Families Are Like That

Jan Kok

Families Are Like That:

A Family Like This, A Family Like That Gitty Gold,2013-07-25 My friends and family congratulated me on my marriage expressing their overwhelming admiration for my selflessness but behind my back they tapped their forefingers against their temples She didn't understand what he was driving at and he repeated the question explaining very explicitly How much are you asking for convincing Miriam to leave the boys in my custody and how much will she settle for in order to leave the country Not everything can be bought or negotiated through money Gitty remarked trying to stare him straight in the eyes Bingo He was the first to lower his gaze It had been a gamble she knew a dangerous one I don't generally do business with women but you can stay Was this a compliment Scandalous Grace Jonie Scruggs,2022-08-11 Grace Isn't Finished When We Are Forgiven Grace Carries Us to Completion In our current culture people are riddled with pressures to perform and ashamed when they do not measure up We often view our relationship with God through the same lens of performance pressure trying to merit God's favor This is a dangerous way to walk with God and a miserable way to live life's journey Scandalous Grace gives a fresh and insightful perspective from Paul's letter to the Ephesian Church As you journey through these pages you will discover God isn't finished with you once He has forgiven you He cleanses you and then He carries you to completion Grace grants the true disciple of Christ endless freedom Freedom is not the lack of challenge or even chains in your life You may still be in some chains yet experiencing the liberating power of God's grace Journey slowly through this book and bask in the scandalous grace of God Your enemy can't steal your freedom because your freedom doesn't come from your enemy your freedom comes from Christ This is Scandalous Grace Through these pages you will discover God's plan is more powerful than your prison Nothing goes to waste in God's plan True unity doesn't require uniformity it unleashes diversity Grace assures that no matter what comes against us when the battle ends and the dust settles we will still be standing SKATERS Wesley A. Blixt,2014-11-22 The Strathmore Hotel ballroom once hosted presidents but is now home to the feral boys of Warren Falls who skate the hills of the old New England mill town at night following Boy a charismatic young leader without a past animated by the shadows of the brutality of the town's colonial history **Family Business on the Couch** Manfred F. R. Kets de Vries,Randel S. Carlock,2007-10-29 The challenge faced by family businesses and their stakeholders is to recognise the issues that they face understand how to develop strategies to address them and more importantly to create narratives or family stories that explain the emotional dimension of the issues to the family The most intractable family business issues are not the business problems the organisation faces but the emotional issues that compound them Applying psychodynamic concepts will help to explain behaviour and will enable the family to prepare for life cycle transitions and other issues that may arise Here is a new understanding and a broader perspective on the human dynamics of family firms with two complementary frameworks psychodynamic and family systematic to help make sense of family run organisations Although this book includes a conceptual section it is first and foremost a practical book about the

real world issues faced by business families The book begins by demonstrating that many years of achievement through generations can be destroyed by the next if the family fails to address the psychological issues they face By exploring cases from famous and less well known family businesses across the world the authors discuss entrepreneurs the entrepreneurial family and the lifecycles of the individual and the organisation They go on to show how companies going through change and transition can avoid the pitfalls that endanger both family and company The authors then apply tools that will help family businesses in transition and offer their analyses and conclusions Readers should draw their own conclusions from careful examination of the cases identifying the problems or dilemmas faced and the options for improved business performance and family relationships They should ask what they might have done in the given situation and what new insight into individual or family behaviour each case offers The goal is to avoid a bitter ending

Every Monday Matters for Families Matthew Emerzian,2021-09-01 Expanding on the best selling idea of making Monday a day of positivity and growth EVERY MONDAY MATTERS FOR FAMILIES delivers weekly inspiration intended for families to use each Monday in an effort to create positive experiences for themselves and their community The original idea was simple what if we could get millions of people to engage in simple acts that were good for the world Picking up litter helping the homeless smiling planting a tree And in doing so we would make the world a better place and also help people understand how much and why they matter Every Monday Matters FOR FAMILIES kicks off each week with a specific theme to help families start their week in a positive mindset With actions that families can take together or independently you and your family can start bettering yourselves and your community with a few simple steps

A Family Like Mine Rosalind C. Hughes,2020-04-01 Families are complicated and they always have been A Family Like Mine explores the surprising variety of family stories and relationships reflected in the Bible emphasizing God's grace reconciliation and renewal The book tells the family stories of our spiritual ancestors in ways that resonate with our own family stories Author Rosalind Hughes weaves accounts of familiar and less well known biblical characters with stories of family formation estrangement adoption and more She imaginatively retells biblical stories inviting the reader to dig deeper into the motivations disappointments faith and fulfillment we hold in common with our biblical ancestors Story based and biblically informed A Family Like Mine combines spiritual autobiography with Bible study to provide a gentle but probing look at the many mansions of God's household where Jesus has prepared a place for all God's children Reflection questions encourage readers to examine and compare their own family history and spiritual journey with the stories of families found in the Bible

