**Subject Guide to Children's Books In Print, 1989-1990** R R Bowker Publishing, 1989-10      Subject Guide to Children's Books In Print, 1990-1991 R R Bowker Publishing, 1990-09      **HEAVEN** Michael G. Maness, 2004-12-01 In heaven we shall know everlasting rest and the full measure of our inheritance Though no eye has seen what God has prepared for us from Revelation 21 22 we can understand a little of what heaven will feel like We shall know a new freedom economy purity peace and so much more Those will be the simple experiences The greater experiences will be in everlasting love most especially in an everlasting marriage and an enduring intimate community Likewise we shall know a growing and everlasting security within our grand heritage within God s promises and in the work of Christ Yet the greatest experience of all is also the hardest to understand because it is the farthest removed from our earthly experience The greatest experience of all will be that for the rest of our everlasting loving lives we will share in the very life and glory of our dynamic and loving God our loving Father and Abba The greatest experience in heaven will be the very life and light that we share with God Himself so very personal and loving to the uttermost      *Light for the Journey* Robert T. Gamba, 2008-12-23 2ND PETER 1 19 And so we have the prophetic word confirmed which you do well to take heed as a light that shines in a dark place There is a Light at the end of the tunnel However there is also a Light through the tunnel that can shine in the hearts of our understanding which will guide us safely through the darkness of ignorance to a place of peace security and confidence Although some may promise many things in the name of science and technology there is only one light ray of hope for eternity Even as medical research strives to prolong life it is a short lived hope For as the sand in the hourglass pours through the narrow opening so our earthly lives pour through the opening of time because our time here is measured Whether we face this fact or not these bodies are destined to die However our spirits do not but will live in the light of mercy or in the darkness of error for eternity Our days here are short and our time to leave could be nearer than we think so we should listen to the words of eternal truth We can easily listen to all the other voices of those that stumble in the blindness of doubt or we can follow the true Light of all hope that is willing and able to take us home even through our darkness nights Two choices two roads with two different destinations but there is only one journey EPHESIANS 1 18 The eyes of your understanding being enlightened that you may know what is the hope of His calling      **We've Lost. What Now?** Wayne Baxter, 2015-02-13 Is the church of the twenty first century supposed to regain its former glory or is it too late Are the people of God in exile yet again Have we lost our cultural footing and are now in desperate need to find a new way for the present millennium Daniel was born into a nation of God fearers where the Scriptures were embraced and biblical values espoused But that all changed with the Babylonian exile Daniel s God his values and his faith had become irrelevant and even despised in his society With the erosion of Christendom Daniel s story has become the church s story We ve Lost What Now offers a clear insightful and relevant exposition of Daniel in order to empower believers to minister more effectively than ever before from the social and cultural margins the church
