**Emperors of the Twilight** S. Andrew Swann, 1994 The sequel to *Forests of the Night* hard hitting near future science fiction certain to appeal to fans of *Total Recall* and *Terminator* She was a top Agency operative bioengineered for survival against impossible odds But now someone had targeted her for termination at any cost

**The Emperors and Empresses of Russia** Donald J. Raleigh, A.A. Iskenderov, 2015-02-24 Since glasnost began Russia's most eminent historians have taken advantage of new archival access and the end of censorship and conformity to reassess and reinterpret their history Through this process they are linking up with Russia's great historiographic tradition while producing work that is fresh and modern In *The Emperors and Empresses of Russia* renowned Russian historians tell the story of the Romanovs as complex individual personalities and as key institutional actors in Russian history from the empire builder Peter I to the last tsar Nicholas II These portraits are contributions to the writing of history partaking neither of wooden ideologisation nor of naive romanticisation

**The Moreau Quartet: Volume Two** S. Andrew Swann, 2015-10-06 It's 2053 and the US has long since genetically engineered life successfully Moreau's humanoid and animal hybrids and Frankenstein's genetically manipulated humans live as second class citizens *The Moreau Quartet Volume Two* brings together two of S. Andrew Swann's novels set in the Moreau universe In *Emperors of the Twilight* Evi is a Frankenstein the next step beyond human her physiology bioengineered to make her the best Agency special operative in the business When she's forced to go on the run from an unidentified hit team ready to destroy a skyscraper just to take her out Evi's only hope is to evade her stalkers long enough to make contact with her superiors But she soon discovers that even the Agency may not be able to save her In *Specters of the Dawn* A Moreau of rabbit stock Angel Lopez is the last survivor of a Cleveland street gang A tough street fighter in search of a haven she's come to tolerant San Francisco only to find that even the old fashioned kind of humans aren't keen on Moreau's Still she thinks she's found a home and safety until Byron the fox barges into her life dragging her into the deadly underground of information peddling and a series of confrontations that may blow not just San Francisco but the whole planet wide open

*Journeys with Emperors* Gerald L. Kooyman, Jim Mastro, 2023-11-29 With stunning photographs from the ice edge this firsthand account of a researcher's time in Antarctica and of the perilous journeys of the world's largest penguin species the iconic emperor Nearly all emperor penguin colonies are extremely remote of the sixty six known fewer than thirty have been visited by humans and even fewer have been the subject of successful research programs One of the largest known emperor penguin colonies is found on a narrow band of sea ice attached to the Antarctic continent In *Journeys with Emperors* Gerald L. Kooyman and Jim Mastro take us to this far flung colony in the Ross Sea revealing how scientists gained

