European Union Foreign and Security Policy Roland Dannreuther, 2004-07-31 This book examines the degree to which the European Union has responded as a coherent and strategic actor towards the developmental and security needs of its immediate neighbourhood in the post Cold War era

Austria in the New Europe Gunter Bischof, Anton Pelinka, 2021-12-16 First published in 1993 Contemporary Austrian Studies CAS is an academic publication appealing to a broad intellectual audience and fostering a multiplicity of views and perspectives CAS s typical format features a number of essays on a special topic such as the impact of post Cold War geopolitical developments and European integration on Austria in this issue volume II will feature A First Assessment of the Kreisky Era volume III will deal with Austria in the 1950s Usually one or two non topical essays will complete the main part

European Security Bjørn Møller, 2016-04-22 Europe has undergone quite profound changes since the end of the Cold War Having been a highly militarised conflict ridden and war ridden region the core of Europe today constitutes a security community where armed conflicts among the constituent states has become inconceivable This comprehensive book offers a theoretically founded and thoroughly documented analysis of European security with a special emphasis on the role played by the United Nations and the various regional and sub regional organisations especially the North Atlantic Treaty Organisation the Organisation for Security and Cooperation in Europe the Council of Europe and the European Union When it comes to explaining peace in Europe opinions differ widely Some argue that it was only because the West refused to give in to Soviet threats that the latter eventually gave up or that the long peace in Europe was due to the combination of a bipolar alliance structure pitting the North Atlantic Treaty Organisation NATO against the Warsaw Pact with the presence of nuclear weapons on both sides Others point instead to the extraordinarily dense network of international institutions and organisations in Europe offering a wide panoply of fora in which to handle disputes peacefully or to the web of interdependence in economic and other affairs tying together all states in Europe in relations which militate strongly against war Still others believe that the external peace between the states in Europe is simply a reflection of a convergence of cultures democracies with marked economies that are open towards the world market These questions are the focal point of this book which concentrates on security albeit not in the sense of being a treatise on military matters but security obtainable by much more indirect and non military means It will be required reading for all students and scholars of European security and the organisations which underpin it

The New European Security Disorder S. Duke, 1994-10-07 The New European Security Disorder presents a clear and comprehensive overview of the

main actors institutions and changes in European security since the end of the Cold War Special emphasis is put on the assessment of threats to Europe s security the lack of coherent leadership in Bosnia and elsewhere and the need for pan European security institutions

The A to Z of NATO and Other International Security Organizations Marco Rimanelli,2009-09-14 The North Atlantic Treaty Organization NATO is a military alliance established by the signing of the North Atlantic Treaty on April 4 1949 The treaty was signed by Belgium the Netherlands Luxemburg France United Kingdom United States Canada Portugal Italy Norway Denmark and Iceland Today there are a total of 26 countries that belong to NATO The A to Z of NATO and Other International Security Organizations covers the Atlantic Alliance s origins structure and organization through a chronology an introductory essay a bibliography and over 1 000 cross referenced dictionary entries on its Secretaries Generals its Supreme Allied Commanders Europe plus all affiliated organizations created to enhance NATO s reach in a broader Euro Atlantic security architecture e g North Atlantic Consultative Council Euro Atlantic Partnership Council NATO Russia Charter NATO Ukraine Charter and NATO Mediterranean Dialogue Partners This book also covers other related regional organizations with security responsibilities in Europe and worldwide where they interact with NATO either currently e g ANZUS ASEAN European Union Organization of African Unity Organization of American States Organization on Security and Cooperation in Europe and United Nations or in the past e g CENTO European Defence Community SEATO Warsaw Pact and Western European Union

Detering Russia in Europe Nora Vanaga,Toms Rostoks,2018-09-21 This edited volume examines deterrence and the defense efforts of European states neighboring Russia following the Crimean intervention Deterrence after being largely absent from debates among academics and policy makers for almost a quarter of a century has made a comeback in Europe Since Russia s annexation of Crimea and the start of the military conflict in Ukraine s Donbass region eastern and northern European states have revised their assessments of Russia s policies and intentions The approach used by Russia in Ukraine has rendered lessons learned from the Cold War deterrence only partially applicable due to the changing security situation in Europe The emergence of the cyber realm a smaller emphasis on nuclear deterrence and the ideological conflict between Russia and the West are among the key differences between the Cold War and the current security environment Structured into two parts the first part discusses conceptual aspects of deterrence while the second discusses ten country case studies which include both NATO and non NATO countries This allows for an in depth analysis of the changing character of deterrence and its practical application by Russia s European neighbours This volume will be of much interest to students of strategic studies European politics Russian foreign policy security studies and international relations in general

