**The Lonesome Plains** Louis Fairchild, 2002 Loneliness pervaded the lives of pioneers on the American plains including the empty expanses of West Texas Most settlers lived in isolation broken only by occasional community gatherings such as funerals and religious revivals In *The Lonesome Plains* Louis Fairchild mines the letters and journals of West Texas settlers as well as contemporary fiction and poetry to record the emotions attending solitude and the ways people sought relief Hungering for neighborliness people came together in times of misfortune sickness accident and death and at annual religious services In fascinating detail Fairchild describes the practices that grew up around these two focal points of social life He recounts the building of coffins and preparation of a body for burial the conflicting emotions of the pain of death and the hope of heaven the funeral rite itself the lost and lonely graves And he tells the story of yearly outdoor revivals the choice of the meeting site and construction of the arbor or other shelter the provision of food the music and emotionally charged services and tangential courting and mischief Loneliness is most recognized as a feature of life in the time of the early West Texas cattle industry a period of sprawling cattle ranches and legendary cattle drives roughly from 1867 to 1885 But Fairchild shows that it also characterized the lives of settlers who lived in West Texas from the beginning of permanent settlement of the Texas Panhandle around 1876 through the population shift that occurred around the turn of the century as farmers and their families supplanted ranchers and their cattle Fairchild draws on primary materials of the early residents to give voice to the settlers themselves and skillfully weaves a moving picture of life in the open spaces of West Texas during the frontier rural period of the late nineteenth and early twentieth centuries

*Will the Real Jesus Please Stand Up!* Robert McClelland, 2014-10-28 In a world where the God hypothesis is no longer necessary today's Church may offer skeptical Seekers a Jesus Story that no

longer connects with their lives Nevertheless their honest questions are to be valued and honored by the Church because they keep us honest and make us rethink the relevancy of our faith Today's world is asking if there is any Reality to the Jesus about whom we speak and if so would he please stand up It is my contention that faith in God does not depend upon proof of his existence as much as what that God's attitude is toward us While the Good News proposed by Christian Faith is that God's attitude was definitively displayed in Jesus I am suggesting that our Jesus Story must take the Apostle Paul's understanding of Reconciliation seriously God too has to pay the price of Sin He is part of the problem of our alienation and neither we nor God can escape its consequences Therein lies the POWER I believe of the Jesus Story to hold the attention of today's Seeker Jesus not only died for our sins he died for God's Sin as well Our Sin was our disobedience God's Sin was his Ignorance It is Paul who getting his message directly from the Risen Christ sees this most clearly Paul wants us to understand that God was in Christ's life and death reconciling the world to himself not just forgiving us Unlike the Jesus Story told by today's Church Paul sees God's Grace as much more amazing than mere payment for our peccadilloes

support and research for Marfan syndrome and those affected by it Despite the many heartbreaking challenges he has faced Isaiah s story is inspirational and full of hope as he encourages everyone to tower in the face of adversity and keep living out their dreams no matter what life throws their way The book includes a foreword from Robert Griffin III the Heisman Trophy winner and NFL quarterback
