Famous Gun Fighters of the Western Frontier Bat Masterson, Frederic Remington, 1995-01-01 *Famous Gunfighters of the Western Frontier* W. B. (Bat) Masterson, 2012-03-07 Bat Masterson's illustrated biographies of legendary gunslingers Wyatt Earp Doc Holliday Luke Short Bill Tilghman Ben Thompson and others paint a vivid portrait of the Old West a world of sharpshooters cattle rustlers and Dodge City justice *Famous gunfighters of the Western frontier* Bat Masterson, 1959

Famous Gunfighters of the Western Frontier W. B. (Bat) Masterson, 2020-12-31 First published in 1907 as a series of articles in Human Life magazine *Famous Gunfighters of the Western Frontier* is the fascinating first hand account of these famous Americans by Bat Masterson Born Bartholemew William Barclay Masterson in Canada in 1853 Bat Masterson led an amazing life as a U S Army scout professional gambler and lawman in the American Old West He went to find adventure in the frontier as a young man and soon earned distinction as a buffalo hunter He eventually spent time as the sheriff in Dodge City Kansas and was involved in several well known shootouts It was during these times that Masterson met some of the most important gunslingers in history These accounts written decades after Masterson moved back to civilization and worked as a writer and journalist tell the incredible stories of Wyatt Earp Doc Holliday Ben Thompson Luke Short and Bill Tilghman *Famous Gunfighters of the Western Frontier* remains an important historical document of five famous American gunfighters and a fascinating and entertaining account of the Wild West This edition is printed on premium acid free paper **Western Gunslingers in Fact and on Film** Buck Rainey, 2015-11-17 Billy the Kid Wild Bill Hickok Belle Starr Wyatt Earp the Younger Gang the Dalton Doolin Gang and Bat Masterson these real life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins All actually became larger than life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes But it was in Hollywood that the line between reality and myth was completely blurred Each chapter length entry here first focuses on the known facts of the people's lives and how each became truly legendary during their lifetimes The reality is then compared to how they have been portrayed in the movies *The 75th Anniversary Edition of Famous Gun Fighters of the Western Frontier* Bat Masterson, 1982 **The 75th Anniversary Edition of Famous Gun Fighters of the Western Frontier** Bat Masterson, 1982 *Encyclopedia of Western Gunfighters* Bill O'Neal, 1979 Sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who's who of the violent West *Famous Gunfighters of the Western Frontier* Bartholomew Masterson, 1978

The Gunfighters Bryan Burrough, 2025-06-03 One hell of a good read The New York Times One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of *The Big Rich* and *Forget the Alamo* comes an epic reconsideration of the time and place that spawned America's most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our

popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there s much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It s never stopped The Gunfighters brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story Gunfighters Al Cimino,2016-08-24 Delve into the world of the Wild West and the gunslingers that populated its dusty towns and saloons

Arizona Gunfighters Laurence J Yadon, **Famous Gunfighters of the Western Frontier** Bat Masterson,1957

Little Known Famous Gunfighters Joe Fasthorse Harrill,2013-10 This is a collection of brief historical depictions of little known players on the stage of the Old West the high plains and the dusty roads east of the Mississippi There are stories of ranchers soldiers saloon owners former slaves desperados and the lawmen who brought them to justice a movie script writer and a horse breeder Among these are Bud Ballew Jim Masterson Creed Taylor the Hanging Judge Isaac Parker Frances Kavanaugh and Henrietta King Throw down a bedroll next to the fire rest your head on your saddle and enjoy a good read

