Familiar Territory Observations On American Life:

Familiar Territory Joseph Epstein, 1979 The way Americans dress they way they eat the way they exercise the way they greet each other these everyday activities have aroused the author s interest prompted anecdotes set him speculating and arguing made him reach for the opinions of his favorite authors and led him invariable to an elegant conclusion Never Say You've Had a Lucky Life Joseph Epstein, 2024-04-16 A rich and comic portrait of the radical changes in American life and the literary world over the last eighty years An autobiography usually requires a justification The great autobiographies those by Benvenuto Cellini Jean Jacques Rousseau Benjamin Franklin and Henry Brooks Adams were justified by their authors living in interesting times harboring radically new ideas or participating in great events Joseph Epstein qualifies on none of these counts His life has been quiet lucky in numerous ways and far from dramatic But it has also been emblematic of the great changes in our country since World War II He grew up in a petit bourgeois Midwestern milieu and the city of Chicago looms large in his life He drew a lucky ticket in the parent lottery and his was a happy boyhood spent on playgrounds and hanging around drug stores At high school dances he was the rhumba king and at drive in movies he was never allowed to go as far with girls as he so ardently desired At twenty six after two years in the army he found himself married the father or stepfather of four children and living in New York on the meager salary of a magazine subeditor He was ablaze with ambition and fettered by frustration He broke out by moving to Little Rock Arkansas to direct the city s anti poverty program at the height of the Civil Rights movement His writing career blossomed he began teaching at Northwestern University and for twenty five years edited one of great intellectual magazines Never Say You've Had a Lucky Life is an intimate look at one life steeped in radical change from a traditionally moral culture to a therapeutic one from an era when the extended family was strong to its current diminished status from print to digital life featuring the war of pixel on print and on But for all the seriousness of Epstein s themes this book is memorable for its comic point of view and the constant reminder of how unpredictable various and wondrously rich life can be

The Novel, Who Needs It? Joseph Epstein, 2023-07-18 In this brief but highly engaging book Joseph Epstein argues for the primacy of fiction and specifically of the novel among all intellectual endeavors that seek to describe the behavior of human beings Reading superior fiction he holds arouses the mind in a way that nothing else quite does He shows how the novel at its best operates above the level of ideas in favor of taking up the truths of the heart No other form probes so deeply into that eternal mystery of mysteries human nature than does the novel Along the way Epstein recounts how we read fiction differently than much else we read He sets out how memory works differently in the reading of fiction than in that of other works He notes that certain novels are best read at certain ages and suggests that novels like movies might do well to carry ratings with some novels best read no later than one s early twenties others not to be read before the age of forty The knowledge one acquires from reading novels differs from all other kinds of knowledge for the subject of all superior fiction is human existence itself in all its variousness and often humbling confusion

The spirit of the novel entails questioning much that others consider home truths This is demonstrated by the fact that so many important philosophers social scientists jurists and other intellectuals have been devoted readers of fiction among them Oliver Wendell Holmes Jr Michael Oakeshott Edward Shils and Clifford Geertz The Novel Who Needs It takes up those current elements in the culture that militate against the production of first rate fiction Prominent among them are the rise of online reading the expansion of creative writing programs the artistically discouraging effects of political correctness and the pervasiveness of therapeutic thinking throughout contemporary culture As for the title The Novel Who Needs It Joseph Epstein s answer is that we all do

Essays in Biography Joseph Epstein,2012-09-14 Who is the greatest living essayist writing in English Unquestionably Joseph Epstein Epstein is penetrating He is witty He has a magic touch with words that hard to define but immediately recognizable quality called style Above all he is impossible to put down How easy it is today to forget the simple delight of reading for no intended purpose Each of the 39 pieces in this book is a pure pleasure to read Now with linking endnotes and index

Familiarity Breeds Content Joseph Epstein,2024-04-16 A collection of personal essays from America s most revered essay writer Joseph Epstein America s greatest living essayist writes about life and aging and being all too nicely out of it In these personal pieces he takes on topics as varied as grieving for a dead son learning Latin late in life and the pleasures of living with cats Epstein gives us a bonfire of his own vanities his thoughts about why watching sports is so impossibly seductive what it is like to be short and why he misses smoking even decades as a health obsessed non smoker Above all he writes about the literary life and the endless joys that reading and writing have brought to a self confessed lucky man

Literary Education and Other Essays Joseph Epstein,2014-06-01 Who invented the personal essay That is hard to say The ancient Roman philosopher and cynical power broker Seneca The 16th century French philosopher Montaigne certainly brought it to a peak of perfection There were many 19th century masters not so many after that Who is the greatest living essayist writing in English That requires no debate at all It is unquestionably Joseph Epstein He is not only the best living essayist he is right up there in the company of Seneca and Montaigne but one of our own living in our era and dealing with our pleasures and travails Epstein is penetrating He is witty He has a magic touch with words that hard to define but immediately recognizable quality called style Above all he is impossible to put down Epstein reads omnivorously and brings us the best of what he reads passages that we would never have found on our own How easy it is today in the digital age drowning in emails and other ephemera to forget the simple delight of reading for no intended purpose Like any master essayist however this one brings us more than the shared experience of a lifetime of reading He brings us himself alternately scolding and charming sparkling and deep buoyant and sad zany and wise rebellious and conservative bookworm and sports fan clever and everyman debunker and preservationist deep into high culture deep into low culture curious fresh and settled in his ways This is the friend we all wish we could have the ideal humane companion who is completely comfortable in his own human skin Like Plutarch he gives us life teaching by example but with a wry smile