The Federal Future of Europe Dusan Sidjanski,2000 The history current state and likely future of the European Union

North Atlantic Treaty Organization Phil Williams,2024-11-01 This volume consists of major books written in the English language on NATO as well as an extensive listing of journal articles that deal with various aspects of the Alliance All the major debates that have taken place over the

last forty years are discussed *The Future: Warfare, military forces and technology*, 1993 **NATO -- the 1990s**, 1993

The Diplomatic Record 1992/1993 Allan Goodman, 2019-05-28 The Diplomatic Record continues in its fourth year to offer the most comprehensive storehouse of current information available on international diplomatic relations including a look ahead to ongoing negotiations a chronology of diplomatic events for the year and a bibliography of current diplomacy related publications At the heart of every editi The security dimensions of EU enlargement David Brown, Alistair

Shepherd, 2021-06-15 The changing nature of security the enlargement of European institutions and the evolving functions of the EU have been key developments in post Cold War Europe This book blends these three crucial developments in a sophisticated and illuminating manner It assesses the impact of EU enlargement on both pre existing security arrangements and key relationships with the EU s new partners and neighbours It also investigates both hard and soft and internal and external security issues ranging from military intervention to terrorism and from organised crime to human rights From this it concludes that enlargement has both positive and negative implications for European security Completing the analysis this study examines the evolving security relationships with key states regions and international organisations in the EU s neighbourhood The examination of relations with Turkey Russia Ukraine the Greater Middle East and the Balkans provides a sense of the direction in which European security politics is moving **Parameters**, 1992 **The Routledge Handbook**

of European Security Sven Biscop, Richard G. Whitman, 2013 This new Handbook brings together key experts on European security from the academic and policy worlds to examine the European Union EU as an international security actor In the two decades since the end of the Cold War the EU has gradually emerged as an autonomous actor in the field of security aiming to safeguard European security by improving global security However the EU s development as a security actor has certainly not remained uncontested either by academics or by policy makers some of whom see the rise of the EU as a threat to their national and or transatlantic policy outlook While the focus of this volume is on the politico military dimension security will also be put into the context of the holistic approach advocated by the EU The book is organised into four key sections Part I The EU as an International Security Actor Part II Institutions Instruments and Means Part III Policies Part IV Partners This Handbook will be essential reading for all students of European Security the EU European Politics security studies and IR in general **The Iraqi Aggression Against Kuwait** Wolfgang F. Danspeckgruber, Charles

Tripp, 2019-07-11 The war for the liberation of Kuwait following the Iraqi invasion in 1990 rekindled the international community s geopolitical interest in the Gulf and helped define a new regional order This book analyzes the political strategic and economic dimensions of the second Gulf War with particular focus on military aspects An international roster of experts treats issues of strategy weapons technology arms transfers and the impact on the Arab state system Of special interest is the exploration of the implications of the war for Japan Germany Russia and Europe **The Global Reach of EU Law**

Elaine Fahey, 2016-08-25 The EU strives to be a leading rule making organisation with global reach in both economic and non

economic fields But how should we understand the science behind this This book focuses upon unpacking the uncertainty the form and directions of the global reach of EU law as a distinctive form of post national rule making The work examines two central themes the conceptual development of the global reach and effects of EU law and the methodology of EU rule making processes It considers what specific impact and effects the EU s rules are having and its approach to global reach The book studies the EU s Area of Freedom Security and Justice AFSJ as a case of a non economic field offering examples of ways and means in which the global reach of EU law can manifest itself in an evolving and sensitive field Using this casestudy the book develops a sharper focus upon the internal and external elements of EU law which make up our understanding of the global reach of EU law and develops further why global reach is important as a scientific phenomenon The book will be a valuable resource for researchers and students in the areas of EU law global governance and the study of law beyond the nation state

Annuaire européen. 40.1992(1994) Euye,1994-07-27 The European Yearbook promotes the scientific study of European organisations and the Organisation for Economic Co operation and Development Each volume contains a detailed survey of the history structure and yearly activities of each organisation and an up to date chart providing a clear overview of the member states of each organisation In addition a number of articles on topics of general interest are included in each volume A general index by subject and name and a cumulative index of all the articles which have appeared in the Yearbook are included in every volume and provide direct access to the Yearbook s subject matter Each volume contains a comprehensive bibliography covering the year s relevant publications This is an indispensable work of reference for anyone dealing with the European institutions *The Mediterranean Dimension of the European Union's Internal Security* S. Wolff,2012-09-27 EU internal security concerns such as migration police and judicial cooperation are today part of EU foreign policy This book shows how those concerns dominate the EU agenda towards Mediterranean countries Adopting a rational choice institutionalist approach it explores EU policy and the strategic choices made after the 2011 Arab revolts