A Family Like No Other Pasquale De Marco,2025-05-02 In A Family Like No Other Pasquale De Marco provides a comprehensive guide to building strong healthy families Drawing on years of experience as a parent author lecturer and workshop leader Pasquale De Marco offers practical advice and wisdom on a wide range of family related topics including Communication and conflict resolution Financial planning and budgeting Raising children and building strong parent child relationships Managing family transitions and challenges Preserving family history and legacy

Lead Your Family Like Jesus Ken Blanchard, Tricia Goyer, Phil Hodges, 2013-03-01 Does your family need a five star general at the helm A psychologist A referee Ken Blanchard best selling co author of The One Minute Manager and Lead Like Jesus points to a better role model the Son of God Joined by veteran parents and authors Phil Hodges and Tricia Goyer renowned business mentor Blanchard shows how every family member benefits when parents take the reins as servant leaders Moms and dads will see themselves in a whole new light as life changers who get their example strength and joy from following Jesus at home This user friendly book's practical principles and personal stories mark the path to a truly Christ centered family where integrity love grace self sacrifice and forgiveness make all the difference

Just Like Family Andrea Laurent-Simpson, 2021-07-13 Winner 2023 Animals and Society's Distinguished Book Award presented by the American Sociological Association The rise and increasingly important role of companion animals in our families From homemade meals for our dogs to high end feline veterinary care pets are a growing multi billion dollar industry in the United States In Just Like Family Andrea Laurent Simpson explores the expanding role of animals in what she calls the multi species family providing a window into a world where almost 95 percent of adults who share their homes with dogs and cats identify and ultimately treat their animal companions as legitimate members of their families With an insightful eye Laurent Simpson examines why and how these animals have increasingly become an important part of our households She highlights their various roles in our lives including as siblings to our existing children as animal children themselves and in some cases even as grandchildren particularly as fertility rates decline and a growing number of younger couples choose to live a childfree lifestyle Ultimately Laurent Simpson highlights how animals and their place in our lives have changed the structure of the American family in surprising ways Just Like Family provides a fascinating inside look at our complex relationships with our beloved animal companions in the twenty first century

Family Troubles? Jane Ribbens McCarthy, Carol-Ann Hooper, Val Gillies, 2014-10-15 As the everyday family lives of children and young people come to be increasingly defined as matters of public policy and concern it is important to raise the question of how we can understand the contested terrain between

normal family troubles and troubled and troubling families In this important timely and thought provoking publication a wide range of contributors explore how troubles feature in normal families and how the normal features in troubled families Drawing on research on a wide range of substantive topics including infant care sibling conflict divorce disability illness migration and asylum seeking substance misuse violence kinship care and forced marriage the contributors aim to promote dialogue between researchers addressing mainstream family change and diversity in everyday lives and those specialising in specific problems which prompt professional interventions In tackling these contentious and difficult issues across a variety of topics the book addresses a wide audience including policy makers service users and practitioners as well as family studies scholars more generally who are interested in issues of family change

Working With Families in Medical Settings

Alison M. Heru, 2013-08-21 Working With Families in Medical Settings provides mental health professionals with the tools they need to figure out what patients and families want and how within the constraints imposed by 21st century healthcare setting to best give them the care they need Psychiatrists and other clinicians who work in medical settings know that working with a patient with a chronic illness usually entails work with that patient's family as well as with other medical professionals Some families need education others have specific difficulties or dysfunctions that require skilled assessment and intervention It is up to the clinician to find productive ways to work with common themes in family life expressed emotion levels of resilience life cycle issues and adaptation to illness among others Enter Working With Families in Medical Settings which shines a spotlight on the major issues professional caregivers face and shows them how to structure an effective intervention in all kinds of settings Psychiatrists particularly those in psychosomatic medicine and other clinicians who work with the medically ill will find Working With Families in Medical Settings to be an essential resource and guide to productive relationships with patients and their families

Systemic Multi-Family Therapy

Eia Asen, Emma Morris, Noël Pommepuy, 2024-12-23 This book provides a pragmatic guide to multi family therapy MFT as employed in a variety of different settings health social care and education Bringing six to eight families together to work on

