Families of the Vine Michael S. Sanders, 2009-11 Author Michael Sanders spent two years in the vineyards of Southwest France with three families whose destinies are determined each year every year by the soil the weather and the quality of the grape and shared with them the hopes of spring the anguish of summer drought and the mad rush of the fall harvest In this absorbing book he offers a vivid heartfelt portrait of these authentic winemakers in a fascinating intensely human saga of strength dedication and savoir faire Though their wines may differ they all share a powerful uncompromising passion for the timeless craft that defines them Absorbing and informative Sander s book brings contemporary winemaking in France to life

Photos **Families of the Vine** Michael Sanders, 2011-12-31 In 2001 Michael Sanders spent a year abroad creating an eloquent portrait of rural French life a story he told through the seasons of a local restaurant and its patrons the critically acclaimed FROM HERE YOU CAN T SEE PARIS After spending some time back in the States Sanders decided to return to southern France to complete his journey This time he decided to focus on the regional wines FAMILIES OF THE VINE invites the reader into the working lives of three families whose sole crop is the grapes grown in their vineyards grapes from which they all make very good yet quite different wine as they have been doing for more than four generations FAMILIES OF THE VINE loosely follows them throughout the winemaking year from the hopes of spring through the drama of a summer drought and heat wave to the mad dash of fall harvest and then into the wine barns heady with the smells of fermentation and the reek of aging barrels Rich with the history and tradition of French winemaking FAMILIES OF THE VINE is told through the voices of winemakers and their friends from a barrelmaker in Bordeaux to a sommelier in a one star restaurant Whether puzzling over the maddeningly imprecise French concept of terroir or taking a gentle swipe at the science of wine tasting Michael Sanders has an engaging writing style that will appeal to amateur and enthusiast alike Diverse Families,

Desirable Schools Mira Debs, 2021-03-09 In Diverse Families Desirable Schools Mira Debs offers a richly detailed study of public Montessori schools which make up the largest group of progressive schools in the public sector As public Montessori schools expand rapidly as alternatives to traditional public schools the story of these schools Debs points out is a microcosm of the broader conflicts around public school choice Drawing on historical research interviews with public Montessori educators and ethnographic case studies Debs explores the forces that pull intentionally diverse progressive schools toward elitism At the heart of Debs s book is a thoughtful analysis of the notion of fit between parents and schools an idea that is central to school choice which is often marketed as an opportunity for parents to find the perfect fit for their kids By exploring parents varied motivations in choosing these schools and observing how families experience or fail to experience a good fit after having chosen a particular school Debs makes an original contribution to the literature on school choice and sheds light on the dilemmas entailed in maintaining diversity in progressive charter and magnet schools **The Biology of**
