Fallen Land:

Contested Terrain Keith Wilhite, 2022-12 Drawing on a body of literature published between 1945 and 2016 Contested Terrain proposes a more expansive treatment of suburban fiction as a discourse that operates within national and transnational geographies Wilhite argues that the suburbs and suburban narratives reflect the latest perhaps final outpost in the tradition of U S regionalism Although he may be accused of simply substituting one outmoded methodology for another such a critique depends on misreading regionalism as either a sub literary genre or as Roberto Dainotto suggests a pernicious political ideology that opposes modernity and suppresses difference in the naive pursuit of grounded rooted natural authentic values shared by a true community In opposition to such withering appraisals Contested Terrain demonstrates that as both a literary discourse and a mode of geopolitical analysis regionalism clarifies the fraught relationship between isolationism and imperialism that has shaped U S residential geography and in turn helps us rethink the role literary texts play in the postwar project of suburban nation building **Fallen Land** Taylor Brown, 2016-01-12 Set in the final year of the Civil War as a young couple on horseback flees a dangerous band of marauders who seek a bounty reward Callum a seasoned horse thief at fifteen years old came to America from his native Ireland as an orphan Ava her father and brother lost to the war hides in her crumbling home until Callum determines to rescue her from the bands of hungry soldiers pillaging the land leaving destruction in their wake Ava and Callum have only each other in the world and their remarkable horse Reiver who carries them through the destruction that is the South Pursued relentlessly by a murderous slave hunter tracking dogs and ruthless ex partisan rangers the couple race through a beautiful but ruined land surviving on food they glean from abandoned farms and the occasional kindness of strangers In the end as they intersect with the scorching destruction of Sherman s March the couple seek a safe haven where they can make a home and begin to rebuild their lives **Parliamentary Debates.