similar issues in MFT has become an increasingly successful intervention that encourages service user participation and moves towards a more patient and family centred care This text describes the concepts therapeutic stances interventions and techniques of MFT bringing together all the major recent developments in the field Specific topics covered include how to engage families in working together with up to eight families with similar issues and problems how to set up and conduct multi family groups and how to evaluate and develop interventions The book covers working with and across diverse cultures conditions and problems and includes a chapter on different MFT exercises activities and games Systemic Multi Family Therapy is written for a range of practitioners including psychotherapists psychologists psychiatrists group therapists and family therapists and will also be relevant for most professionals working in social care and schools *Television Families* William Douglas,2003-02-26 This volume examines the analysis that was designed to map the development of the television family and assess its current state and at the same time to provide insight into the tangled relationships between fictional and real family life In order to do this the investigation examines the evolution of the American family paying special attention to the postwar family which is not only used recurrently as a benchmark for assessing the performance of modern families but also constituted television s first generation of families The investigation also traces the evolution of the popular family in vaudeville comics and radio However the primary focus of the examination is the development of the television family from families such as the Nelsons Andersons and Cleavers to more contemporary families such as the Huxtables Connors and Taylors The unit of analysis for the investigation is the relationship rather than the individual Hence the book deals with the portrayal of spousal parent child and sibling relationships and how those portrayals differ across time and across groups defined by ethnicity gender and age Moreover the relational analysis is expansive so that television family relationships are examined in regard to power and affect performance and satisfaction and stability *Television Families* provides a thorough summary and critical review of extant research designed to promote informed classroom discussion At the same time it advances a number of hypotheses and recommendations and as such is intended to influence subsequent theory and research in the area The book is intended for senior undergraduate students graduate students and television and family researchers Family Policy Shirley Zimmerman,2001-05-24 *Family Policy* offers concrete illustrative examples that bring the academic subject matter to life for students Questions at the end of each chapter help students test their comprehension of the material deepen their understanding of the subject matter and spur classroom discussion BOOK JACKET **Serious Mental Illness** Abraham Rudnick,David Roe,2018-08-17 Practical and evidence based this unique book is the first comprehensive text focused on person centered approaches to people with serious mental illness such as schizophrenia and bipolar disorder It reflects a range of views and findings regarding assessment treatment rehabilitation self help policy making education and research It is highly recommended for all healthcare professionals students researchers and educators involved in general practice psychiatry nursing social work clinical psychology and therapy

Healthcare service providers and policy makers and shapers will find the book's wide ranging multi professional approach enlightening. *Serious Mental Illness* reflects a continued distancing from the outmoded and unsubstantiated belief that people with severe mental illnesses could not recover and that they would respond positively only to goals and treatment plans chosen designed and implemented by providers in order to prevent their further deterioration. Anyone with an interest in the concept of person centered approaches will discover new ideas in this book. Indeed anyone with an interest in person centered approaches has to read this book. Not only is it the first such book on person centered approaches but it will serve as the gold standard in this topic area for years to come. William A. Anthony in the Foreword.

Legalizing LGBT Families Amanda K. Baumle, D'Lane R. Compton, 2017-11. In depth interviews examine the role of the law in the lives of LGBT parents. The decision to have a child is seldom a simple one often fraught with complexities regarding emotional readiness finances marital status and compatibility with life and career goals. Rarely though do individuals consider the role of the law in facilitating or inhibiting their ability to have a child or to parent. For LGBT individuals however parenting is saturated with legality including the initial decision of whether to have a child how to have a child whether one's relationship with their child will be recognized and everyday acts of parenting. Through interviews with 137 LGBT parents Amanda K. Baumle and D'Lane R. Compton examine the role of the law in the lives of LGBT parents and how individuals use the law when making decisions about family formation or parenting. Baumle and Compton explore the ways in which LGBT parents participate in the process of constructing legality through accepting modifying or rejecting legal meanings about their families. They conclude that legality is constructed through a complex interplay of legal context social networks individual characteristics and familial desires. Ultimately the stories of LGBT parents in this book reflect a rich and varied relationship between the law the state and the private family goals of individuals.

Rebellious Families Jan Kok, 2002. Why do people rebel? This is one of the most important questions historians and social scientists have been grappling with over the years. It is a question to which no satisfactory answer has been found despite more than a century of research. However in most cases the research has focused on what people do if they rebel but hardly ever why they rebel. The essays in this volume offer an alternative perspective based on the question at what point families decided to add collective action to their repertoires of survival strategies. In this way this volume opens up a promising new field of historical research the intersection of labour and family history. The authors offer fascinating case studies in several countries spanning over four continents during the last two centuries. In an extensive introduction the relevant literature on households and collective action is discussed and the volume is rounded off by a conclusion that provides methodological and theoretical suggestions for the further exploration of this new field in social history.

Helping Couples and Families Navigate Illness and Disability John S. Rolland, 2018-04-20. Couples and families face daunting challenges as they cope with serious illness and disability. This book gives clinicians a roadmap for helping affected individuals and their loved ones live well with a wide range of child adult and later life

conditions John S Rolland describes ways to intervene with emerging challenges over the course of long term or life threatening disorders Using vivid case examples he illustrates how clinicians can help families harness their strengths for positive adaptation and relational growth Rolland s integrated systemic approach is useful for preventive screening consultations brief counseling more intensive therapy and multifamily groups across health care settings and disciplines This book significantly advances the clinical utility of Rolland s earlier landmark volume *Families Illness and Disability* *Unity: The Elixir of Enduring Families* Pasquale De Marco,2025-08-14