access to it and what they learned while living among the penguins as they raised their chicks The Ross Sea colony is close to the ice edge which spares the penguins the long energy draining march for which other colonies are well known But life at this colony is not without movement The proximity of the ice edge to the birds allowed researchers to observe the penguins as they came and went on their foraging journeys including their interactions with leopard seals and killer whales What the scientists witnessed revealed important aspects of emperor penguin behavior and physiology For instance they discovered that in the course of hunting for food some of the penguins dive to depths of greater than five hundred meters a third of a mile deeper than any other diving bird And crucially most of the emperor s life is actually spent at sea with fledged chicks and adults making separate perilous journeys across icy water to mature or to feed before they must fast while they molt When chick nurturing is complete the fledglings abandon the colony in large groups heading north to the Southern Ocean The adults leave at the same time traveling one thousand kilometers eastward across the Ross Sea to a sea ice sanctuary for molting During this journey they must gain enough weight to survive the month long molt when every feather is replaced and the birds cannot enter the water to feed After the molt many if not most return to the colony to breed once again For the males this means another fast this time for 120 days as they incubate their eggs Featuring original color photographs and complemented with online videos Journeys with Emperors is both an eye opening overview of the emperor penguin s life and a thrilling tale of scientific discovery in one of the most remote harsh and beautiful places on Earth     *The Emperors of Modern Japan* Ben-Ami Shillony,2008 The book offers a fascinating picture of the four emperors of modern Japan their institution their personalities and their impact on the history of their country Leading scholars from Japan and other countries have contributed essays which treat this subject from various angles     *Lord of Emperors* Guy Gavriel Kay,2010-10-05 Guy Gavriel Kay multiple award winning author of *The Fionavar Tapestry* and *Sailing to Sarantium* completes his magnificent tale of an alternate Byzantine world In the golden city of Sarantium a renowned mosaicist seeks to fill his artistic ambitions and his destiny high upon a dome intended to be the emperor s enduring sanctuary and legacy The beauty and solitude of Crispin s work cannot protect him from the dangerous intrigues of court and city swirling with rumors of war and conspiracy while otherworldly fires mysteriously flicker and disappear in the streets at night The emperor is plotting a conquest of Crispin s homeland to regain an empire And with his fate entwined with that of his royal benefactor Crispin s loyalties come with a very high price And another voyager has come to the imperial city Rustem of Kerakek a physician from an eastern desert kingdom determined to find his own fate amid the shifting treacherous currents of passion and violence that define Sarantium     *Jehol, City of Emperors* Sven Hedin,2000     *Insane Emperors, Sunken Cities, and Earthquake Machines* Garrett Ryan,2023-10-03 Did the ancient Greeks and Romans have conspiracy theories Did they come close to an industrial revolution Did they drink beer In a series of fast paced essays *Insane Emperors Sunken Cities and Earthquake Machines* answers 40 questions that ancient historian Garrett Ryan has been asked in the classroom and through his popular

YouTube channel ToldinStone As in Dr Ryan s previous book Naked Statues Fat Gladiators and War Elephants the emphasis is on the fascinating details of daily life in the classical world Discover the answers to Did the ancient Greeks and Romans have tattoos Did they practice Buddhism Did they know when the Pyramids were built Did a tsunami inspire the Story of Atlantis How deadly was the eruption that destroyed Pompeii What was it like to live through the fall of the Roman Empire Why are ancient cities buried What happened to the treasures of the Roman emperors How much was lost when the Library of Alexandria burned

**Dynastic China** Tan Koon San, 2014-08-15 Dynastic China An Elementary History surveys four millennia of China s history It traced commentaries from the mythological period of Pangu creator of the Chinese universe and the Goddess Nuwa creator of the Chinese people through to the legendary periods of the Xia Shang and Zhou dynasties to subsequent succeeding dynasties from the Qin Dynasty 221 BC to the end of the Qing Dynasty 1912 AD It weaved through brutal political intrigues and conspiracies of China s imperial existence The persistent entronement of child emperors for the benefits of power hungry eunuchs dowagers members of the imperial clans generals and warlords formed a large part of the narrative Encrypted within are salient elements of Chinese philosophical precepts civilisation values and political ideals The core concepts that mould the idea of tian xia all under heaven and tian ming Mandate of Heaven and how these guided Chinese perception of their world are painstakingly explained The profound influence of Confucianism and the functional adoption of the Legalist framework in statecraft are imparted in the context of practicality and idealism So too is the complementary notion of natural dualities the Yin Yang harmony of contradictions How these filtered through from philosophy to cultural values are deftly introduced Imperial obsessions with frontier threats are also incisively presented So are the diplomatic statecraft of matrimonial kinship tributary exchanges and military engagements adopted to conduct relations China s perception of people in the frontier region are insightfully described The application of the Chinese character yi to refer to them it seems carries a more gracious nuance to mean of a distinct or different nature and not the offensive attribution of barbarian as made out in western notion This and many more distinctions in discernment of the Chinese mindset are perceptively elucidated in the book

