*Family the Forming Center* Marjorie J. Thompson, 1996 The first place most of us experience God and learn the values that shape our lives is within the family Is it any wonder then that all manner of current social ills are blamed on the disintegration of family life Children need to see that the spiritual life is significant to their parents at home as well as at church If your home life differs from the image you present at church your kids will see faith as contrived and irrelevant In this revised and expanded edition Thompson suggests models rituals and celebrations that will inspire your children to grow spiritually and will help center your family on God Family the Forming Center will help you as parents develop close family relationships filled with God's love trust and values

Kingdom Family Trevecca Okholm, 2012-02-09 There is a lot of talk these days about how churches need to become more missional and Kingdom focused but what about the families that make up our churches and often reflect the surrounding culture more than the Kingdom of God Christian families know that God has a better purpose for marriage and family but often don't have the slightest idea how to get there And while many books on Christian marriage and family are inwardly focused on simply getting along better this book addresses the cultural influences that have taken our focus away from God's intended purpose for marriage and family and through analysis and

practical suggestions recalls marriages and families to the purpose for which God intended them in the first place namely to serve God's Kingdom as witnesses to a world desperately seeking deeper purpose and authenticity
