Schubach,2018-05-08 Emily Monroe may be a lot of things but one thing is for sure she is NOT the Chosen One Emily is a normal girl working at Big Burger who has the unfortunate luck to look exactly like Big City s superhero darling the Chosen One It has been the bane of her existence as it disrupts her life and those around her when super villains come knocking wanting to prove their mettle by fighting the Chosen One Nobody listens when she insists she isn t who they think she is With common sense and years of rage built up inside she usually serves their butts to them on a platter asking Did you want fries with that No cape required

Remembrance Man Nicholas Kinsey,2023-10-27 August 1832 St Francis Western Ontario A two wheel buggy rolled across the long grassy prairie near a large manor house A man in a buckskin coat spied a young woman in a bonnet and a dirty white apron picking beans in the vegetable garden on the other side of the hedgerow He stopped the buggy and stepped down carefully picking up a baby boy wrapped in a blue blanket He slipped through the hedgerow with the child under his arm and laid him down gently in a row of cabbages He kissed the child s forehead and wiped away his tears before returning to the buggy With her back to the road Gerty never noticed the man and the buggy disappearing in the distance As she collected her basket of green beans for the return to the manor house she spotted the child in the row of cabbages She went over and peered down at the boy with his pale bluish complexion His eyes lit up at the sight of her and Gerty asked What are you doing here little man From the bestselling author of *Playing Rudolf Hess* An Absolute Secret *Shipwrecked Lives* and *White Slaves* comes this extraordinary novel about a cholera epidemic in Western Ontario In 1832 a young Italian gravedigger watches over selected graves at night for signs of the undead when he discovers a young woman buried alive and is drawn into a terrifying story of revenge and insanity This is a tale of murder greed and deceit and the breakdown of society on the prairie frontier Family members turn against family members friends against friends and soon everyone is out for themselves AN UNFORGETTABLE TALE OF FEAR AND DESPAIR DURING A CHOLERA EPIDEMIC Cholera had many nicknames King Cholera and the Blue Death due to the bluish pallor of its victims It caused more deaths than any other disease in the 19th century People were deathly afraid of cholera and fear spread faster than the disease itself Cholera victims were simply abandoned on the roads and wagons were sent around to collect the bodies and bury them in cholera pits During those dark days stories spread about reopening coffins in which the dead had apparently revived after burial only to die in a futile attempt to escape No one wanted to bury a loved one who might still be alive which led to the habit of keeping corpses around so that the families could be sure the person had really died Reader reviews A great read Ainsley MacLellan CBC Radio Producer All in a Weekend *Remembrance Man* will give you history suspense and a fast moving tale all in one book A reader cannot ask for more than that BookSirens Just finished reading *Remembrance Man* and I was completely blown away by this compelling and extraordinarily crafted fictional novel The author skillfully draws upon historical facts surrounding the worldwide cholera epidemic in the mid nineteenth century to create a thrilling and intense crime story the kind that gets under your skin and stirs your whole being There isn t a dull moment throughout the

book Vivienne Gaudet Quebec I really enjoyed the book It was informative as well as entertaining I was invested in the story and in the fate of the Remembrance Man Paolo and his love interest Emily Also because of the way the author wrote about additional characters I was in it for them too Even with several characters mentioned throughout the book they were easy to keep up with This was a can't put down book for me and I finished it quickly If you enjoy historical fiction a twinge of romance and some mystery and justice pick up this book and give it a read BookSirens Remembrance Man is a gripping novel that explores the aftermath of the cholera epidemic in Western Ontario in 1832 The story takes place against the backdrop of the Canadian prairie vividly portraying the suffering of victims and the bleakness of the blue plague days BookSirens
