## **Famine Diary:**

**Famine Diary** Brendan Ó Cathaoir, 1999 Based on a wide selection of resources this record of the Great Famine provides a graphic picture of conditions in the Irish countryside as the crisis developed It combines analysis and an overview with a focus on the worst hit areas

**Famine Diary** Gerald Keegan, 1991 Gerald Keegan was one of the emigrants who left famine conditions in County Sligo Ireland and made the long voyage across the Atlantic He experienced firsthand the shocking conditions on Grosse Ile conditions so shocking that the Canadian government of the day tried every way possible to keep the public from finding out about it The dairy he kept was first published in Huntington Quebec in 1895 but was censored by the government for being too frank an exposure of the injustices that were at the root of the emigration movement Writer James Mangan has taken Gerald Keegan's Famine diary and edited it to make it more intelligible to readers who might not be familiar with the historical background of the mass emigration movement from Ireland in 1847 For this book he also changed the language idiom into a more modern type of expression and introduced a number of characters in order to fill out the historical background of the emigration movement In doing this every precaution was made to maintain the charming simplicity and frankness of the original author Gerald Keegan Today we know about the cruelty of the Irish landlords but life aboard the coffin ships is hardly documented and the ultimate fate of the emigrants is rarely adverted to Keegan's dairy shows us the face of the famine dead from Introduction

**The memory of catastrophe** Peter Gray, Kendrick Oliver, 2024-07-30 Investigates the dynamic relationship between experiences of profound social and cultural disruption and human memory Critical comparisons are made across a wide variety of catastrophic experiences and memories not just of war but also of massacre genocide rebellion famine partition shipwreck and fire The book is an accessible showcase for a wide range of methodological approaches to the study of memory including literary studies cultural studies participant observation and historical studies and uses a variety of oral visual and written sources Offers a diverse chronological and geographical range of catastrophic cases from seventeenth century England to the recent conflicts in the former Yugoslavia from Ireland to the Indian sub continent from Mexico to wartime Leningrad Well written and accessible a fascinating read

**Coffin Ship** William Henry, 2009-05-14 The tragic tale of the sinking of the famine ship the St John in Massachusetts Bay in 1849 The Great Irish Famine drove huge numbers of Irish men and women to leave the island and pursue their survival in foreign lands In 1847 some 200 000 people sailed for Boston alone Of this massive group 2 000 never made it to their destination killed by disease and hunger during the voyages their remains consigned to a watery grave The sinking of the brig St John off the coast of Massachusetts in October 1849 was only one of many tragic events to occur during this mass exodus The ship had sailed from Galway loaded with passengers so desperate to escape the effects of famine that some had walked from as far afield as Clare to reach the ship The passengers on the St John made it to within sight of the New World before their ship went down and they were abandoned by their captain who denied that there had been any survivors when

he and some of his crew made it ashore For those who died in the seas off Massachusetts there was nothing to mark their last resting place no name no memory of them ever having existed just another statistic in a terrible tragedy

**North American Gaels** Natasha Sumner,Aidan Doyle,2020-11-18 A mere 150 years ago Scottish Gaelic was the third most widely spoken language in Canada and Irish was spoken by hundreds of thousands of people in the United States A new awareness of the large North American Gaelic diaspora long overlooked by historians folklorists and literary scholars has emerged in recent decades North American Gaels representing the first tandem exploration of these related migrant ethnic groups examines the myriad ways Gaelic speaking immigrants from marginalized societies have negotiated cultural spaces for themselves in their new homeland In the macaronic verses of a Newfoundland fisherman the pointed addresses of an Ontario essayist the compositions of a Montana miner and lively exchanges in newspapers from Cape Breton to Boston to New York these groups proclaim their presence in vibrant traditional modes fluently adapted to suit North American climes Through careful investigations of this diasporic Gaelic narrative and its context from the mid eighteenth century to the twenty first the book treats such overarching themes as the sociolinguistics of minority languages connection with one s former home and the tension between the desire for modernity and the enduring influence of tradition Staking a claim for Gaelic studies on this continent North American Gaels shines new light on the ways Irish and Scottish Gaels have left an enduring mark through speech story and song

*The Making of Modern Irish History* D. George Boyce,Alan O'Day,2006-09-07 This volume brings together distinguished historians of Ireland each of whom tackles a key question issue or event in Irish history since the eighteenth century and examines its historiography assesses the context of new interpretations considers the strengths and weaknesses of revisionist ideas offers their own interpretation Topics covered are not only of historical interest but in the context of recent revisionist debates of contemporary political significance These original contributions take account of new evidence and perspectives as well as up to date historical methodology Their combination of synthesis and analysis represent a valuable guide to the present state of the writing of modern Irish history