Emperors and Usurpers in the Later Roman Empire Adrastos Omissi, 2018 One of the great maxims of history is that it is written by the victors and nowhere does this find greater support than in the later Roman Empire Between 284 and 395 AD no fewer than 37 men claimed imperial power though today we recognize barely half of these men as legitimate rulers and more than two thirds died at their subjects hands Once established in power a new ruler needed to publicly legitimate himself and to discredit his predecessor overt criticism of the new regime became high treason with historians supressing their accounts for fear of reprisals and the very names of defeated emperors chiselled from public inscriptions and deleted from official records In a period of such chaos how can we ever hope to record in any fair or objective way the history of the Roman state Emperors and Usurpers in the Later Roman Empire is the first history of civil war in the later Roman Empire to be written in English and aims to address this question by

focusing on the various ways in which successive imperial dynasties attempted to legitimate themselves and to counter the threat of almost perpetual internal challenge to their rule Panegyric in particular emerges as a crucial tool for understanding the rapidly changing political world of the third and fourth centuries providing direct evidence of how in the wake of civil wars emperors attempted to publish their legitimacy and to delegitimize their enemies The ceremony and oratory surrounding imperial courts too was of great significance used aggressively to dramatize and constantly recall the events of recent civil wars the narratives produced by the court in this context also went on to have enormous influence on the messages and narratives found within contemporary historical texts In its exploration of the ways in which successive imperial courts sought to communicate with their subjects this volume offers a thoroughly original reworking of late Roman domestic politics and demonstrates not only how history could be erased rewritten and repurposed but also how civil war and indeed usurpation became endemic to the later Empire

*Legionary IX: The Emperor's Shield* Gordon Doherty, 2023-02-16 Easier to split the sky than part a soldier from his blade 386 AD The Eastern Roman Empire faces a trident of threats The Gothic truce grows unstable The standoff with Persia escalates And the ambitions of the usurper on the Western throne grow dangerously unchecked Pavo a broken veteran of the legions cares for none of these things His life is one of pastoral seclusion on his Thracian farm A life of love of peace His wife and young son are his world Still every so often things seen and done in his old life haunt him like a cold and unwelcome breeze But that is all they are echoes of the past until the past rises like a shade to rip his world and the Roman

Empire apart \_\_\_\_\_ Praise for Legionary The Emperor's Shield Doherty once again proves himself a master of Roman fiction His ability to weave detailed knowledge of the Roman world into a rip roaring adventure is second to none This novel is authentic enthralling and a must read for anyone in search of swords adventure or just to be transported to the ancient world Peter Gibbons author of the hit Viking Blood and Blade series winner of the 2022 Kindle Storyteller Award I loved this book You are gripped from the moment you begin to read Intrigue and treachery ooze from every word of the prologue guaranteeing that you will read on An epic story of life in a decaying and self destructive empire I can highly recommend the latest book from a master of his craft Griff Hosker author of over 150 bestselling historical novels A page turning adventure in a meticulously detailed world with a likeable hero in the weary ex legionary Pavo entwined once more reluctantly in the tangled and bloody politics of the late fourth century Roman Empire and the machinations of a mysterious saboteur Damion Hunter bestselling author of Roman fiction including Shadow of the Eagle The novel is thick with adventure intrigue and high drama Doherty is a skillful author who draws the reader in with the force of his vision Historical Novel Society I've found my book of 2023 I don't think you'll find any better storyteller out there David's Book Blurg What an adventure Pavo is the perfect protagonist and Gordon Doherty is one of the best storytellers around History the Interesting Bits Action packed assured thrilling WhatCathyReadNext

**The Emperor's Four Treasuries** R. Kent Guy, 2020-03-17 The compilation of the Complete Library of the Four Treasuries Ssu k u ch an shu was one of the most ambitious intellectual projects of the Ch'ing dynasty Initiated by imperial command in 1772 the project sought to evaluate edit and reproduce the finest Chinese writings in the four traditional categories Confucian classics histories philosophy and belles lettres The final products created over a twenty two year period were an annotated catalog of some ten thousand titles and seven new manuscript libraries of nearly thirty six hundred titles The project had its darker side as well for together with the evaluation of books there developed a campaign of censorship and proscription Guy's study gives a balanced account of the project and its significance Dozens of celebrated Chinese scholars willingly participated in the project though it was sponsored by the Manchu emperor and Guy explains their reasons for doing so He also reconsiders the issue of censorship arguing that it grew as much from tensions and jealousies within the intellectual elite as from imperial command Guy's work will be useful to all those interested in the relationship between intellectuals and the state in late imperial China
