*Mindfulness-Based Play-Family Therapy: Theory and Practice* Dottie Higgins-Klein, 2013-09-09 Incorporating mindfulness and family therapy into play family sessions When a child is offered a space to relax the busy mind his experience is comparable to mindfulness meditation Therapists can help children remain in this calm state in the state of the present moment if they have the right tools and techniques to do so During this stillness a child can reach a level of consciousness that is parallel to the deepened awareness that occurs during mindfulness meditation Conducting play sessions in this stage allows for healing and progress Not only can the symptoms of children s pain be reduced in intensity and duration but their self esteem can be enhanced This book presents a new and comprehensive framework for helping children through play therapy within the context of the family and incorporating ideas from the practice of mindfulness This experience based therapeutic model respectfully derives from the best roots of traditional family therapy and play therapy modalities Additionally it draws from child development theory interpersonal neurobiology and mindfulness Either spontaneous play or directed play can be used according to the need

**Socioculturally Attuned Family Therapy** Teresa McDowell, Carmen Knudson-Martin, J. Maria Bermudez, 2017-11-23 Socioculturally Attuned Family Therapy addresses the need for socially responsible couple marriage and family therapy that infuses diversity equity and inclusion throughout theory and clinical practice The text begins with a discussion of societal systems diversity and socially just practice The authors then integrate principles of societal context power and equity into the core concepts of ten major family therapy models paying close attention to the how to s of change processes through a highly diverse range of case examples The text concludes with descriptions of integrative equity based family therapy guidelines that clinicians can apply to their practice

Applying Critical Social Theories to Family Therapy Practice Teresa McDowell, 2015-03-18 This volume applies critical social theories to family therapy practice using sociopolitical context for a clearer focus on the power dynamics of couple and family relationships Its decolonizing approach to therapy is shown countering the pervasive cultural themes that grant privilege to specific groups over others feeding unequal and oppressive relationships that bring families and couples to treatment Therapy is shown here as a layered and nuanced process with practitioners developing an ethical human rights perspective toward their work as they aid clients in negotiating for greater

justice and equity in their relationships The book bridges theory and practice by giving readers these essential tools  
Strategies for asking clients about social class A framework for understanding gender issues within the larger patriarchy  
Guidelines for relating concepts of race and class in therapy Structure for creating the family cartography Ways to utilize a  
queer perspective in therapy Illustrative case examples throughout Breaking new ground in family therapy Applying Critical  
Social Theories to Family Therapy Practice challenges social workers social work researchers therapists and psychologists to  
push beyond current ideas of social awareness and cultural competence toward truly liberatory client centered practice