**The History of the Irish Famine** Jason King,2018-09-20 The Great Irish Famine remains one of the most lethal famines in modern world history and a watershed moment in the development of modern Ireland socially politically demographically and culturally In the space of only four years Ireland lost twenty five per cent of its population as a consequence of starvation disease and large scale emigration Certain aspects of the Famine remain contested and controversial for example the issue of the British government s culpability proselytism and the reception of emigrants However recent historiographical focus on this famine has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 This volume breaks new ground in bringing together foundational narratives of one of Europe and North America s first refugee crises making visible their impact in shaping perceptions public opinion and patterns of memorialization of Irish forced migration It documents eyewitness impressions of suffering Irish emigrants and raises questions about what literary conventions mnemonic motifs

and popular images can be found in eyewitness accounts press coverage and foundational narratives of Famine Irish forced migration These primary sources provide a model for understanding how representations of forced migration shape public opinion and policy

Light, Freedom and Song David Pierce, 2005-01-01 In this absorbing analysis of modern Irish writing an acknowledged expert considers the hybrid character of modern Irish writing to show how language culture and history have been affected by the colonial encounter between Ireland and Britain Examining the great themes of loss and struggle David Pierce traces the impact on Irish writing of the Great Famine and cultural nationalism and considers the way the work of Ireland's two leading writers W B Yeats and James Joyce complicate and elucidate our view of the harp and the crown The book draws a contrast between the West of Ireland in the 1930s when the new Irish State enjoyed its first full independent decade and the North of Ireland in the 1980s when the spectre of British imperialism threatened the stability of Ireland Pierce then surveys contemporary Irish writing and reflects on the legacy of the colonial encounter and on the passage to a postmodern or postnationalist Ireland in the work of such crucial living writers as John Banville Derek Mahon and John McGahern

James P. Goodrich, Indiana's "Governor Strangelove" Benjamin D. Rhodes, 1996 Roosevelt exchanged ambassadors with the Soviet Union an action that substantially vindicated Goodrich One of the most intriguing aspects of his career is that much of what Goodrich was saying about the U S S R seventy years ago has recently come to pass

**The History of the Irish Famine** Christine Kinealy, Jason King, Gerard Moran, 2020-06-04 The Great Irish Famine remains one of the most lethal famines in modern world history and a watershed moment in the development of modern Ireland socially politically demographically and culturally In the space of only four years Ireland lost twenty five per cent of its population as a consequence of starvation disease and large scale emigration Certain aspects of the Famine remain contested and controversial for example the issue of the British government's culpability proselytism and the reception of emigrants However recent historiographical focus on this famine has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 The narratives of those who perished those who survived and those who emigrated form an integral part of this history and these volumes will make available for the first time some of the original documentation relating to an event that changed not only Irish history but the history of the countries to which the emigrants fled Britain the United States Canada and Australia By bringing together letters government reports diaries official documents pamphlets newspaper articles sermons eye witness testimonies poems and novels these volumes will provide a fresh way of understanding Irish history in general and famine and migration in particular Comprehensive editorial apparatus and annotation of the original texts are included along with bibliographies appendices chronologies and indexes that point the way for further study

**The Event and Its Terrors** Stuart John McLean, 2004 The Event and its Terrors undertakes a critical reimagining of one of the major events of Irish history the Great Famine of the 1840s and of its subsequent legacies Drawing on a wide range of sources past and present it considers the emergence of the Famine as an object of historical

knowledge and controversy with reference both to the experience of modernity and to the production of academic and nationalist histories in colonial and post independence Ireland In doing so it explores the possibility of alternative modes of engagement with the past via contemporary eyewitness accounts oral histories literature folklore and present day commemorative events     The Portuguese in India and Other Studies, 1500-1700 A.R. Disney,2023-05-31 The studies brought together in this volume were published over the last thirty years and are concerned directly or indirectly with the Portuguese presence in India between about 1500 and 1650 They have been arranged into four groups of which the first The Portuguese in India includes pieces on the changing character of the empire in India Goa in the 17th century the Portuguese India Company of 1628 33 smugglers the great famine of the early 1630s and the ceremonial induction process for new viceroys A second group focuses on the life career and background of the count of Linhares before during and after his term as viceroy at Goa The third group consists of studies on travel and communications between India and Portugal both by sea and by land The collection concludes with studies under the heading of historiography and problems of interpretation on Charles Boxer as a biographer and on Vasco da Gama s reputation for violence     The Art of Doing Good Joanna Handlin Smith,2009-03-11 In her study of the rise of charities amidst the late Ming crises Joanna Handlin Smith has marshaled so many interesting and rare sources that she is able as few before to give life and especially depth to a large and diverse group of remarkable people This landmark book on one of the most exciting periods in Chinese history makes you all the more sorry that the Ming dynasty collapsed despite so much devotion and talent Pierre tienne Will Coll ge de France In her absorbing accounts of both big events and small Joanna Handlin Smith has anchored her narrative in original research producing a work of admirable scholarly care and ingenuity This fine study attentive as much to the complex of moral ideals underlying them as to the detailed practices of early modern famine relief and benevolent societies will make a lasting contribution to our understanding of charity as performed in Chinese contexts Vivienne Shue Oxford University     *Mediaeval Deccan History* A. Rā Kulakarṇī,M. A. Nayeem,Teotonio R. De Souza,1996 The Volume Contains Research Papers And A Few Original Documents Relating To Various Aspects Like Religions Society And Culture Economy Polity And Administration Of The History Of Deccan These Fresh Studies Would Help Scholars In Better Understanding Of Various Aspects Of Deccan History

