Freeman follows the Hudson south through America's first industrial ghost towns where ruin begs for rebirth. Next is the Hudson Valley and the river's 153-mile estuary with its once-teeming fisheries. Here agriculture is redefining itself while at West Point officer candidates train for America's murky modern wars. The Hudson Highlands too are prominent, the place where Americans first wed God to nature and where the mountains remain a potent place to mull that bond. From there it's on to Manhattan with its skyline that symbolizes the world's financial might as well as its startling fragility. As controversial as it is comforting, Freeman's narrative makes us think in hard ways about America as the country itself drifts toward an uncertain future. But throughout of course is the magnificent Hudson whose resilient beauty speaks well both to nature's toughness and America's greatest strength: the ability to redirect and change course when necessary. Fearless Confessions Sue William Silverman, 2010-01-25 Everyone has a story to tell. *Fearless Confessions* is a guidebook for people who want to take possession of their lives by putting their experiences down on paper or in a Web site or e-book. Enhanced with illustrative examples from many different writers as well as writing exercises, this guide helps writers navigate a range of issues from craft to ethics to marketing and will be useful to both beginners and more accomplished writers. The rise of interest in memoir recognizes the power of the genre to move and affect not just individual readers but society at large. Sue William Silverman covers traditional writing topics such as metaphor, theme, plot, and voice and also includes chapters on trusting memory and cultivating the courage to tell one's truth in the face of forces from family members to the media who would prefer that people with inconvenient pasts and views remain silent. Silverman, an award-winning memoirist, draws upon her own personal and professional experience to provide an essential resource for transforming life into words that matter. *Fearless Confessions* is an atlas that contains maps to the remarkable places in each person's life that have yet to be explored.
