Jennifer Phegley

Fallen Angel Chastity Class And Womens Reading 1835 188:

The Fallen Angel Sally Mitchell,1981 Discusses the figure of the unchaste woman in a wide range of fiction written between 1835 and 1880 including serious novels by Dickens Mrs Gaskell and George Eliot popular novels that provided light reading for middle class women sensational fiction propaganda for social reform and stories in cheap periodicals which reached a different and far wider audience than either serious or popular novels During these years some women were struggling to become women instead of the angels of purity that sentimental morality had made of them The sexual woman the whore the mistress the runaway wife the seduced or fallen innocent all attracted a cluster of ideas about the differences between women and men about the power structure in sexual relationships and about women s place in the social and moral world In considering these topics this book traces women and illuminates differences in the fiction writer for different social classes Publisher description

Precocious Children and Childish Adults Claudia Nelson,2012-07-02 Especially evident in Victorian era writings is a rhetorical tendency to liken adults to children and children to adults Claudia Nelson examines this literary phenomenon and explores the ways in which writers discussed the child adult relationship during this period Though far from ubiquitous the terms child woman child man and old fashioned child appear often enough in Victorian writings to prompt critical questions about the motivations and meanings of such generational border crossings Nelson carefully considers the use of these terms and connects invocations of age inversion to developments in post Darwinian scientific thinking and attitudes about gender roles social class sexuality power and economic mobility She brilliantly analyzes canonical works of Charles Dickens Charlotte Bront William Makepeace Thackeray Bram Stoker and Robert Louis Stevenson alongside lesser known writings to demonstrate the diversity of literary age inversion and its profound influence on Victorian culture By considering the full context of Victorian age inversion **Precocious Children and Childish Adults** illuminates the complicated pattern of anxiety and desire that creates such ambiguity in the writings of the time Scholars of Victorian literature and culture as well as readers interested in children s literature childhood studies and gender studies will welcome this excellent work from a major figure in the field

The Reading Lesson Patrick Brantlinger,1998-12-22 Brantlinger s writing is admirably lucid his knowledge impressive and his thesis a welcome reminder of the class bias that so often accompanies denunciations of popular fiction Publishers Weekly Brantlinger is adept at discussing both the fiction itself and the social environment in which that fiction was produced and disseminated He brings to his study a thorough knowledge of traditional and contemporary scholarship which results in an important scholarly book on Victorian fiction and its production Choice Timely scrupulously researched thoroughly enlightening and steadily readable A work of agenda setting historical scholarship Garrett Stewart Fear of mass literacy stalks the pages of Patrick Brantlinger s latest book Its central plot involves the many ways in which novels and novel reading were viewed especially by novelists themselves as both causes and symptoms of rotting minds and moral decay among nineteenth century readers

Courtship and Marriage

in Victorian England Jennifer Phegley, 2011-11-15 This book examines the popular publications of the Victorian period illuminating the intricacies of courtship and marriage from the differing perspectives of the working middle and upper classes In contemporary culture the near obsessive pursuit of love and monogamous bliss is considered normal as evidenced by a wide range of online dating sites television shows such as Sex in the City and The Bachelorette and an endless stream of Hollywood romantic comedies Ironically when it comes to love and marriage we still wrestle with many of the same emotional and social challenges as our 19th century predecessors did over 100 years ago Courtship and Marriage in Victorian England draws on little known conduct books letter writing manuals domestic guidebooks periodical articles letters and novels to reveal what the period equivalents of dating and tying the knot were like in the Victorian era By addressing topics such as the etiquette of introductions and home visits the roles of parents and chaperones the events of the London season model love letters and the specific challenges facing domestic servants seeking spouses author Jennifer Phegley provides a fascinating examination of British courtship and marriage rituals among the working middle and upper classes from the 1830s to the 1910s

New Perspectives on Mary Elizabeth Braddon, 2015-06-29 Mary Elizabeth Braddon one of the most prolific authors of the Victorian period remains best known for her sensation fiction but over the course of a long career contributed to a multitude of literary genres working as a journalist short story writer and editor as well as authoring more than eighty novels This exciting new collection of essays reappraises Braddon s work and offers a series of new perspectives on her literary productions The volume is divided into two parts the first considers Braddon s seminal sensation novel Lady Audley s Secret the second examines some of her lesser known fiction including her first published novel The Trail of the Serpent as well as some of her twentieth century fiction The first collection of essays on Braddon to appear since 1999 this volume sheds new light on the Queen of the circulating libraries

Suscribing to Faith? The Anglican Parish Magazine 1859-1929 Jane Platt, 2016-01-12 This book reveals the huge sales and propagandist potential of Anglican parish magazines while demonstrating the Anglican Church s misunderstanding of the real issues at its heart and its collective collapse of confidence as it contemplated social change
