The Famous DAR Murder Mystery Graham Landrum,2011-04-01 The search for the grave of a Revolutionary War soldier takes a bizarre turn when four members of the Old Orchard Fort chapter of Daughters of the American Revolution stumble on a modern day corpse Though the sheriff dismisses the body as a transient battered in a drunken brawl one of the ladies organist Helen Delaporte has other ideas First there are the victim s finely manicured hands and then there is the map dropped at the scene of the crime Soon the D A R members including feisty eighty six year old Harriet Bushrow are rebels with a cause mounting an investigation of their own Of course when the press catches wind of it they go to town The coveted publicity for their chapter sets the ladies reveling until Helen s windshield is showered with bullets and it s clear that their new pet project could spell deadly ends for them all Told in the alternating voices of chapter members and other colorful characters Graham Landrum s stunning novel is the first in a delightful series narrated by members of the community of Borderville smack on the Virginia Tennessee line

The Garden Club Mystery Graham Landrum,Robert Graham Landrum,2014-09-02 Picking up from an unfinished manuscript of his late father Graham Gordon Landrum Robert Graham Landrum follows the further adventures of the ladies of the Daughters of the American Revolution in the quiet little town of Borderville Tennessee When Mrs Marguerite Claymore a leading horticulturist is found bludgeoned to death in her garden the residents of Borderville are up in arms A respected member of society noted for her many contributions Mrs Claymore seems to have been the least likely candidate for such a terrible crime It appears that Mrs Claymore interrupted a thief in the process of looting her house A teenage boy stands accused of the crime and his family enlists the spunky octogenarian sleuth Harriet Bushrow to clear his name Harriet soon finds several people from Mrs Claymore s past who may have had a reason to do away with the often cantankerous and dictatorial old woman A string of unsolved robberies may also be connected In The Garden Club Mystery Robert Landrum pays a unique tribute to his father by co creating the magic of the fictional town of Borderville and its much loved characters

Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It

is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
