Empty Diaries:

Empty Diaries Robert Sheppard, 1998 Poetry a glorious and energetic flow of cut up shifting perspectives Thoroughly different thoroughly enjoyable Bypass EMPTY DIARIES is an important part of Sheppard s long project TWENTIETH CENTURY BLUES It provides an alternative history of the century largely through the device of a succession of female narrators each of whom knows she is narrated by a man Robert Sheppard s essays and articles have appeared in the TLS New Statesman and other journals He is currently Senior Lecturer in English and Writing Studies at Edge Hill University College in Lancashire England *The Duchess Diaries* Jillian Hunter, 2012-02-07 As headmistress of the Scarfield Academy for Young Ladies Miss Charlotte Boscastle is tasked with keeping her charges free from notoriety But when Charlotte s diary goes missing she can t imagine having her most intimate secrets fall into the wrong hands Although the confessions in the diary he found spark his interest the Duke of Wynfield has every intention of returning the journal But when Gideon s encounter with Charlotte takes on an unexpectedly passionate nature his indiscretion causes a scandal that only marriage can cure *Shanghai Diary* Ursula Bacon, 2008-09-30 By the late 1930s Europe sat on the brink of a world war As the holocaust approached many Jewish families in Germany fled to one of the only open port available to them Shanghai Once called the armpit of the world Shanghai ultimately served as the last resort for tens of thousands of Jews desperate to escape Hitler s Final Solution Against this backdrop 11 year old Ursula Bacon and her family made the difficult 8 000 mile voyage to Shanghai with its promise of safety But instead of a storybook China they found overcrowded streets teeming with peddlers beggars opium dens and prostitutes Amid these abysmal conditions Ursula learned of her own resourcefulness and found within herself the fierce determination to survive *The Deshima Diaries* , 2021-10-25 English translation of the marginalia or marginal notes that were added to the text of the Deshima Diaries from the 1670 s onwards in order to provide the Dutch chief of Deshima with a quick reference to the notes of his predecessors This volume covers the marginalia from the 1740 4800 diaries Providing the general public and especially those who have neither a command of Dutch nor of Japanese access to a fascinating period of Japanese history in which the Dutch played such a singular role At the same time the serious scholar wil obtain an easy key to the extremely rich holdings of the archive of the Deshima trading factory which covers a shelf length of more than forty meters in the National Archives in the Netherlands but which has been only rarely utilized by historians Japanologists or other scholars In the 1740s the Dutch East India Company VOC was in many ways at the height of its power The second half of the 18th century saw the decline of the Company from being the high and mighty and only trading company which covered from its base in Batavia Jakarta all of Asia with a network that stretched from Basra in Persia to Nagasaki in Japan to becoming a mere shadow of its former self with only a tenuous hold on a few possessions in the Indonesian archipelago By the end of the century it had lost its establishments in South Africa India and Ceylon to the British and its fleet was gone However as a trading company it was dead but as a proto colonial producer it was actually doing quite
