False Doctrine And The Wrath Of God:

False Doctrine and the Wrath of God Christopher Ricci, 2004-03 Christopher's father died just after his seventh birthday. This profoundly affected him and forever altered his life. He has been searching for religious Truth ever since. After graduating from high school, he began traveling extensively and has met many different people from all walks of life and religious denominations. Over the years, he has encountered numerous inconsistencies and misconceptions about Christianity. But three prevailing concepts really stood out and concerned him due to the risks inherent within them. They are antinomianism, the pretribulation rapture, and the millennium. Antinomianism is the belief that Christians are saved by faith and grace alone and they will not be held accountable for their actions no matter what they do. This is misleading and could cause laziness, spiritual complacency, and self-righteousness. The rapture concept teaches that Christians will be exempt from tribulation. This propagates false hope. Christians always have been and always will be subjected to trials and tribulation. The millennium teaches that Jesus will return and personally initiate a thousand-year reign upon earth. This is dangerous with respect to the emergence of false Christs. This book exposes the embedded error of these ideas and effectively portrays the dangers associated with them.

Sin and Redemption Robert B. Callahan, 2011-09-14 The genius of Paul is evident in chapter 2 of his Letter to the Ephesians. However, more importantly, two truths are revealed through a closer examination of his presentation. First is the realization that Paul listens, contemplates, and abides by the words of his Savior and ours in presenting the truths revealed to him. This was the result of Paul relinquishing the mantle of self-centeredness and replacing it with the crown of Christ-centeredness. This became his guiding light through the tests, trials, and tribulations of walking with Jesus. Second, there is the recognition of Paul's love for and commitment to professing Christians, whether they be babes in the faith, adolescents, or maturing adults. He realized they had been or would be confronted by the desires of the flesh and of the mind during their life's journey. He wanted them to know the living Christ. This chapter is pivotal to understanding God's mercy and grace as well as our need for His spiritual blessings. When we accept the Lord Jesus' invitation to follow Him in His commands and teachings, we will know the joy of a right relationship with the glorious Father, reconciliation through Christ, praying through the Holy Spirit, and God's Foundation built on the apostles and prophets.

Faith in the Face of Tyranny Torbjörn Johannson, 2023-08-29 In 1933, a group of theological students in Berlin asked Dietrich Bonhoeffer and Hermann Sasse to work together with other theologians to come up with a confession that could be used to challenge Nazi ideology and its inroads into the church bodies of Germany through the so-called German Christians who wanted to reshape Christianity into a worship of German ethnicity. The result was the August Bethel Confession, named after the town in which Sasse and Bonhoeffer worked together. Unfortunately, church bureaucrats got a hold of it and watered it down, and then it was forgotten for the Barmen Declaration, which was much more heavily influenced by Reformed theology and concerns, and failed to even take up the question of what place Jews had in the church. This was a huge disappointment to both Bonhoeffer and

Sasse who are largely regarded as two of the greatest Lutheran theologians of that era In Faith in the Face of Tyranny Torbjørn Johannson takes a look at the work that both these men brought to the forgotten Bethel Confession to show just what a confessional response to national socialism and racism looks like Today there are often calls for new confessions and declarations addressing different political ideologies and issues and well as cultural movements This book shows what such a confession should look like and why as well as what considerations should be taken into account when looking at such a project

Christ's Teaching of Judgment to Christians David Rivington,2017-07-06 Christ's Teaching of Judgment to Christians by David Rivington The most terrifying words ever spoken by the Lord Jesus Christ were spoken to Christians to His own disciples when He said Not everyone who says to Me Lord Lord shall enter the kingdom of heaven but he who does the will of My Father in heaven Many will say to Me in that day Lord Lord have we not prophesied in Your name cast out demons in Your name and done many wonders in Your name And then I will declare to them I never knew you depart from Me you who practice lawlessness Matthew 7:21-23 What does Jesus mean What are Christ's warnings to professing 21st century Christians today This book is written to answer Christ's own teaching to these questions and God's judgment upon every professing Christian I know of no chapter in all of Scripture which needs to be taught and explained to Christians in this modern superficial and confused Church age more than Matthew chapter 7

Perdue M.D.,2022-08-30 When is Christ returning Is it soon as many prophecy experts predict Can you even really know Since the Bible provided an accurate timeline for Christ s first arrival it seems possible that scripture would also identify when His second coming will occur A study of the dates and times provided in scripture provides a different and unique look at when and how God may unfold the events of Daniel s 70th week and the return of Christ **The Lutheran Witness** ,1882 New Church Independent and Monthly Review ,1884 *The Secret Teachings of the Masonic Lodge* John Ankerberg,John Weldon,1990-04-08 Is Masonry nothing more than a harmless brotherhood a club for men Or is there more behind the camaraderie This in depth book probes the secret teachings and oaths revealing how Masonry conflicts with the very foundations of Christianity *Christ's Famous Titles, and a Believer's Golden Chain* William Dyer,1865 *The New Testament in Both Authorized and Revised Versions* ,1884 **The Rapture (Expanded Edition)** Bill Vincent,2025-03-05 The return of Christ is one of the most anticipated events in the Christian faith yet many believers struggle to discern the truth amid various teachings on the rapture The Rapture Expanded Edition Details of the Second Coming of Christ by Bill Vincent offers a deep scripturally grounded exploration of this pivotal doctrine This expanded edition carefully examines the biblical foundation of the rapture the resurrection of the dead the Great Tribulation and the wrath of God Addressing misconceptions particularly regarding the pre tribulation rapture this book seeks to provide clarity using a thorough exegesis of Scripture With a heart for truth and a desire to prepare the Church for what lies ahead The Rapture Expanded Edition is an essential read for anyone seeking to understand Christ s return and its significance for believers today Three Angels, One Message John T. Anderson,2012 Now would be a good time to remember the angels instructions The Three Angels Message comprise only seven of Revelation s 404 verses a tiny percentage of what John the revelator recorded Yet as God s final warning to a world enamored with sin these cryptic messages are highly significant What exactly is God warning the world about though And how is this warning relevant to you considering what is currently happening in our world If it s so important why isn t this portion of Scripture as well known as the Ten Commandments or the golden rule Within these pages John Anderson examines individual words and phrases to decipher clues embedded in the original language and searches the Bible for the context in which each word is used His careful investigation uncovers the veiled meaning of these messages by comparing scripture with scripture and reveals just how urgent God s warning is to every human on this planet today *A False Kind of Christianity* Dan Jensen,2017-06-15 In this work Dan Jensen offers the conservative Evangelical community a no nonsense assessment of the growing and aggressive progressive Christian movement Jensen provides two chapters of personal testimony a short overview of the history behind the progressive

Christian movement a brief summary of the teachings of the movement and then he clearly elucidates the fact that the progressive Christian possesses absolutely no biblical foundation Jensen makes it clear why this movement must be countered by conservative Evangelicals **A Refutation of Arianism** John Paul, 1828
