The Persistence of Objects Richard García, 2006 Sonnets fables prose poems surrealism with a heart by a master of radically inventive poetry A Marriage Book James P. Lenfestey, 2017-12-12 These tender sly plainspoken poems are a profound and sexy hymn to a long marriage Chase Twichell author of *Things As It Is* Writing love poems fifty years into a marriage is no easy task If he exaggerates his love she ll know And if his desire for her is undiminished who would believe But in *A Marriage Book* James P Lenfestey meets his own challenge with aplomb These poems drop readers into the rich textured world of one couple s enduring intimacy from the warmth of a bedroom occupied by two to squabbles over miscommunications and crumbs in the kitchen As the marriage and the poems transition into parenthood Lenfestey illuminates the equally stalwart wonder of observing one s children as they age and develop Paternal love persists and is even fed by watching his children argue suffer their own mistakes and roar horrible breath at breakfast *A Marriage Book* is a collection that essences the magic from the household quotidian creating a technicolor portrait of a durable long lasting love and a vibrant dynamic family James Lenfestey after a lifetime of attentive writing has lately done poems for family and marriage that put most of us to shame Gary Snyder *The New York Times Book Review* **Oblivio Gate** Sean Nevin, 2008-11-11 Suffused with lyrical grace and the language of loss Sean Nevin s *Oblivio Gate* explores the mental and emotional struggles of Solomon a veteran battling the onslaught of Alzheimer s disease Set against Solomon s memories of the Korean War Nevin s poems draw us into an intimate view of a man s confusion as everything he knows slowly unravels around him leaving him abandoned in the suddenly unfamiliar landscape of his own mind Readers experience first hand Solomon s dismay as he watches himself inexorably slip away from reality fighting to hold on to the shreds of his identity Intertwined with his perspective are the voices of loved ones and caregivers who can only watch helplessly as Solomon is ravaged by the illness Also central to the collection are the figures of Aurora and Tithonus the famously doomed couple of mythology whose own happiness was destroyed by the inevitability of age and the betrayal of the body But if this evocative portrait of Alzheimer s disease is tragic it is also at moments inspiring *Oblivio Gate* reveals not only what is lost but also what is found what is pure and even what is funny in our fleeting lives Ultimately Sean Nevin crafts an unforgettable collection of contemporary poetry that yields heartbreaking insight into memory the mind and an affliction that has left millions lost and

looking for themselves I Swallow Turquoise for Courage Hershman R. John, 2007 The stories begin in poems that exude the warmth of an afternoon in the southwestern sun. Hershman John draws readers into a world both familiar and utterly new. Raised on a reservation and in boarding schools then educated at a state university, John writes as a contemporary Navajo poet. His is a new voice, one that understands life on both sides of the canyon that divides but does not completely separate the Din people from their neighbors who live outside the reservation. His poetry draws freely from tribal myths and legends and like its creator it lives outside the reservation too. Perhaps that is why they seem so unspoiled, so sparkling. They are like gemstones that we have never seen. And we are dazzled. With their recurring images of sheep, coyotes and crows and an ever-present Navajo grandmother, these poems carry echoes of an ancient time that seems to exist in parallel with our own. The people who live in them bear as if woven strand by strand into their souls the culture and traditions of the Glittering World. Although these poems are lush with imagery of sunbaked lands, they are never sentimental. Throughout this collection, the poet's voice is confident, assured, and engaged with life in a messy world. It is a world in which animated spirits dwell comfortably with modern machinery where the spiritual resides with the all too human. This is a welcoming universe. It invites us to enter, to linger, to savor, and to learn. **Chicken Soup for the Soul: Family Matters**

Jack Canfield, Mark Victor Hansen, Amy Newmark, Susan M. With 101 stories of wacky yet lovable relatives, funny foibles, and holiday meltdowns, *Chicken Soup for the Soul: Family Matters* is often hilarious and occasionally poignant. *Writing with Families* S. Arthur Kelly, 2013 This concise guide helps you involve parents in Family Scribe Groups that will increase a sense of community in your school. Designed by author Art Kelly for his highly diverse and mobile school in urban Las Vegas, *Writing with Families* takes you step by step through the five-week Family Scribe Group and gives you all the information you need to set up a successful group in your school. **Guide to Literature of Home and Family Life** Annie Robertson Dyer, 1924

Our Way of Life Ray McNiece, 2007 Collects poems by American Ray McNiece including *Flag Coffins*, *The Blue Lake Toast* to Mr. Rogers, and *the Jazz Plays On* and others. *Evensong* Gerry LaFemina, Chad Prevost, 2006 This anthology *Evensong* is a celebration of the rich spiritual tapestry that is contemporary American religious experience. If this book is flawed, recall that to be spiritual is to have faith even when one doubts, to see the flaws yet find belief. When I write poetry, I try to give myself over to the sublime, to that which is great within, to that which knows what I don't know. I know. When I participate in the writing life, I try to be giving to that which has given to me. And let's face it: being a poet in America sometimes feels like taking a vow of poverty. But it also provides a community of others who share a belief in the power of poetry to be redemptive, to change the moral, emotional, or spiritual landscapes if only for a brief moment. Please consider this anthology a meeting
