Falling Through the Cracks Daniel West,2020-10-30 Every year there are over 250 000 deaths from medical errors in the US But there is no tally on the number of patients who lose their quality of life from care designed to protect the hospital from liability not help the patients The legal risks associated with caring for patients means that any patient can easily become crippled because of gaping flaws in the US healthcare system Did you know just 24 hours in a hospital bed can leave a vulnerable patient struggling to walk Yet patients admitted to hospital stay in bed all day Why It is not because of illness It is about business Healthcare is less about keeping patients healthy as it is about taking away the responsibility for people to remain healthy to make a profit Do you know the early warning signs that show a patient will fail rehab and never recover functionally from hospitalization In his 30 years of practice at over 70 facilities Daniel West has seen patients from 25 to 93 unintentionally have their quality of life destroyed because the medical system is more focused on avoiding lawsuits than it is on maintaining quality lives of patients Would you know where the risks are Daniel West has restored mobility to hundreds of patients that doctors have written off He has also seen mistakes in medical judgement that have destroyed lives The stories contained in this book will open your eyes to what goes on behind the scenes of a hospital or rehab facility The healthcare system may keep patients breathing But the decreased quality of life these patients can have because of their decline in mobility is of importance to no one but the patients Any person with an aging parent or grandparent needs to read this book At some stage Daniel guarantees a member of your family will need hospital care Learn to know what to look for and what questions to ask to make sure your family members do not fall through the cracks Being informed will always be the best medicine The American Heritage Guide to Contemporary Usage and Style Houghton Mifflin Company,2005 Survey of English usage grammar and style offering guidance on almost any writing problem imaginable Rideshare by Robert: Every Ride's a Short Story Bob Reilly,2022-11-10 Rideshare by Robert Every Rides a Short Story is a collection of journalistic short story essays describing an amazingly wild life transforming journey The stories capture life on the road before during and after the Covid 19 Global Pandemic The author shares his 7 year experiences from over 25 000 rides Wild witty moving edgy revealing and healing the book will put you right inside the vehicle as real life unfolds Random and unexpected Addictive and poignant You will not want to put this book down Written for people from all walks of life All nations and tribes Veteran rideshare riders and drivers and people who are learning what rideshare is for the first time If you are a human living on planet earth alive and ready for a unique ride then jump in You will not be disappointed and hopefully you will be entertained and have a few good laughs tears or questions All good as they say All are very human Humanity is the central theme and heartbeat of this book It s about all of us So let s get rolling no time to waste Welcome to Rideshare by Robert A place where anything can happen and usually does **A Dictionary of Confusable Phrases** Yuri Dolgoplov,2016-02-01 Covering over 10 000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not
