The Warsaw Ghetto in American Art and Culture Samantha Baskind, 2018-02-15 On the eve of Passover April 19 1943 Jews in the Warsaw Ghetto staged a now legendary revolt against their Nazi oppressors Since that day the deprivation and despair of life in the ghetto and the dramatic uprising of its inhabitants have captured the American cultural imagination The Warsaw Ghetto in American Art and Culture looks at how this place and its story have been remembered in fine art film television radio theater fiction poetry and comics Samantha Baskind explores seventy years worth of artistic representations of the ghetto and revolt to understand why they became and remain touchstones in the American mind Her study includes iconic works such as Leon Uris's best selling novel *Mila 18* Roman Polanski's Academy Award winning film *The Pianist* and Rod Serling's teleplay *In the Presence of Mine Enemies* as well as accounts in the *American Jewish Yearbook* and the *New York Times* the art of Samuel Bak and Arthur Szyk and the poetry of Yala Korwin and Charles Reznikoff In probing these works Baskind pursues key questions of Jewish identity What links artistic representations of the ghetto to the Jewish diaspora How is art politicized or depoliticized Why have Americans made such a strong cultural claim on the uprising Vibrantly illustrated and vividly told *The Warsaw Ghetto in American Art and Culture* shows the importance of the ghetto as a site of memory and creative struggle

and reveals how this seminal event and locale served as a staging ground for the forging of Jewish American identity

**Dance Between Two Cultures** William Luis, 2001 Offers insights on Latino Caribbean writers born or raised in the United States who are at the vanguard of a literary movement that has captured both critical and popular interest In this groundbreaking study William Luis analyzes the most salient and representative narrative and poetic works of the newest literary movement to emerge in Spanish American and U S literatures The book is divided into three sections each focused on representative Puerto Rican American Cuban American and Dominican American authors Luis traces the writers origins and influences from the nineteenth century to the present focusing especially on the contemporary works of Oscar Hijuelos Julia Alvarez Cristina Garcia and Piri Thomas among others While engaging in close readings of the texts Luis places them in a broader social historical political and racial perspective to expose the tension between text and context As a group Latino Caribbeans write an ethnic literature in English that is born of their struggle to forge an identity separate from both the influences of their parents culture and those of the United States For these writers their parents country of origin is a distant memory They have developed a culture of resistance and a language that mediates between their parents identity and the culture that they themselves live in Latino Caribbeans are engaged in a metaphorical dance with Anglo Americans as the dominant culture Just as that dance represents a coming together of separate influences to make a unique art form so do both Hispanic and North American cultures combine to bring a new literature into being This new body of literature helps us to understand not only the adjustments Latino Caribbean cultures have had to make within the larger U S environment but also how the dominant culture has been affected by their presence *A Companion to US Latino Literatures* Carlota Caulfield, Darién J. Davis, 2007 A panorama of literature by Latinos whether born or resident in the United States
