Multicultural Special Education Festus E. Obiakor, 2007 Because of recent demographic changes in our society, general and special educators are challenged to look for innovative ways to maximize all students' potential in school programs. Multicultural Special Education: Culturally Responsive Teaching is a timely book that examines multiculturalism, disability, and education and focuses on how to make education better for all multicultural learners. Contributions from leading experts examine categories of exceptionalities from multicultural perspectives, while integrated case studies and chapter material focus on ways to be an effective and culturally responsive educator. Divided into four parts, this new offering examines the foundations of multicultural special education, the categories of exceptionalities from multicultural perspectives, lifespan issues, and the future of the field.
