**Keeping the Sabbath Wholly** Marva J. Dawn, 1989-08-24 But I don't wanna go to church Marva Dawn has often heard that cry and not only from children What a sad commentary it is on North American spirituality she writes that the delight of keeping the Sabbath day has degenerated into the routine and drudgery even the downright oppressiveness of going to church According to Dawn the phrase going to church both reveals and promotes bad theology it suggests that the church is a static place when in fact the church is the people of God The regular gathering together of God's people for worship is important it enables them to be church in the world but the act of worship is only a small part of observing the Sabbath This refreshing book invites the reader to experience the wholeness and joy that come from observing God's order for life a rhythm of working six days and setting apart one day for rest worship festivity and

relationships Dawn develops a four part pattern for keeping the Sabbath 1 ceasing not only from work but also from productivity anxiety worry possessiveness and so on 2 resting of the body as well as the mind emotions and spirit a wholistic rest 3 embracing deliberately taking hold of Christian values of our calling in life of the wholeness God offers us 4 feasting celebrating God and his goodness in individual and corporate worship as well as feasting with beauty music food affection and social interaction Combining sound biblical theology and research into Jewish traditions with many practical suggestions Keeping the Sabbath Wholly offers a healthy balance between head and heart the book shows how theological insights can undergird daily life and practice and it gives the reader both motivation and methods for enjoying a special holy day Dawn's work unpretentiously eloquent refreshingly personal in tone and rich with inspiring example promotes the discipline of Sabbath keeping not as a legalistic duty but as the way to freedom delight and joy Christians and Jews pastors and laypeople individuals and small groups all will benefit greatly from reading and discussing the book and putting its ideas into practice