The Texas Pistoleers Ron Williamson,2009 Known as two of the best pistol fighters of their day Ben Thompson and King Fisher have remained an enigma in the chronicles of the American West While other gunfighters have achieved infamy through the stories told in pulp magazines and newspapers of the day these two men were largely ignored Both were credited with killing a string of men during their lifetime and the mere mention of their names was usually enough to sober up a drunken opponent or cause a sober man to contemplate his own epitaph The Texas Pistoleers tells their story in vivid detail and relates the historically accurate account of their deaths in a mystery shrouded ambush in a San Antonio saloon on

a chilly March night in 1884 Crime, Justice and Retribution in the American West, 1850-1900 Jeremy Agnew, 2017-04-11 Western movies are full of images of swaggering outlaws brought to justice by valiant lawmen shooting them down in daring gunfights before riding off into the sunset In reality it would not have happened that way Real lawmen did not simply walk away from a gunfight they had to face the legal system and justify shooting a civilian in the line of duty Providing a more realistic view of criminal justice in the Old West this history focuses on how criminals came into conflict with the law and how the law responded The process is described in detail from the common crimes of the day such as train robbery and cattle theft to the methods of apprehending criminals to their adjudication and punishment by incarceration flogging or hanging

Love Lessons from the Old West Chris Enss, 2014-01-14 From Calamity Jane's relentless pursuit of Wild Bill Hickok to Emma Walters who gave it all up for the dashing Bat Masterson and learned to regret it these romantic stories from the Old West are still familiar and entertaining to readers today Meet Agnes Lake Hickok the intrepid wife of Wild Bill Hickok and learn about the last love letter he sent before being dealt the dead man's hand Learn the story behind the charming performer Lotta Crabtree's heartaches And discover the tale of the dashing Kit Carson and his beautiful bride This collection features the lessons learned by and from the antics of the women who shaped the West *Ben Thompson* Thomas C. Bicknell, Chuck Parsons, 2018-08-15 Ben Thompson was a remarkable man and few Texans can claim to have crowded more excitement danger drama and tragedy into their lives than he did He was an Indian fighter Texas Ranger Confederate cavalryman mercenary for a foreign emperor hired gun for a railroad an elected lawman professional gambler and the victor of numerous gunfights As a leading member of the Wild West's sporting element Ben Thompson spent most of his life moving in the unsavory underbelly of the West saloons dance houses billiard halls bordellos and gambling dens During these travels many of the Wild West's most famous icons Wyatt Earp Doc Holliday Bat Masterson Wild Bill Hickok John Wesley Hardin John Ringo and Buffalo Bill Cody became acquainted with Ben Thompson Some of these men called him a friend others considered him a deadly enemy In life and in death no one ever doubted Ben Thompson's courage one Texas newspaperman asserted he was perfectly fearless a perfect lion in nature when aroused This willingness to trust his life to his expertise with a pistol placed Thompson prominently among the western frontier's most flamboyant breed of men gunfighters According to Kate Chris Enss, 2019-10-01 2020 Will Rogers Medallion Award Winner Western Biographies Doc Holliday's paramour Big Nose Kate could never get a publisher to give her the big bucks she demanded to tell the story of her life but that didn't mean she didn't collect material she wanted to use in a biography Over the fifty years Mary Kate Cummings alias Big Nose Kate traversed the West she saved letters from her family musings she had written about her love interests and life with the notorious John Henry Holliday Using rare never before published material Big Nose Kate stock piled in anticipation of writing the tale of her days on the Wild Frontier the definitive book about the famous soiled dove will finally be told Kate claims to have witnessed the Gunfight at the OK Corral and exchanged words with the likes of Wyatt Earp and Josephine Marcus There

s no doubt she embellished her adventures but that doesn't take away from their historical importance. She was a controversial figure in a rough and rowdy territory. What she witnessed, the lifestyle she led, and the influential western people she met are fascinating and represent a time period much romanticized. Principles of Posse Management Chris Enss, 2018-06-01. Principles of Posse Management tells the stories of the lawmen and leaders of the Old West who organized citizens in the pursuit of law and order. This collection of tales reveals what Wyatt Earp, Bat Masterson, and other legends of the old west knew about leadership with a clever twist on the classic shoot 'em up black hats vs white hats tale.