**The Two Koreas and their Global Engagements** Andrew David Jackson,2022-02-22 This book departs from existing studies by focusing on the impact of international influences on the society culture and language of both North and South Korea Since President Kim Young Sam s segyehwa drive of the mid 1990s South Korea has become a model for successful globalization In contrast North Korea is commonly considered one of the least internationally integrated countries This characterization fails to account for the reality of the two Koreas and their global engagements The opening essay situates the chapters by highlighting some significant contrasts and commonalities between the experiences of North and South Korea s history of engagement with the world beyond the Peninsula The chapters explore both the longer term historical

influence of Korea's international contacts as well as specific Korean cultural linguistic and social developments that have occurred since the 1990s demise of the global Cold War and greater international integration      Rachel LeMoyne Eileen Charbonneau,1999-07-15 Rachel LeMoyne a mixed blood Choctaw raised in a Presbyterian mission knows that her calling in 1847 is to travel to Ireland to feed the starving people there with her own people's life giving surplus corn But she never expects to find a husband among the hungry and grief stricken people especially not a husband considered to be an outlaw When Rachel and Darragh return to America as husband and wife a new challenge awaits her they must flee to escape the authorities still searching for Darragh But with the Irish like the Blacks and Indians deemed unfit for liberty facing factories posting No Irish Need Apply signs the only place to go is west to the wild country promised to anyone who can survive the journey At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied      **Irish Nationalism and the British State** Brian Jenkins,2006-05-12 No detailed description available for Irish Nationalism and the British State      **Dry Spells** Jeffrey Snyder-Reinke,2020-03-17 Chinese officials put considerable effort into managing the fiscal and legal affairs of their jurisdictions but they also devoted significant time and energy to performing religious rituals on behalf of the state This groundbreaking study explores this underappreciated aspect of Chinese political life by investigating rainmaking activities organized or conducted by local officials in the Qing dynasty Using a wide variety of primary sources this study explains how and why state rainmaking became a prominent feature of the late imperial religious landscape It also vividly describes the esoteric spectacular and occasionally grotesque techniques officials used to pray for rain Charting the ways in which rainmaking performances were contested by local communities this study argues that state rainmaking provided an important venue where the relationship between officials and their constituents was established and maintained For this reason the author concludes that official rainmaking was instrumental in constituting state power at the local level This monograph addresses issues that are central to the study of late imperial Chinese society and culture including the religious activities of Chinese officials the nature of state orthodoxy and the symbolic dimensions of local governance      **Ireland's Great Hunger** David A. Valone,2009-12-21 The papers collected in this volume are a product of the second conference on Ireland's Great Hunger held at Quinnipiac University in 2005 That conference focused on the themes of representation and preservation brought together forty five scholars from around the world to discuss various aspects of the Famine and its aftermath Following the conference the complete An Gorta Mór collection of Quinnipiac's famine commemorative art was placed on display for the first time in the University's Alumni Hall The An Gorta Mór collection is on permanent display in the University's Arnold Bernhard Library and in other buildings across the University's Mount Carmel campus This volume focused on the theses of relief representation and remembrance contains essays from a broad range of disciplines including works of history literary criticism anthropology and art history      *China Networks* Jens Damm,Mechthild Leutner,2009 Networks ranging from village level to transnational level have always played a crucial role in

Chinese society The contributors to this volume aim to trace the interaction between various networks which have existed from the 19th century to the present day The articles deal with theoretical concepts historical examples such as non state responses to the North China Famine 1876 1879 the role of missionaries in the modernization of China and disaster management including recent inter ethnic business competition in Hong Kong Han settlers in Xinjiang temple festivals in Macau and urban migrants social networks in today s China By drawing on new material and theoretical frameworks these studies shed fresh light on the ways in which various forms of networks have shaped Chinese society while at the same time questioning traditional and rigid perspectives of Chinese society based solely on networks and guanxi
