating to the family can be defined as Spiral Involution namely a development through interparticipative stages each stage past or present participating in the other as impulse to further development Therefore the proposition of this study is dialogal value system concordance a conscious intervention by those concerned through dialogue towards optimal social order

The School Years John Coleman, 2012-12-06 The School Years provides a challenging and lively collection of essays on key issues affecting young people in the school setting It is an essential book for all those concerned with adolescence and education Since the first edition in 1979 major social changes such as unemployment AIDS issues of race and gender and increasing divorce rates have had a direct impact on education and young people With these dramatic changes in mind the contributors take an entirely new and up to date approach to current controversial issues such as the relationship of home and school gender roles morality delinquency and peer groups Contributors include John Coleman Trust for the Study of Adolescence T Honess School of Psychology University of Wales Peter Kutnick Department of Education University of Sussex Sally Archer Trenton State College USA Philida Salmon Institute of Education University of London Maurice Chazan David P Farrington Institute of Criminology Cambridge **Military Families** A. Sue Goodman, 1990 **Adoption, Identity, and**

Kinship Katarina Wegar, 2008-10-01 Sociologist Katarina Wegar offers a new perspective on adoption and the search debate placing them within a social context She argues that Americans who are embroiled in adoption controversies have failed to understand how much the debate adoption research and the experience of adoption itself are affected by persistent social beliefs that adopted children are different from and somehow inferior to children reared by their biological families Wegar begins by considering the historical and legal development of adoption and of sealed records policies showing how kinship ideology the helping professions and gender issues intersect to frame adoption policies and the ongoing debate Drawing on articles in social work and mental health journals activist newsletters and autobiographies by search activists as well as on popular images of adoption portrayed in talk shows and other media she analyzes the rhetoric to reveal the unconscious biases that exist She concludes with a discussion of ways in which adoption reformers can avoid perpetuating harmful and confining images of those who participate in adoption Annual Progress in Child Psychiatry and Child Development 1996

Margaret E. Hertzog, Ellen A. Farber, 1996-12 First published in 1997 Routledge is an imprint of Taylor Francis an informa

company **Procreative Man** William Marsiglio,1998 In what ways do men think about and express themselves as procreative beings Under what circumstances do they develop paternal identities What is their involvement with partners during the pregnancy and delivery process and how do they feel about it In *Procreative Man* William Marsiglio addresses these and other timely questions with an eye toward the past present and future Drawing upon writings ranging from sociology to biomedicine Marsiglio develops a novel framework for exploring men s multifaceted and gendered experiences as procreative beings Addressing such issues as how men feel about their limited role in the abortion decision and process how important genetic ties are for men who want to be fathers and men s reactions to infertility Marsiglio shows how men s roles in creating and fathering human life is embedded within a rapidly changing cultural and sociopolitical environment The most comprehensive analysis of men and procreation this theoretically informed work challenges us to expand our vision of fatherhood **Children and Separation** Kwame Owusu-Bempah,2014-09-03 Childhood separation and loss have become virtually a way of life for a large number of children throughout the world Children separated from their genetic parent s and consequently their genealogical social and cultural roots due to processes such as adoption parental divorce separation donor insemination single parenthood by choice and child trafficking can face social emotional and psychological difficulties This book explores the premise that a proper understanding of the complex inner world of modern day separated children and their psycho social development requires a shift in focus or emphasis It presents the notion of socio genealogical connectedness as a new theoretical framework for studying and promoting these children s growth and development This new theory simultaneously challenges and complements existing notions of psycho social development including attachment theory and Erikson s psycho social theory of personality development Owusu Bempah proposes that this sense of socio genealogical connectedness is an essential factor in children s adjustment to separation and their emotional and mental health much like those adopted separated children suffer a loss of genealogical continuity and hence loss of self This hypothesis is discussed and ultimately supported through both the author s own research and a broad selection of theoretical and empirical material from other areas The book further considers the implications of this notion of socio genealogical connectedness for childcare policy and practice as well as directions for future research in this and related fields *Children and Separation* is an invaluable resource for academics students and childcare professionals The accessible style of the book ensures that it will also be useful to parents and anybody affected by childhood separation **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1989 **Current Catalog** ,1989 First multi year cumulation covers six years 1965 70 *Parents and Children* Andrew Bainham,2017-03-02 This volume brings together some of the best journal articles of the last twenty years which deal with various aspects of the relationship between parents and children Adopting an interdisciplinary and comparative approach the book reproduces articles from a variety of journals in law and the social sciences

The book is divided into eight parts dealing respectively with becoming a parent the status and obligations of parenthood issues of upbringing adolescence child support parental separation divorce and children child abuse and state intervention social parenthood and adoption The volume includes a substantial introduction by the editor *Substitute Parents* Gillian Bentley, Ruth Mace, 2012 From a comparative perspective human life histories are unique and raising offspring is unusually costly humans have relatively short birth intervals compared to other apes childhood is long mothers care simultaneously for many dependent children other apes raise one offspring at a time infant mortality is high in natural fertility mortality populations and human females have a long post reproductive lifespan These features conspire to make child raising very burdensome Mothers frequently defray these costs with paternal help not usual in other ape species although this contribution is not always enough Grandmothers elder siblings paid allocators or society as a whole help to defray the costs of childcare both in our evolutionary past and now Studying offspring care in a various human societies and other mammalian species a wide range of specialists such as anthropologists psychologists animal behaviorists evolutionary ecologists economists and sociologists have contributed to this volume offering new insights into and a better understanding of one of the key areas of human society

Queering Agatha Christie J.C Bernthal, 2016-09-02 This book is the first fully theorized queer reading of a Golden Age British crime writer Agatha Christie was the most commercially successful novelist of the twentieth century and her fiction remains popular She created such memorable characters as Hercule Poirot and Jane Marple and has become synonymous with a nostalgic conservative tradition of crime fiction J C Bernthal reads Christie through the lens of queer theory uncovering a playful alert and subversive social commentary After considering Christie's emergence in a commercial market hostile to her sex in *Queering Agatha Christie* Bernthal explores homophobic stereotypes gender performativity queer children and masquerade in key texts published between 1920 and 1952 Christie engaged with debates around human identity in a unique historical period affected by two world wars The final chapter considers twenty first century Poirot and Marple adaptations with visible LGBT characters and poses the question might the books be queerer

Conceptualizing and Measuring Father Involvement Randal D. Day, Michael E. Lamb, 2003-10-03 After decades of focusing on the mother's role in parenting family studies researchers have turned their attention to the role of the father in parenting and family development This volume focuses on ways of measuring the efficacy of father involvement
