Representing the Family Deborah Chambers,2001-08-09 Looking at how the family is represented by the media and by scrutinizing the manner in which it is regulated this book uncovers the ways in which academic research and welfare policy have colluded with political rhetoric and the popular media to re-invent a mythical ideal family *Representing the Family* combines perspectives from a range of theories including media and cultural studies sociology and social history to show how certain types of family life are pathologised highlights the discrepancies between contemporary representations of the ideal family and lived experience and compares the British experience with that of the United States and Australia *Thinking Straight* Chrys Ingraham,2013-05-13 This collection of original essays will unravel the current heterosexual scene in two parts one on rights and privileges the other on popular culture Topics covered include weddings proms citizenship marriage penalties cartoons mermaids and myth *In an Ideal Business* Santiago Iñiguez,2019-12-27 Business decisions are not just based on abstract theories or models They reflect a world view of how a company operates and the philosophy of management that it follows Even denying any connection between management and values is a philosophical statement in itself Santiago Iñiguez de Onzo President of the prestigious IE Business School looks to the greatest female philosophers from modern history to help us bring purpose and meaning back into the workplace and management education He shows how their pioneering work can be applied in specific situations from Iris Murdoch's emphasis on compassion to Hannah Arendt's work on making the world more human each philosopher can in a very practical way help inform your own approach to work and life Packed with examples personal stories and anecdotes from some of the world's most influential companies and women in business this book examines how the contributions from female philosophers stand up in the real world helping to drive inclusion diversity and ultimately innovation Empire's Nature Amy R. W. Meyers,Margaret Beck Pritchard,2012-12-01 Completed in 1747 Mark Catesby's *Natural History of Carolina Florida and the Bahama Islands* was the first major illustrated publication on the flora and fauna of Britain's American colonies Together with his *Hortus Britannico Americanus* 1763 which detailed plant species that might be transplanted successfully to British soil Catesby's *Natural History* exerted an important though often overlooked influence on the development of art natural history and scientific observation in the eighteenth century Inspired by a major traveling exhibition of Catesby's watercolor drawings from the Royal Library Windsor Castle this collection of interdisciplinary essays considers Catesby's endeavors as a naturalist artist scientific explorer experimental horticulturist ornamental gardener and early environmental thinker in terms of the interests held by the various overlapping communities in which he functioned particularly as those interests related to the British colonial enterprise The contributors are David R Brigham Joyce E Chaplin Mark Laird Amy R W Meyers Therese O Malley and Margaret Beck Pritchard **Screen Savers II: My Grab Bag of Classic Movies** John Dileo,2015-04-19 *Screen Savers*

It is John DiLeo's three part grab bag of classic movies beginning with his extensive essays about ten remarkable and underappreciated movies as in the first Screen Savers and representing a variety of genres and stars such as Barbara Stanwyck James Stewart Ginger Rogers and DiLeo favorite Joel McCrea Part Two collects and categorizes posts from DiLeo's classic film blog screensaversmovies.com containing his musings on classics revisited sleepers and stinkers films old and new plus his memorial tributes to Hollywood notables Part Three might be called a delayed bonus round to DiLeo's 1999 quiz book with all new matching quizzes Can you identify the films in which a character writes a book titled Hummingbird Hill Fred Astaire dances with Betty Hutton a character named Sean Regan is important but never seen *The Wizard of Oz as American Myth* Alissa Burger, 2012-03-27 Since the publication of L Frank Baum's *The Wonderful Wizard of Oz* in 1900 authors filmmakers and theatrical producers have been retelling and reinventing this uniquely American fairy tale This volume examines six especially significant incarnations of the story Baum's original novel the MGM classic *The Wizard of Oz* 1939 Sidney Lumet's African American film musical *The Wiz* 1978 Gregory Maguire's novel *Wicked* The Life and Times of the Wicked Witch of the West 1995 Stephen Schwartz and Winnie Holzman's Broadway hit *Wicked* A New Musical 2003 and the SyFy Channel miniseries *Tin Man* 2007 A close consideration of these works demonstrates how versions of Baum's tale are influenced by and help shape notions of American myth including issues of gender race home and magic and makes clear that the *Wizard of Oz* narrative remains compelling and relevant today *Urban Politics* Myron A. Levine, Heywood T. Sanders, 2025-03-31 *Urban Politics* brings together the classic and contemporary literature on urban politics and history with today's pressing urban issues This book's central theme is power going beyond the formal institutions and structures of city and suburban government to explain who defines the urban agenda and who benefits from local services and investments This book also presents a number of subthemes including the impact of globalization the dominant place of economic development concerns in the urban agenda and the continuing importance of race and poverty in big city and suburban politics It also places cities in the larger context of state and federal government politics and policies and discusses the impact of those policies *Urban Politics* seeks to engage students with photographs real world case studies and boxed material that employs films video television shows and popular music to illustrate how urban politics works *Urban Politics* has been updated and revised to reflect the complex circumstances of both urban success stories and the difficult realities of cities left behind and to add new material on concentrated poverty climate change and the impacts of the COVID 19 pandemic The 11th edition of *Urban Politics* is an ideal introductory text for students of urban suburban and regional politics and policy This book's coverage of contemporary issues urban bureaucracy policy analysis and intergovernmental relations also makes it an effective textbook for classes in urban administration and planning Support material for this book can be found at www.routledge.com 9781032270654 *Watching TV* Harry Castleman, Walter J. Podrazik, 2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast

through cable and now streaming They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline Watching TV provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to the earliest days Watching TV is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format

meXicana Encounters Rosa Linda Fregoso,2003-12-04 *meXicana Encounters* charts the dynamic and contradictory representation of Mexicanas and Chicanas in culture Rosa Linda Fregoso s deft analysis of the cultural practices and symbolic forms that shape social identities takes her across a wide and varied terrain Among the subjects she considers are the recent murders and disappearances of women in Ciudad Ju rez transborder feminist texts that deal with private domestic forms of violence how films like John Sayles s Lone Star re center white masculinity and the significance of la familia to the identity of Chicanas/os and how it can subordinate gender and sexuality to masculinity and heterosexual roles Fregoso s self reflexive approach to cultural politics embraces the movement for social justice and offers new insights into the ways that racial and gender differences are inscribed in cultural practices

Sourcebook of Family Theories and Methods Pauline Boss,William J. Doherty,Ralph LaRossa,Walter R. Schumm,Suzanne K. Steinmetz,2008-11-19 *Origins* We call this book on theoretical orientations and methodological strategies in family studies a sourcebook because it details the social and personal roots i e sources from which these orientations and strategies flow Thus an appropriate way to preface this book is to talk first of its roots its beginnings In the mid 1980s there emerged in some quarters the sense that it was time for family studies to take stock of itself A goal was thus set to write a book that like Janus would face both backward and forward a book that would give readers both a perspective on the past and a map for the future There were precedents for such a project The Handbook of Marriage and the Family edited by Harold Christensen and published in 1964 the two Contemporary Theories about the Family volumes edited by Wesley Burr Reuben Hill F Ivan Nye and Ira Reiss published in 1979 and the Handbook of Marriage and the Family edited by Marvin Sussman and Suzanne Steinmetz then in production
