longer coincided with God's point of view. For example, Satan was now able to lie. God will never lie. Numbers 23:19. There is much written about Satan, his fallen angels, the fallen angels' offspring, and the demonic forces he controls. With scripture as our anchor, we will explore Apocryphal books, legends across the globe, and archeological records to confirm what the Bible says about Satan. Even the unspoken record found in the names of stars, The zodiac, and decan constellations have much to reveal about this enemy of God and man. Find out what Satan does not want you to know.

The Fallen Aeneid Corey McCullough, A shadowed past. An ancient secret. And an unspeakable betrayal. Having chosen to leave his life on Earth behind, possibly forever, Justin Holmes returns to the realm of the Oikoumene to take up his sword in the war against the demons, a war that is far more complex and far reaching than he or his allies ever could have anticipated. While his friends are pulled deeper into diverging conflicts by the enemy's increasingly elaborate attacks, Justin faces his greatest struggle yet: a battle against the darkness within himself. Yet still unbeknownst to him is the terrible cost of traveling between worlds. Will Justin take up his sword again in the fight against evil, or has the enemy already won?

B The Fallen Odyssey Corey McCullough, Worst Chosen One. Ever. Darkness spreads across the land. A Dark Lord rises in the east. And a prophesied hero appears who will save the world. There's just one problem: The Chosen One is a teenager from Earth with no powers, no skills, and no idea what he's doing. When seventeen-year-old Justin Holmes storms out of the house after an argument with his father in small town America, he wakes up in a strange, fantastic world where he is recruited by a mysterious old hermit and a legendary mercenary to rescue a kidnapped princess. Pretty standard as far as fantasy adventures go. Only after rescuing the princess does Justin discover that she wasn't kidnapped at all. She was under arrest for the murder of her entire family. And Justin just became her accomplice. But Justin isn't just lost in this world. His allies believe he was sent here. He is the Chosen One, the hero that will save all humanity from a Dark Lord leading a host of demon armies. Not only is Justin underqualified for this task, but he wasn't even doing all that great in his old life either. Forced to flee into the wilderness to escape their pursuers, Justin and his allies encounter dark, monstrous forces wielding otherworldly power. All Justin wants is to find a way back to his ordinary life, but he is farther than ever from discovering how he arrived in this strange realm. Will he ever see home again? Is he really the Chosen One, or is it all just a case of mistaken identity? Can he find it within himself to rise to the challenge and be a hero anyway?

The Fallen Odyssey is the classic Chosen One trope with a twist. Set in an Ancient Greek-inspired fantasy world of swords, shields, magic, and monsters, this epic fantasy adventure is perfect for young adults and teens. Book 1 of the 5-book *Fallen Odyssey* series.
